STATE OF NEW YORK

8582

IN ASSEMBLY

January 12, 2024

Introduced by M. of A. SANTABARBARA -- read once and referred to the Committee on Consumer Affairs and Protection

AN ACT to amend the general business law, in relation to requiring navigation systems utilizing GPS technology to identify the height of any bridge or overpass along a proposed route

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general business law is amended by adding a new section 390-f to read as follows:

§ 390-f. Global positioning system navigation. No electronic map or navigation system which utilizes global positioning system (GPS) technology to direct the driver of a motor vehicle to a specified destination along a proposed route or routes shall be offered for use or sale in this state unless such map or navigation system provides the user with the actual height of each bridge or overpass which the user will pass under along a proposed route generated in response to a request or information provided by such user.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
