12 reimbursement from the amount appropriated
13 herein shall not be available for tuition
14 expenditures for foster children, includ-
15 ing persons in need of supervision and
16 adjudicated juvenile delinquents, made by
17 a social services district located within
18 a city having a population of one million
19 or more.

20 Notwithstanding any other provision of law,
21 a portion of the funds are available to
22 reimburse social services districts for
23 the change in the maximum state aid rates
24 established by the office of children and
25 family services for the 2024-25 rate year
26 pursuant to section 398-a of the social
27 services law and sections 4003 and 4405 of
28 the education law to reflect the continua-
29 tion of the cost of living adjustments
30 that became effective April 1, 2008 for
31 payments made to foster parents and for
32 salary and fringe benefit costs and other
33 critical nonpersonal services costs for
34 foster care programs as determined by the
35 office. Social services districts must
36 adjust the amount of payments made for
37 care provided by congregate care and
38 foster boarding home programs and to
39 foster parents to reflect the cost of
40 living adjustments in the manner specified
41 by the office. Each authorized agency

44 for which the office sets a maximum state
45 aid rate pursuant to section 398-a of the
46 social services law or section 4003 or
47 4405 of the education law shall submit, at
48 the time and in a manner to be determined

2 became effective April 1, 2008 for that
3 program will be or were used solely in
4 accordance with the requirements of the
5 cost of living adjustment established by
6 the office.

7 Notwithstanding any inconsistent provision
8 of law including, but not limited to, any
9 chapter of the laws of 2024 which enacts a
10 cost of living adjustment for the state
11 fiscal year beginning on April 1, 2024,
12 the commissioner shall continue to apply
13 any cost of living adjustment increase in
14 effect on March 31, 2024 for the entire
15 rate year that began when such cost of
16 living adjustment increase was in effect.
17 Notwithstanding any inconsistent provision
18 of law, the commissioner shall apply a 1.5
19 percent cost of living adjustment for the
20 rate year that begins on July 1, 2024 for
21 the purposes of establishing rates of
22 payments, contracts, or any other form of
23 reimbursement, provided that this shall
24 not prevent the commissioner from applying
25 additional trend or staff retention
26 factors for this program.

27 Within the amounts appropriated herein,
28 state reimbursement to each social
29 services district for services identified
30 herein that are otherwise reimbursable by
31 the state from April 1, 2024 through March
32 31, 2025 shall be limited to a district
33 allocation, hereinafter referred to as the
34 district's block grant allocation.
35 Notwithstanding any other provision of
36 law, such block grant allocation shall be
37 based, in part, on each district's claims
38 for such costs, adjusted by the applicable
39 cost allocation methodology and net of any
40 retroactive payments for the 12 month
41 period ending June 30, 2023 that are
42 submitted on or before January 2, 2024
43 and, in part, on such other factors as
44 determined by the office of children and
45 family services and approved by the direc-
46 tor of the budget. Any portion of a social
47 services district's allocation from funds
48 appropriated herein not claimed by such
49 district during the state fiscal year may
50 be used by such district for expenditures
51 on preventive services provided pursuant

1 to section 409-a of the social services
2 law, independent living services and
3 aftercare services provided pursuant to
4 regulations of the department of family
5 assistance, claimed by such district
6 during the next state fiscal year up to
7 the amount remaining from the district's
8 foster care block grant allocation,
9 provided however, that any claims for such
10 services during the next state fiscal year
11 in excess of such amount shall be subject
12 to 62 percent state reimbursement exclu-
13 sive of any federal funds made available
14 for such purposes, in accordance with
15 directives of the department of family
16 assistance and subject to the approval of
17 the director of the budget. Any claims
18 submitted by a social services district
19 for reimbursement for a particular state
20 fiscal year for which the social services
21 district does not receive state or federal
22 reimbursement during that state fiscal
23 year may not be claimed against that
24 district's block grant apportionment for
25 the next state fiscal year.

26 The office of children and family services,
27 with the approval of the director of the
28 budget, may reduce a district's block
29 grant allocation by the state share
30 decrease related to federal retroactive
31 reimbursement for such foster care
32 services identified herein. The office,
33 with the approval of the director of the
34 budget, may reduce a district's block
35 grant allocation by the state share of
36 disallowances or sanctions taken against
37 the district pursuant to the social
38 services law or federal law.

39 Notwithstanding any other provision of law,
40 the state shall not be responsible for
41 reimbursing a social services district and
42 a district shall not seek state reimburse-
43 ment for any portion of any state disal-
44 lowance or sanction taken against the
45 social services district, or any federal
46 disallowance attributable to final federal
47 agency decisions or to settlement made, on
48 or after July 1, 1995, when such disallow-
49 ance or sanction results from the failure
50 of the social services district to comply
51 with federal or state requirements,

1 including, but not limited to, failure to
2 document eligibility for federal or state
3 funds in the case record; provided, howev-
4 er, if the office determines that any
5 federal disallowance for services provided
6 between January 1, 1999 and May 31, 1999
7 results solely from the late enactment of
8 the state legislation implementing the
9 federal adoption and safe families act,
10 the state shall be solely responsible for
11 the full amount of the disallowance or
12 sanction; provided, further, however, this
13 provision shall be deemed to apply both
14 prospectively and retroactively regardless
15 of whether such sanctions or disallowances
16 are for services provided or claims made
17 prior to or after April 1, 2024.

18 Notwithstanding any other provision of law,
19 any federal disallowance resulting from a
20 federal title IV-E eligibility review or
21 audit that uses extrapolated statistic
22 techniques shall be passed along by the
23 state to any and all social services
24 districts that the office of children and
25 family services has determined have not
26 complied with the title IV-E eligibility
27 requirements or have not taken the neces-
28 sary actions to ensure compliance with
29 such requirements including, but not
30 limited to, failing to: assess and fully
31 document all the criteria and have readily
32 available all the necessary documents to
33 establish and continue title IV-E eligi-
34 bility for all title IV-E eligible chil-
35 dren within the required time frames;
36 claim title IV-E funding only for cases
37 that meet all of the title IV-E eligibil-
38 ity criteria; and fully implement the
39 social services payment system on or
40 before April 1, 2005 for all direct and
41 voluntary agency foster care services.

42 Notwithstanding any law to the contrary, the
43 office of children and family services
44 shall impose on social services districts
45 any federal disallowance issued against
46 the state as a result of a federal title
47 IV-E secondary eligibility review regard-
48 less of the date the children may have
49 entered foster care, the date the eligi-
50 bility or payment errors occurred, or the
51 filing date of any federal claims for

1 reimbursement; provided, however, that the
2 state shall be responsible for the disal-
3 lowed costs and expenditures related to
4 the placement of children in a facility
5 operated by the office of children and
6 family services, which shall be determined
7 in the same manner as the disallowed costs
8 and expenditures for social services
9 districts other than the city of New York.
10 In order to reimburse the federal govern-
11 ment for the full amount of any disallow-
12 ance imposed on the state by the federal
13 administration for children and families
14 within the timeframes necessary to avoid
15 any potential interest payments on such
16 amount, the office of children and family
17 services is authorized to immediately
18 offset funds otherwise due to each
19 district for a pro rata share of the total
20 disallowed costs based on the percentage
21 of applicable federal title IV-E claims
22 made by that district for the relevant
23 time period as compared to the total
24 applicable statewide title IV-E claims.
25 The amount of the offset against each
26 district will be adjusted, if necessary,
27 upon completion of the disallowance allo-
28 cation process. The final allocation of
29 the amount of any federal disallowance
30 resulting from a title IV-E secondary
31 eligibility review shall be allocated
32 among the districts so that each district
33 shall be responsible for the amount
34 attributable to each of the district's
35 children or cases that are determined by
36 the federal review to be unallowable. Each
37 district shall also be responsible for a
38 portion of the federal extrapolated disal-
39 lowance amount based on the relative error
40 rate for the district. The city of New
41 York's error rate will be based on the
42 federal sample and federal statistics. For
43 all social services districts other than
44 the city of New York, the error rate will
45 be based on a review conducted by the
46 district of a sample of children and/or
47 cases determined by the office of children
48 and family services and a re-review of a
49 sub-sample by the office of those children
50 and/or cases determined by the office. The
51 office of children and family services

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

1 will determine what is reasonable in
2 establishing the size of the sample and
3 sub-sample for each district. The office
4 of children and family services shall
5 notify each social services district of
6 the sample of children and/or cases from
7 the federal audit period that the social
8 services district must review. Any child
9 or case from the social services district
10 that was included in the federal sample
11 will automatically be included in the
12 social services district's review sample
13 and the determination made at the federal
14 review regarding that child or case will
15 govern for the purposes of the social
16 services district's review. The social
17 services district must complete and submit
18 the results of its review to the office of
19 children and family services within 60
20 days of receipt of the sample. The error
21 rate for the district will be based on the
22 findings of the district's review and the
23 office of children and family services'
24 re-review. If a social services district
25 does not complete its review within 60
26 days of receiving the sample from the
27 office of children and family services,
28 the office of children and family services
29 shall assign an error rate to the social
30 services district based on the relative
31 percentage of the district's applicable
32 title IV-E claims for the relevant period
33 as compared to applicable statewide title
34 IV-E claims for that period and other
35 circumstances that the office of children
36 and family services may consider in order
37 to allocate 100 percent of the federal
38 disallowance. The office of children and
39 family services shall apply each social
40 services district's error rate to the
41 total amount of the district's applicable
42 title IV-E claims including associated
43 administrative expenses. The resulting
44 dollar amounts for all of the social
45 services districts will be summed to
46 derive the total amount of title IV-E
47 claims deemed to be in error statewide. To
48 establish a disallowance percentage for
49 each social services district, the amount
50 of the district's title IV-E claims deemed
51 to be in error will be divided by the

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2024-25

1 amount of statewide title IV-E claims
2 deemed to be in error. The resulting
3 disallowance percentage for each district
4 will be applied to the entire title IV-E
5 extrapolated disallowance calculated by
6 the federal review to determine the amount
7 of the extrapolated disallowance for which
8 the district is responsible. Each district
9 will be credited for the amount already
10 disallowed for any individual children or
11 cases found to be in error during the
12 federal review. The exclusive appeal
13 rights for the review of the amount of the
14 federal disallowance assigned to each
15 social services district shall be pursuant
16 to article 78 of the civil practice law
17 and rules; provided, however, that in any
18 such action all of the social services
19 districts shall be joined as necessary
20 parties and the venue of any such action
21 shall be in Rensselaer county. Any social
22 services district that fails to complete
23 its sample review in the required time
24 frames shall have no right to appeal and
25 shall not be a necessary party to any
26 action brought by another social services
27 district.

ances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2023.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest

1 payments on such amount, the office of children and family services
2 is authorized to immediately offset funds otherwise due to each
3 district for a pro rata share of the total disallowed costs based on
4 the percentage of applicable federal title IV-E claims made by that
5 district for the relevant time period as compared to the total
6 applicable statewide title IV-E claims. The amount of the offset
7 against each district will be adjusted, if necessary, upon
8 completion of the disallowance allocation process. The final allo-
9 cation of the amount of any federal disallowance resulting from a
10 title IV-E secondary eligibility review shall be allocated among the
11 districts so that each district shall be responsible for the amount
12 attributable to each of the district's children or cases that are
13 determined by the federal review to be unallowable. Each district
14 shall also be responsible for a portion of the federal extrapolated
15 disallowance amount based on the relative error rate for the
16 district. The city of New York's error rate will be based on the
17 federal sample and federal statistics. For all social services
18 districts other than the city of New York, the error rate will be
19 based on a review conducted by the district of a sample of children
20 and/or cases determined by the office of children and family
21 services and a re-review of a sub-sample by the office of those
22 children and/or cases determined by the office. The office of chil-
23 dren and family services will determine what is reasonable in estab-
24 lishing the size of the sample and sub-sample for each district. The
25 office of children and family services shall notify each social
26 services district of the sample of children and/or cases from the
27 federal audit period that the social services district must review.
28 Any child or case from the social services district that was
29 included in the federal sample will automatically be included in the
30 social services district's review sample and the determination made
31 at the federal review regarding that child or case will govern for
32 the purposes of the social services district's review. The social
33 services district must complete and submit the results of its review
34 to the office of children and family services within 60 days of
35 receipt of the sample. The error rate for the district will be based
36 on the findings of the district's review and the office of children
37 and family services' re-review. If a social services district does
38 not complete its review within 60 days of receiving the sample from
39 the office of children and family services, the office of children
40 and family services shall assign an error rate to the social
41 services district based on the relative percentage of the district's
42 applicable title IV-E claims for the relevant period as compared to
43 applicable statewide title IV-E claims for that period and other
44 circumstances that the office of children and family services may
45 consider in order to allocate 100 percent of the federal disallow-
46 ance. The office of children and family services shall apply each
47 social services district's error rate to the total amount of the
48 district's applicable title IV-E claims including associated admin-
49 istrative expenses. The resulting dollar amounts for all of the
50 social services districts will be summed to derive the total amount
51 of title IV-E claims deemed to be in error statewide. To establish a

1 disallowance percentage for each social services district, the
2 amount of the district's title IV-E claims deemed to be in error
3 will be divided by the amount of statewide title IV-E claims deemed
4 to be in error. The resulting disallowance percentage for each
5 district will be applied to the entire title IV-E extrapolated
6 disallowance calculated by the federal review to determine the
7 amount of the extrapolated disallowance for which the district is
8 responsible. Each district will be credited for the amount already
9 disallowed for any individual children or cases found to be in error
10 during the federal review. The exclusive appeal rights for the
11 review of the amount of the federal disallowance assigned to each
12 social services district shall be pursuant to article 78 of the
13 civil practice law and rules; provided, however, that in any such
14 action all of the social services districts shall be joined as
15 necessary parties and the venue of any such action shall be in Rens-
16 selaer county. Any social services district that fails to complete
17 its sample review in the required time frames shall have no right to
18 appeal and shall not be a necessary party to any action brought by
19 another social services district.

6 imminent loss of housing, including individuals and families without
7 children. Provided, however, that in social service districts with a
8 population over five million, funds allocated to such district shall
9 be used in the first instance to reimburse rental costs above the
10 maximum rent levels in place as of January 1, 2021 up to the United
11 States department of housing and urban development's fair market
12 rent level for the family homelessness and eviction prevention
13 supplement program pursuant to section 131-bb of the social services
14 law, then adjusted consistent with the annual year-over-year
15 percentage changes in fair market rent, provided, however, in the
16 event of a decrease in fair market rent the value of the maximum
17 rent levels reimbursed with funds appropriated herein shall not
18 decrease and shall be set at the maximum rent levels established
19 during the prior year, and any remaining funds for such district may
20 be used to provide shelter supplements pursuant to the purposes

37 to be delegated to another public agency or to a contractor or non-
38 profit organization.

39 Funds appropriated herein shall be used to reimburse up to 100 percent
40 of the additional rental costs determined based on limiting such
41 household's earned and/or unearned income contribution to 30

2 medicaid expenditures as a result of a
3 natural or other type of disaster, includ-
4 ing a governmental declaration of emergen-
5 cy.

6 The director of the budget, in consultation
7 with the commissioner of health, shall
8 assess on a quarterly basis known and
9 projected medicaid expenditures by catego-
10 ry of service and by geographic region, as
11 determined by the commissioner of health,
12 incurred both prior to and subsequent to
13 such assessment for each such period, and
14 if the director of the budget determines
15 that such expenditures are expected to
16 cause medicaid spending for such period to
17 exceed the aggregate limit specified here-
18 in for such period, the state medicaid
19 director, in consultation with the direc-
20 tor of the budget and the commissioner of
21 health, shall develop a medicaid savings
22 allocation adjustment to limit such spend-
23 ing to the aggregate limit specified here-
24 in for such period.

25 Such medicaid savings allocation adjustment
26 shall be designed, to reduce the expendi-
27 tures authorized by the appropriations
28 herein in compliance with the following
29 guidelines: (1) reductions shall be made
30 in compliance with applicable federal law,
31 including the provisions of the Patient
32 Protection and Affordable Care Act, Public
33 Law No. 111-148, and the Health Care and
34 Education Reconciliation Act of 2010,
35 Public Law No. 111-152 (collectively
36 "Affordable Care Act") and any subsequent
37 amendments thereto or regulations promul-
38 gated thereunder; (2) reductions shall be
39 made in a manner that complies with the
40 state medicaid plan approved by the feder-
41 al centers for medicare and medicaid
42 services, provided, however, that the
43 commissioner of health is authorized to
44 submit any state plan amendment or seek
45 other federal approval, including waiver
46 authority, to implement the provisions of
47 the medicaid savings allocation adjustment
48 that meets the other criteria set forth
49 herein; (3) reductions shall be made in a
50 manner that maximizes federal financial

2 expected to become available, in the
3 discretion of the commissioner, under the
4 Affordable Care Act; (4) reductions shall
5 be made uniformly among categories of
6 services and geographic regions of the
7 state, to the extent practicable, and
8 shall be made uniformly within a category
9 of service, to the extent practicable,
10 except where the commissioner determines
11 that there are sufficient grounds for
12 non-uniformity, including but not limited
13 to: the extent to which specific catego-
14 ries of services contributed to department
15 of health medicaid state funds spending in
16 excess of the limits specified herein; the
17 need to maintain safety net services in
18 underserved communities; or the potential
19 benefits of pursuing innovative payment
20 models contemplated by the Affordable Care
21 Act, in which case such grounds shall be
22 set forth in the medicaid savings allo-
23 cation adjustment; and (5) reductions
24 shall be made in a manner that does not
25 unnecessarily create administrative
26 burdens to medicaid applicants and recipi-
27 ents or providers.

28 The commissioner shall seek the input of the
29 legislature, as well as organizations
30 representing health care providers,
31 consumers, businesses, workers, health
32 insurers, and others with relevant exper-
33 tise, in developing such medicaid savings
34 allocation adjustment, to the extent that
35 all or part of such adjustment, in the
36 discretion of the commissioner, is likely
37 to have a material impact on the overall
38 medicaid program, particular categories of
39 service or particular geographic regions
40 of the state.

41 (a) The commissioner shall post the medicaid
42 savings allocation adjustment on the
43 department of health's website and shall
44 provide written copies of such adjustment
45 to the chairs of the senate finance and
46 the assembly ways and means committees at
47 least 30 days before the date on which
48 implementation is expected to begin.

49 (b) The commissioner may revise the medicaid
50 savings allocation adjustment subsequent
51 to the provisions of notice and prior to
52 implementation but needs to provide a new

1 notice pursuant to subparagraph (i) of
2 this paragraph only if the commissioner
3 determines, in his or her discretion, that
4 such revisions materially alter the
5 adjustment.

6 Notwithstanding the provisions of paragraphs
7 (a) and (b) of this subdivision, the
8 commissioner need not seek the input
9 described in paragraph (a) of this subdi-
10 vision or provide notice pursuant to para-
11 graph (b) of this subdivision if, in the
12 discretion of the commissioner, expedited
13 development and implementation of a medi-
14 caid savings allocation adjustment is
15 necessary due to a public health emergen-
16 cy.

17 For purposes of this section, a public
18 health emergency is defined as: (i) a
19 disaster, natural or otherwise, that
20 significantly increases the immediate need
21 for health care personnel in an area of
22 the state; (ii) an event or condition that
23 creates a widespread risk of exposure to a
24 serious communicable disease, or the
25 potential for such widespread risk of
26 exposure; or (iii) any other event or
27 condition determined by the commissioner
28 to constitute an imminent threat to public
29 health.

30 Nothing in this paragraph shall be deemed to
31 prevent all or part of such medicaid
32 savings allocation adjustment from taking
33 effect retroactively to the extent permit-
34 ted by the federal centers for medicare
35 and medicaid services.

36 In accordance with the medicaid savings
37 allocation adjustment, the commissioner of
38 the department of health shall reduce
39 department of health state funds medicaid

45 rates of payment, notwithstanding any
46 provision of law that sets a specific
47 amount or methodology for any such
48 payments or rates of payment; modifying
49 medicaid program benefits; seeking all
50 necessary federal approvals, including,
51 but not limited to waivers, waiver amend-
52 ments; and suspending time frames for

5 sections 2807 and 3614 of the public
6 health law, section 18 of chapter 2 of the
7 laws of 1988, and 18 NYCRR 505.14(h).

8 The department of health shall prepare a
9 quarterly report that sets forth: (a)
10 known and projected department of health
11 medicaid expenditures as described in
12 subdivision (1) of this section, and
13 factors that could result in medicaid
14 disbursements for the relevant state
15 fiscal year to exceed the projected
16 department of health state funds disburse-
17 ments in the enacted budget financial plan
18 pursuant to subdivision 3 of section 23 of
19 the state finance law, including spending
20 increases or decreases due to: enrollment
21 fluctuations, rate changes, utilization
22 changes, MRT investments, and shift of
23 beneficiaries to managed care; and vari-
24 ations in offline medicaid payments; and
25 (b) the actions taken to implement any
26 medicaid savings allocation adjustment
27 implemented pursuant to subdivision (4) of
28 this section, including information
29 concerning the impact of such actions on
30 each category of service and each
31 geographic region of the state. Each such
32 quarterly report shall be provided to the
33 chairs of the senate finance and the
34 assembly ways and means committees and
35 shall be posted on the department of

3 defined by the commissioner, incurred both
4 prior to and subsequent to such assessment
5 for each such period, and if the director
6 of the budget determines that such expenditures are expected to cause medicaid

8 aggregate limit specified herein for such
9 period, the state medicaid director, in
10 consultation with the director of the
11 budget and the commissioner of health,
12 shall develop a medicaid savings allocation adjustment to limit such spending

6 to: the extent to which specific catego-

29 discretion of the commissioner, is likely
30 to have a material impact on the overall
31 medicaid program, particular categories of
32 service or particular geographic regions
33 of the state.

34 (a) The commissioner shall post the medicaid
35 savings allocation adjustment on the
36 department of health's website and shall
37 provide written copies of such adjustment
38 to the chairs of the senate finance and
39 the assembly ways and means committees at

41 implementation is expected to begin.

42 (b) The commissioner may revise the medicaid

44 to the provisions of notice and prior to
45 implementation but needs to provide a new
46 notice pursuant to subparagraph (i) of
47 this paragraph only if the commissioner
48 determines, in his or her discretion, that
49 such revisions materially alter the
50 adjustment.

51 Notwithstanding the provisions of paragraphs

18 potential for such widespread risk of
19 exposure; or (iii) any other event or
20 condition determined by the commissioner

 50 exceed \$31,284,010,000 except as provided

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 below provided, however, such aggregate
2 limits may be adjusted by the director of
3 the budget to account for any changes in
4 the New York state federal medical assist-
5 ance percentage amount established pursu-
6 ant to the federal social security act,
7 increases in provider revenues, reductions
8 in local social services district payments
9 for medical assistance administration,
10 minimum wage increases and beginning April
11 1, 2012 the operational costs of the New
12 York state medical indemnity fund, pursu-
13 ant to chapter 59 of the laws of 2011, and
14 state costs or savings from the essential
15 plan. Such projections may be adjusted by
16 the director of the budget to account for
17 increased or expedited department of
18 health state funds medicaid expenditures
19 as a result of a natural or other type of
20 disaster, including a governmental decla-
21 ration of emergency.

22 The director of the budget, in consultation
23 with the commissioner of health, shall
24 assess on a quarterly basis known and
25 projected medicaid expenditures by catego-
26 ry of service and by geographic region, as
27 determined by the commissioner of health,
28 incurred both prior to and subsequent to
29 such assessment for each such period, and
30 if the director of the budget determines
31 that such expenditures are expected to
32 cause medicaid spending for such period to
33 exceed the aggregate limit specified here-
34 in for such period, the state medicaid
35 director, in consultation with the direc-
36 tor of the budget and the commissioner of
37 health, shall develop a medicaid savings
38 allocation adjustment to limit such spend-
39 ing to the aggregate limit specified here-
40 in for such period.

41 Such medicaid savings allocation adjustment
42 shall be designed, to reduce the expendi-
43 tures authorized by the appropriations
44 herein in compliance with the following
45 guidelines: (1) reductions shall be made
46 in compliance with applicable federal law,
47 including the provisions of the Patient
48 Protection and Affordable Care Act, Public
49 Law No. 111-148, and the Health Care and
50 Education Reconciliation Act of 2010,
51 Public Law No. 111-152 (collectively
52 "Affordable Care Act") and any subsequent

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 amendments thereto or regulations promul-
2 gated thereunder; (2) reductions shall be
3 made in a manner that complies with the
4 state medicaid plan approved by the federal
5 centers for medicare and medicaid
6 services, provided, however, that the
7 commissioner of health is authorized to
8 submit any state plan amendment or seek
9 other federal approval, including waiver
10 authority, to implement the provisions of
11 the medicaid savings allocation adjustment
12 that meets the other criteria set forth
13 herein; (3) reductions shall be made in a
14 manner that maximizes federal financial
15 participation, to the extent practicable,
16 including any federal financial partic-
17 ipation that is available or is reasonably
18 expected to become available, in the
19 discretion of the commissioner, under the
20 Affordable Care Act; (4) reductions shall
21 be made uniformly among categories of
22 services and geographic regions of the
23 state, to the extent practicable, and
24 shall be made uniformly within a category
25 of service, to the extent practicable,
26 except where the commissioner determines
27 that there are sufficient grounds for
28 non-uniformity, including but not limited
29 to: the extent to which specific cate-
30 gories of services contributed to department
31 of health medicaid state funds spending in
32 excess of the limits specified herein; the
33 need to maintain safety net services in
34 underserved communities; or the potential
35 benefits of pursuing innovative payment
36 models contemplated by the Affordable Care
37 Act, in which case such grounds shall be
38 set forth in the medicaid savings allo-
39 cation adjustment; and (5) reductions
40 shall be made in a manner that does not
41 unnecessarily create administrative
42 burdens to medicaid applicants and recipi-
43 ents or providers.

44 The commissioner shall seek the input of the
45 legislature, as well as organizations
46 representing health care providers,
47 consumers, businesses, workers, health
48 insurers, and others with relevant exper-
49 tise, in developing such medicaid savings
50 allocation adjustment, to the extent that
51 all or part of such adjustment, in the
52 discretion of the commissioner, is likely

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2024-25

1 to have a material impact on the overall
2 medicaid program, particular categories of
3 service or particular geographic regions
4 of the state.

5 (a) The commissioner shall post the medicaid
6 savings allocation adjustment on the
7 department of health's website and shall
8 provide written copies of such plan to the
9 chairs of the senate finance and the
10 assembly ways and means committees at
11 least 30 days before the date on which
12 implementation is expected to begin.

13 (b) The commissioner may revise the medicaid
14 savings allocation adjustment subsequent
15 to the provisions of notice and prior to
16 implementation but needs to provide a new
17 notice pursuant to subparagraph (i) of
18 this paragraph only if the commissioner
19 determines, in his or her discretion, that
20 such revisions materially alter the plan.

21 Notwithstanding the provisions of paragraphs
22 (a) and (b) of this subdivision, the
23 commissioner need not seek the input
24 described in paragraph (a) of this subdivi-
25 sion or provide notice pursuant to para-
26 graph (b) of this subdivision if, in the
27 discretion of the commissioner, expedited
28 development and implementation of a medi-
29 caid savings allocation adjustment is
30 necessary due to a public health emergen-
31 cy.

32 For purposes of this section, a public
33 health emergency is defined as: (i) a
34 disaster, natural or otherwise, that
35 significantly increases the immediate need
36 for health care personnel in an area of
37 the state; (ii) an event or condition that
38 creates a widespread risk of exposure to a
39 serious communicable disease, or the
40 potential for such widespread risk of
41 exposure; or (iii) any other event or
42 condition determined by the commissioner
43 to constitute an imminent threat to public
44 health.

45 Nothing in this paragraph shall be deemed to
46 prevent all or part of such medicaid
47 savings allocation adjustment from taking
48 effect retroactively to the extent permit-
49 ted by the federal centers for medicare
50 and medicaid services.

51 In accordance with the medicaid savings
52 allocation adjustment, the commissioner of

DEPARTMENT OF HEALTH

1 the department of health shall reduce
2 department of health state funds medicaid
3 spending by the amount of the projected

5 but not limited to modifying or suspending
6 reimbursement methods, including but not
7 limited to all fees, premium levels and
8 rates of payment, notwithstanding any
9 provision of law that sets a specific
10 amount or methodology for any such
11 payments or rates of payment; modifying
12 medicaid program benefits; seeking all
13 necessary federal approvals, including,
14 but not limited to waivers, waiver amend-
15 ments; and suspending time frames for
16 notice, approval or certification of rate
17 requirements, notwithstanding any
18 provision of law, rule or regulation to
19 the contrary, including but not limited to
20 sections 2807 and 3614 of the public
21 health law, section 18 of chapter 2 of the
22 laws of 1988, and 18 NYCRR 505.14(h).

23 The department of health shall prepare a
24 quarterly report that sets forth: (a)
25 known and projected department of health
26 medicaid expenditures as described in
27 subdivision (1) of this section, and
28 factors that could result in medicaid
29 disbursements for the relevant state
30 fiscal year to exceed the projected
31 department of health state funds disburse-
32 ments in the enacted budget financial plan
33 pursuant to subdivision 3 of section 23 of
34 the state finance law, including spending
35 increases or decreases due to: enrollment
36 fluctuations, rate changes, utilization
37 changes, MRT investments, and shift of
38 beneficiaries to managed care; and vari-
39 ations in offline medicaid payments; and
40 (b) the actions taken to implement any
41 medicaid savings allocation adjustment
42 implemented pursuant to subdivision (4) of
43 this section, including information
44 concerning the impact of such actions on
45 each category of service and each
46 geographic region of the state. Each such
47 quarterly report shall be provided to the
48 chairs of the senate finance and the
49 assembly ways and means committees and
50 shall be posted on the department of
51 health's website in a timely manner.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 commissioner of health, shall develop a medicaid savings allocation
2 adjustment to limit such spending to the aggregate limit specified
3 herein for such period.

4 Such medicaid savings allocation adjustment shall be designed, to
5 reduce the expenditures authorized by the appropriations herein in
6 compliance with the following guidelines: (1) reductions shall be
7 made in compliance with applicable federal law, including the
8 provisions of the Patient Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and Education Reconciliation
10 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
11 Act") and any subsequent amendments thereto or regulations promul-
12 gated thereunder; (2) reductions shall be made in a manner that
13 complies with the state medicaid plan approved by the federal
14 centers for medicare and medicaid services, provided, however, that
15 the commissioner of health is authorized to submit any state plan
16 amendment or seek other federal approval, including waiver authori-
17 ty, to implement the provisions of the medicaid savings allocation
18 adjustment that meets the other criteria set forth herein; (3)
19 reductions shall be made in a manner that maximizes federal finan-
20 cial participation, to the extent practicable, including any federal
21 financial participation that is available or is reasonably expected
22 to become available, in the discretion of the commissioner, under
23 the Affordable Care Act; (4) reductions shall be made uniformly
24 among categories of services and geographic regions of the state, to
25 the extent practicable, and shall be made uniformly within a cate-
26 gory of service, to the extent practicable, except where the commis-
27 sioner determines that there are sufficient grounds for non-uniform-
28 ity, including but not limited to: the extent to which specific
29 categories of services contributed to department of health medicaid
30 state funds spending in excess of the limits specified herein; the
31 need to maintain safety net services in underserved communities; or
32 the potential benefits of pursuing innovative payment models contem-
33 plated by the Affordable Care Act, in which case such grounds shall
34 be set forth in the medicaid savings allocation adjustment; and (5)
35 reductions shall be made in a manner that does not unnecessarily
36 create administrative burdens to medicaid applicants and recipients
37 or providers.

38 The commissioner shall seek the input of the legislature, as well as
39 organizations representing health care providers, consumers, busi-
40 nesses, workers, health insurers, and others with relevant exper-
41 tise, in developing such medicaid savings allocation adjustment, to
42 the extent that all or part of such adjustment, in the discretion of
43 the commissioner, is likely to have a material impact on the overall
44 medicaid program, particular categories of service or particular
45 geographic regions of the state.

46 (a) The commissioner shall post the medicaid savings allocation
47 adjustment on the department of health's website and shall provide

2 agraph (i) of this paragraph only if the commissioner determines, in
3 his or her discretion, that such revisions materially alter the
4 adjustment.

5 Notwithstanding the provisions of paragraphs (a) and (b) of this
6 subdivision, the commissioner need not seek the input described in
7 paragraph (a) of this subdivision or provide notice pursuant to
8 paragraph (b) of this subdivision if, in the discretion of the
9 commissioner, expedited development and implementation of a medicaid

11 emergency.

16 exposure to a serious communicable disease, or the potential for
17 such widespread risk of exposure; or (iii) any other event or condi-
18 tion determined by the commissioner to constitute an imminent threat
19 to public health.

20 Nothing in this paragraph shall be deemed to prevent all or part of
21 such medicaid savings allocation adjustment from taking effect
22 retroactively to the extent permitted by the federal centers for
23 medicare and medicaid services.

24 In accordance with the medicaid savings allocation adjustment, the
25 commissioner of the department of health shall reduce department of

32 benefits; seeking all necessary federal approvals, including, but
33 not limited to waivers, waiver amendments; and suspending time
34 frames for notice, approval or certification of rate requirements,

45 subdivision 3 of section 23 of the state finance law, including
46 spending increases or decreases due to: enrollment fluctuations,

1 natural or other type of disaster, including a governmental declara-
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected medi-
5 caid expenditures by category of service and by geographic region,
6 as defined by the commissioner, incurred both prior to and subse-
7 quent to such assessment for each such period, and if the director
8 of the budget determines that such expenditures are expected to
9 cause medicaid spending for such period to exceed the aggregate
10 limit specified herein for such period, the state medicaid director,
11 in consultation with the director of the budget and the commissioner
12 of health, shall develop a medicaid savings allocation adjustment to
13 limit such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations promul-
23 gated thereunder; (2) reductions shall be made in a manner that
24 complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver authori-
28 ty, to implement the provisions of the medicaid savings allocation
29 adjustment that meets the other criteria set forth herein; (3)
30 reductions shall be made in a manner that maximizes federal finan-
31 cial participation, to the extent practicable, including any federal
32 financial participation that is available or is reasonably expected
33 to become available, in the discretion of the commissioner, under
34 the Affordable Care Act; (4) reductions shall be made uniformly
35 among categories of services and geographic regions of the state, to
36 the extent practicable, and shall be made uniformly within a cate-
37 gory of service, to the extent practicable, except where the commis-
38 sioner determines that there are sufficient grounds for non-uniform-
39 ity, including but not limited to: the extent to which specific
40 categories of services contributed to department of health medicaid
41 state funds spending in excess of the limits specified herein; the
42 need to maintain safety net services in underserved communities; or
43 the potential benefits of pursuing innovative payment models contem-
44 plated by the Affordable Care Act, in which case such grounds shall
45 be set forth in the medicaid savings allocation adjustment; and (5)
46 reductions shall be made in a manner that does not unnecessarily
47 create administrative burdens to medicaid applicants and recipients
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers, busi-
51 nesses, workers, health insurers, and others with relevant exper-
52 tise, in developing such medicaid savings allocation adjustment, to

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 the extent that all or part of such adjustment, in the discretion of
2 the commissioner, is likely to have a material impact on the overall
3 medicaid program, particular categories of service or particular
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation
6 adjustment on the department of health's website and shall provide
7 written copies of such adjustment to the chairs of the senate
8 finance and the assembly ways and means committees at least 30 days
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation
11 adjustment subsequent to the provisions of notice and prior to
12 implementation but needs to provide a new notice pursuant to subpar-
13 agraph (i) of this paragraph only if the commissioner determines, in
14 his or her discretion, that such revisions materially alter the
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this
17 subdivision, the commissioner need not seek the input described in
18 paragraph (a) of this subdivision or provide notice pursuant to
19 paragraph (b) of this subdivision if, in the discretion of the
20 commissioner, expedited development and implementation of a medicaid
21 savings allocation adjustment is necessary due to a public health
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases
25 the immediate need for health care personnel in an area of the
26 state; (ii) an event or condition that creates a widespread risk of
27 exposure to a serious communicable disease, or the potential for
28 such widespread risk of exposure; or (iii) any other event or condi-
29 tion determined by the commissioner to constitute an imminent threat
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of
32 such medicaid savings allocation adjustment from taking effect
33 retroactively to the extent permitted by the federal centers for
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the
36 commissioner of the department of health shall reduce department of
37 health state funds medicaid spending by the amount of the projected
38 overspending through, actions including, but not limited to modify-
39 ing or suspending reimbursement methods, including but not limited
40 to all fees, premium levels and rates of payment, notwithstanding
41 any provision of law that sets a specific amount or methodology for
42 any such payments or rates of payment; modifying or discontinuing
43 medicaid program benefits; seeking all necessary federal approvals,
44 including, but not limited to waivers, waiver amendments; and
45 suspending time frames for notice, approval or certification of rate
46 requirements, notwithstanding any provision of law, rule or regu-
47 lation to the contrary, including but not limited to sections 2807
48 and 3614 of the public health law, section 18 of chapter 2 of the
49 laws of 1988, and 18 NYCRR 505.14(h).

50 The department of health shall prepare a quarterly report that sets
51 forth: (a) known and projected department of health medicaid expend-
52 itures as described in subdivision (1) of this section, and factors

2 fiscal year to exceed the projected department of health state funds
3 disbursements in the enacted budget financial plan pursuant to
4 subdivision 3 of section 23 of the state finance law, including
5 spending increases or decreases due to: enrollment fluctuations,
6 rate changes, utilization changes, MRT investments, and shift of
7 beneficiaries to managed care; and variations in offline medicaid
8 payments; and (b) the actions taken to implement any medicaid
9 savings allocation adjustment implemented pursuant to subdivision
10 (4) of this section, including information concerning the impact of
11 such actions on each category of service and each geographic region
12 of the state. Each such quarterly report shall be provided to the

1 [~~\$59,130,651,000~~] \$59,393,781,000 provided, however, such aggregate
2 limits may be adjusted by the director of the budget to account for
3 any changes in the New York state federal medical assistance
4 percentage amount established pursuant to the federal social securi-
5 ty act, increases in provider revenues, reductions in local social
6 services district payments for medical assistance administration,
7 minimum wage increases and beginning April 1, 2012 the operational
8 costs of the New York state medical indemnity fund, pursuant to
9 chapter 59 of the laws of 2011, and state costs or savings from the
10 essential plan program. Such projections may be adjusted by the
11 director of the budget to account for increased or expedited depart-
12 ment of health state funds medicaid expenditures as a result of a
13 natural or other type of disaster, including a governmental declara-
14 tion of emergency.

15 The director of the budget, in consultation with the commissioner of
16 health, shall assess on a quarterly basis known and projected medi-
17 caid expenditures by category of service and by geographic region,
18 as determined by the commissioner of health, incurred both prior to
19 and subsequent to such assessment for each such period, and if the
20 director of the budget determines that such expenditures are
21 expected to cause medicaid spending for such period to exceed the
22 aggregate limit specified herein for such period, the state medicaid
23 director, in consultation with the director of the budget and the
24 commissioner of health, shall develop a medicaid savings allocation
25 adjustment to limit such spending to the aggregate limit specified
26 herein for such period.

27 Such medicaid savings allocation adjustment shall be designed, to
28 reduce the expenditures authorized by the appropriations herein in
29 compliance with the following guidelines: (1) reductions shall be
30 made in compliance with applicable federal law, including the
31 provisions of the Patient Protection and Affordable Care Act, Public
32 Law No. 111-148, and the Health Care and Education Reconciliation
33 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
34 Act") and any subsequent amendments thereto or regulations promul-
35 gated thereunder; (2) reductions shall be made in a manner that
36 complies with the state medicaid plan approved by the federal
37 centers for medicare and medicaid services, provided, however, that
38 the commissioner of health is authorized to submit any state plan
39 amendment or seek other federal approval, including waiver authori-
40 ty, to implement the provisions of the medicaid savings allocation
41 adjustment that meets the other criteria set forth herein; (3)
42 reductions shall be made in a manner that maximizes federal finan-
43 cial participation, to the extent practicable, including any federal
44 financial participation that is available or is reasonably expected
45 to become available, in the discretion of the commissioner, under
46 the Affordable Care Act; (4) reductions shall be made uniformly
47 among categories of services and geographic regions of the state, to
48 the extent practicable, and shall be made uniformly within a catego-
49 ry of service, to the extent practicable, except where the commis-
50 sioner determines that there are sufficient grounds for non-uniform-
51 ity, including but not limited to: the extent to which specific
52 categories of services contributed to department of health medicaid

1 state funds spending in excess of the limits specified herein; the
2 need to maintain safety net services in underserved communities; or
3 the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall
4 be set forth in the medicaid savings allocation adjustment; and (5)
5 reductions shall be made in a manner that does not unnecessarily
6 create administrative burdens to medicaid applicants and recipients
7 or providers. The commissioner shall seek the input of the legislature,
8 as well as organizations representing health care providers,
9 consumers, businesses, workers, health insurers, and others with
10 relevant expertise, in developing such medicaid savings allocation
11 adjustment, to the extent that all or part of such adjustment, in
12 the discretion of the commissioner, is likely to have a material
13 impact on the overall medicaid program, particular categories of
14 service or particular geographic regions of the state.

16 (a) The commissioner shall post the medicaid savings allocation
17 adjustment on the department of health's website and shall provide
18 written copies of such plan to the chairs of the senate finance and
19 the assembly ways and means committees at least 30 days before the
20 date on which implementation is expected to begin.

21 (b) The commissioner may revise the medicaid savings allocation
22 adjustment subsequent to the provisions of notice and prior to
23 implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in
24 his or her discretion, that such revisions materially alter the
25 plan.
26

27 Notwithstanding the provisions of paragraphs (a) and (b) of this
28 subdivision, the commissioner need not seek the input described in
29 paragraph (a) of this subdivision or provide notice pursuant to
30 paragraph (b) of this subdivision if, in the discretion of the
31 commissioner, expedited development and implementation of a medicaid
32 savings allocation adjustment is necessary due to a public health
33 emergency.

34 For purposes of this section, a public health emergency is defined as:

35 (i) a disaster, natural or otherwise, that significantly increases
36 the immediate need for health care personnel in an area of the
37 state; (ii) an event or condition that creates a widespread risk of
38 exposure to a serious communicable disease, or the potential for
39 such widespread risk of exposure; or (iii) any other event or condition
40 determined by the commissioner to constitute an imminent threat
41 to public health.

42 Nothing in this paragraph shall be deemed to prevent all or part of
43 such medicaid savings allocation adjustment from taking effect
44 retroactively to the extent permitted by the federal centers for
45 medicare and medicaid services.

46 In accordance with the medicaid savings allocation adjustment, the
47 commissioner of the department of health shall reduce department of
48 health state funds medicaid spending by the amount of the projected
49 overspending through, actions including, but not limited to modifying
50 or suspending reimbursement methods, including but not limited
51 to all fees, premium levels and rates of payment, notwithstanding

6 contrary, including but not limited to sections 2807 and 3614 of the
7 public health law, section 18 of chapter 2 of the laws of 1988, and
8 18 NYCRR 505.14(h).

9 The department of health shall prepare a quarterly report that sets
10 forth: (a) known and projected department of health medicaid expend-
11 itures as described in subdivision (1) of this section, and factors
12 that could result in medicaid disbursements for the relevant state
13 fiscal year to exceed the projected department of health state funds
14 disbursements in the enacted budget financial plan pursuant to
15 subdivision 3 of section 23 of the state finance law, including
16 spending increases or decreases due to: enrollment fluctuations,
17 rate changes, utilization changes, MRT investments, and shift of
18 beneficiaries to managed care; and variations in offline medicaid
19 payments; and (b) the actions taken to implement any medicaid
20 savings allocation adjustment implemented pursuant to subdivision
21 (4) of this section, including information concerning the impact of
22 such actions on each category of service and each geographic region
23 of the state. Each such quarterly report shall be provided to the
24 chairs of the senate finance and the assembly ways and means commit-
25 tees and shall be posted on the department of health's website in a
26 timely manner.

27 For the purpose of making payments to providers of medical care pursu-
28 ant to section 367-b of the social services law, and for payment of
29 state aid to municipalities where payment systems through fiscal
30 intermediaries are not operational, to reimburse such providers for
31 costs attributable to the provision of care to patients eligible for
32 medical assistance. Payments from this appropriation to general
33 hospitals related to indigent care pursuant to article 28 of the
34 public health law respectively, when combined with federal funds for
35 services and expenses for the medical assistance program pursuant to
36 title XIX of the federal social security act or its successor
37 program, shall equal the amount of the funds received related to
38 health care reform act allowances and surcharges pursuant to article
39 28 of the public health law and deposited to this account less any
40 such amounts withheld pursuant to subdivision 21 of section 2807-c
41 of the public health law. Notwithstanding any inconsistent
42 provision of law, the moneys hereby appropriated may be increased or
43 decreased by interchange or transfer with any appropriation of the
44 department of health with the approval of the director of the budg-
45 et, who shall file such approval with the department of audit and
46 control and copies thereof with the chairman of the senate finance
47 committee and the chairman of the assembly ways and means committee.

48 Notwithstanding section 2807-k of the Public Health Law, or any incon-
49 sistent provision of law, and subject to the availability of federal

8 January first of the distribution year, as summed and adjusted by a
9 statewide cost adjustment factor and reduced by the sum of all
10 payment amounts collected from such uninsured patients, and as
11 further adjusted by application of a nominal need computation that
12 shall take into account each facility's medicaid inpatient share.

13 Annual distributions pursuant to such regulations for the 2023-2025
14 calendar years shall be in accord with the following: \$139,400,000
15 shall be distributed as Medicaid DSH payments to major general

22 ble general hospitals other than public general hospitals who quali-
23 fy as enhanced safety net hospitals under section 2807-k of the
24 public health law shall not be subject to such reduction.

25 Such reduction shall be determined by a methodology to be established
26 by the department of health which may take into account the payor

28 inpatient days paid by the medical assistance program.

29 For calendar years 2023-2025, eligible general hospitals other than
30 major public general hospitals that qualify as enhanced safety net
31 hospitals under sections 2087-c and section 2807-k of the public
32 health law which experience a reduction in payments pursuant to
33 section 2807-k of the public health law shall receive a distribution
34 of \$64,600,000 annually proportional to the reduction experienced by

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 The appropriation made by chapter 53, section 1, of the laws of 2023, is
2 hereby amended and reappropriated to read:

3 Notwithstanding section 40 of the state finance law or any other law
4 to the contrary, all medical assistance appropriations made from
5 this account shall remain in full force and effect in accordance, in
6 the aggregate, with the following schedule: not more than 53 percent
7 for the period April 1, ~~2022~~ 2023 to March 31, ~~2023~~ 2024; and
8 the remaining amount for the period April 1, ~~2023~~ 2024 to March
9 31, ~~2024~~ 2025.

10 Notwithstanding section 40 of the state finance law or any provision
11 of law to the contrary, subject to federal approval, department of
12 health state funds medicaid spending, excluding payments for medical
13 services provided at state facilities operated by the office of
14 mental health, the office for people with developmental disabilities
15 and the office of addiction services and supports and further
16 excluding any payments which are not appropriated within the depart-
17 ment of health, in the aggregate, for the period April 1, 2023
18 through March 31, 2024, shall not exceed \$28,109,771,000 except as
19 provided below and state share medicaid spending, in the aggregate,
20 for the period April 1, 2024 through ~~March 31~~ September 15, 2025,
21 shall not exceed ~~[\$31,020,880,000]~~ \$31,284,010,000, but in no event
22 shall department of health state funds medicaid spending for the
23 period April 1, 2023 through ~~March 31~~ September 15, 2025 exceed
24 ~~[\$59,130,651,000]~~ \$59,393,781,000 provided, however, such aggregate
25 limits may be adjusted by the director of the budget to account for
26 any changes in the New York state federal medical assistance
27 percentage amount established pursuant to the federal social securi-
28 ty act, increases in provider revenues, reductions in local social
29 services district payments for medical assistance administration,
30 minimum wage increases and beginning April 1, 2012 the operational
31 costs of the New York state medical indemnity fund, pursuant to
32 chapter 59 of the laws of 2011, and state costs or savings from the
33 essential plan. Such projections may be adjusted by the director of
34 the budget to account for increased or expedited department of
35 health state funds medicaid expenditures as a result of a natural or
36 other type of disaster, including a governmental declaration of
37 emergency.

38 The director of the budget, in consultation with the commissioner of
39 health, shall assess on a quarterly basis known and projected medi-
40 caid expenditures by category of service and by geographic region,
41 as determined by the commissioner of health, incurred both prior to
42 and subsequent to such assessment for each such period, and if the
43 director of the budget determines that such expenditures are
44 expected to cause medicaid spending for such period to exceed the
45 aggregate limit specified herein for such period, the state medicaid
46 director, in consultation with the director of the budget and the
47 commissioner of health, shall develop a medicaid savings allocation
48 adjustment to limit such spending to the aggregate limit specified
49 herein for such period.

50 Such medicaid savings allocation adjustment shall be designed, to
51 reduce the expenditures authorized by the appropriations herein in
52 compliance with the following guidelines: (1) reductions shall be

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2024-25

1 paragraph (a) of this subdivision or provide notice pursuant to
2 paragraph (b) of this subdivision if, in the discretion of the
3 commissioner, expedited development and implementation of a medicaid
4 savings allocation adjustment is necessary due to a public health
5 emergency.

6 For purposes of this section, a public health emergency is defined as:

7 (i) a disaster, natural or otherwise, that significantly increases
8 the immediate need for health care personnel in an area of the
9 state; (ii) an event or condition that creates a widespread risk of
10 exposure to a serious communicable disease, or the potential for
11 such widespread risk of exposure; or (iii) any other event or condi-
12 tion determined by the commissioner to constitute an imminent threat
13 to public health.

14 Nothing in this paragraph shall be deemed to prevent all or part of
15 such medicaid savings allocation adjustment from taking effect
16 retroactively to the extent permitted by the federal centers for
17 medicare and medicaid services.

18 In accordance with the medicaid savings allocation adjustment, the
19 commissioner of the department of health shall reduce department of
20 health state funds medicaid spending by the amount of the projected
21 overspending through, actions including, but not limited to modify-
22 ing or suspending reimbursement methods, including but not limited
23 to all fees, premium levels and rates of payment, notwithstanding
24 any provision of law that sets a specific amount or methodology for
25 any such payments or rates of payment; modifying medicaid program
26 benefits; seeking all necessary federal approvals, including, but
27 not limited to waivers, waiver amendments; and suspending time
28 frames for notice, approval or certification of rate requirements,
29 notwithstanding any provision of law, rule or regulation to the
30 contrary, including but not limited to sections 2807 and 3614 of the
31 public health law, section 18 of chapter 2 of the laws of 1988, and
32 18 NYCRR 505.14(h).

33 The department of health shall prepare a quarterly report that sets
34 forth: (a) known and projected department of health medicaid expend-
35 itures as described in subdivision (1) of this section, and factors
36 that could result in medicaid disbursements for the relevant state
37 fiscal year to exceed the projected department of health state funds
38 disbursements in the enacted budget financial plan pursuant to
39 subdivision 3 of section 23 of the state finance law, including
40 spending increases or decreases due to: enrollment fluctuations,
41 rate changes, utilization changes, MRT investments, and shift of
42 beneficiaries to managed care; and variations in offline medicaid
43 payments; and (b) the actions taken to implement any medicaid
44 savings allocation adjustment implemented pursuant to subdivision
45 (4) of this section, including information concerning the impact of
46 such actions on each category of service and each geographic region
47 of the state. Each such quarterly report shall be provided to the
48 chairs of the senate finance and the assembly ways and means commit-
49 tees and shall be posted on the department of health's website in a
50 timely manner.
