Introduced by M. of A. ZACCARO -- read once and referred to the Committee on Children and Families

AN ACT to amend the social services law, in relation to requiring at least one employee of each child day care to be trained in administering an opioid antagonist

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 390-a of the social services law is amended by adding a new subdivision 6 to read as follows:

6. a. The site provider of a family day care home or group family day care home shall provide that at least one employee who holds a valid certification in a course of study in how to administer an opioid antagonist, as defined by subparagraph (i) of paragraph (a) of subdivision three of section thirty-three hundred nine of the public health law, be on premises during the operating hours of such family day care home or group family day care home.

b. The site supervisor of a school-age child care program shall provide that at least one employee who holds a valid certification in a course of study in how to administer an opioid antagonist, as defined by subparagraph (i) of paragraph (a) of subdivision three of section thirty-three hundred nine of the public health law, be on premises during the operating hours of such school-age child care program.

c. The director of a child day care center shall provide that at least one employee who holds a valid certification in a course of study in how to administer an opioid antagonist, as defined by subparagraph (i) of paragraph (a) of subdivision three of section thirty-three hundred nine of the public health law, be on premises during the operating hours of such child day care center.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
