40 for such purpose. Such inventory shall be taken in any manner which is
41 deemed likely to evidence a true and accurate representation of the
42 personal property subject to such inventory including, but not limited
43 to photographing such personal property, except that any cash found on
44 the premises during such inventory shall be inventoried, seized, and
45 secured off premises pending further order of the court. Any police

13 such premises, a printed notice that the premises have been closed by
14 court order, which notice shall contain the legend "closed by court
15 order" in block lettering of sufficient size to be observed by anyone
16 intending or likely to enter the premises, the date of the order, the

18 the notice. In addition, where a temporary restraining order has been
19 granted, the police officer or peace officer shall affix, in the same
20 manner, a notice similar to the notice provided for in relation to a
21 temporary closing order except that the notice shall state that certain
22 described activity is prohibited by court order and that removal of

45 the building or premises which is the subject of a proceeding pursuant
46 to this subdivision, periodically without notice, during the pendency of
47 the proceeding for the purpose of ascertaining whether or not the unli-

49 with jurisdiction may, upon the request of the office, assist in the
50 enforcement of an inspection provision of an order vacating a temporary
51 closing order or temporary restraining order.

52 (b) A temporary closing order or a temporary restraining order may be
53 vacated by the court, upon notice to the office, or any county attorney,
54 corporation counsel, or local government, as applicable, when [~~the~~] a
55 defendant entitled to request vacatur pursuant to paragraph (a) of this
56 subdivision gives an undertaking and the court is satisfied that the

53 authorized representative, or any county attorney, corporation counsel,

16 behaviors indicating expressed intent to not comply with the office's
17 order to cease the unlicensed activity;

18 (f) documented presence of unlawful firearms at the building or prem-
19 ises;

20 (g) proximity of the building or premises to locations such as
21 schools, houses of worship, or public youth facilities; or

22 (h) other factors that the board may establish by rule or regulation
23 pursuant to the state administrative procedure act.

24 Such orders to seal shall be served in the same manner as the notice
25 of violation and order to cease unlicensed activity.

26 5. Notwithstanding the factors listed in subdivision four of this
27 section, the office may issue an order to seal with an immediate effec-
28 tive date upon a second, third, or fourth inspection in which unlicensed
29 activity is confirmed to be continuing more than ten calendar days after
30 a notice of violation and order to cease unlicensed activity was previ-
31 ously issued by the office.

32 6. An order to seal may be issued by the office or the board pursuant
33 to subdivision three of this section only if: (a) no part of the build-
34 ing or premises to be sealed is used in part as a residence and pursuant
35 to local law or ordinance is zoned and lawfully occupied as a residence;
36 and (b) the unlicensed activity as described in this section is more
37 than a de minimis part of the business activity on the premises or in
38 the building to be sealed pursuant to the order.

39 7. In assessing whether unlicensed activity within a building or prem-
40 ises is more than de minimis, the office or board, as relevant, shall
41 consider such factors as:

42 (a) the presence of signs or symbols, indoors or out, advertising the
43 sale of cannabis or otherwise indicating that cannabis is sold on the
44 premises;

45 (b) information shared in any advertisements or other marketing
46 content in connection with the unlicensed business and any direct or
47 indirect sales of cannabis or other conduct in violation of this chap-
48 ter; and

49 (c) an assessment of the volume of illicit cannabis products on site.

50 8. Upon a request by the office, any police officer or peace officer
51 with jurisdiction may assist in the enforcement of an order to seal
52 issued by the office or the board, in accordance with the following
53 procedures:

54 (a) The police officer or peace officer serving and executing the
55 order to seal shall forthwith make and return to the office an inventory
56 of personal property situated in and used in conducting, maintaining, or

1 permitting the unlicensed activity within the scope of this chapter and
2 shall enter upon the building or premises for such purpose. Such inven-
3 tory shall be taken in any manner which is deemed likely to evidence a
4 true and accurate representation of the personal property subject to
5 such inventory including, but not limited to photographing such personal
6 property.

7 (b) The police officer or peace officer serving and executing the
8 order to seal shall enter the building or premises and, upon service of
9 the order, command all persons present in the building or premises to
10 vacate the premises forthwith. Upon the building or premises being
11 vacated, the premises shall be securely locked and all keys delivered to
12 the officer serving the order who thereafter shall deliver the keys to
13 the fee owner, lessor, or lessee of the building or premises involved.
14 If the fee owner, lessor, or lessee is not at the building or premises
15 when the order is being executed, the officer shall securely padlock the
16 premises and retain the keys until the fee owner, lessor, or lessee of
17 the building is ascertained, in which event, the officer shall deliver
18 the keys to such fee owner, lessor, or lessee.

19 (c) Upon service and execution of the order to seal, the police offi-
20 cer or peace officer shall post a copy thereof in a conspicuous place or
21 upon one or more of the principal doors at entrances of such premises
22 where the unlicensed activity is being conducted, maintained, or permit-
23 ted. In addition, the officer shall affix, in a conspicuous place or
24 upon one or more of the principal doors at entrances of such premises, a
25 printed notice that the premises have been closed by order of the canna-
26 bis control board, and the name of the officer or agency posting the
27 notice.

28 (d) Mutilation or removal of such a posted order or such a posted
29 notice while it remains in force, in addition to any other punishment
30 prescribed by law, shall be punishable, on conviction, by a fine of not
31 more than five thousand dollars or by imprisonment not exceeding ninety
32 days, or by both, provided such order or notice contains therein a
33 notice of such penalty. Such penalty shall be enforced by the board or,
34 upon a request by the office, the office of the attorney general or by a
35 court of competent jurisdiction.

36 (e) Mutilation or removal of the secure padlock while the order to
37 seal remains in place shall be punishable, upon conviction, by a fine of
38 not more than twenty thousand dollars or by a class E felony, or both.

39 The office shall also adhere to these procedures when executing an
40 order to seal issued in accordance with this section.

41 9. Any order to seal issued by the office or the board shall be effec-
42 tive for one year from the posting of the judgment provided for in this
43 section. An order to seal may be vacated by the office or the board,
44 upon notice to the office, if the respondent shows by affidavit and such
45 other proof as may be submitted by the respondent that the unlicensed
46 activity has been abated. An order vacating a previously issued order to
47 seal shall include a provision authorizing the office, or any police
48 officer or peace officer who assisted with the execution of the order to
49 seal, to inspect the building or premises periodically without notice
50 for the purpose of ascertaining whether or not the unlicensed activity
51 has been resumed. Any police officer or peace officer with jurisdiction
52 may, upon the request of the office, assist in the enforcement of an
53 inspection provision of an order vacating an order to seal.

54 10. The office shall mail a copy, by certified mail, of any order to
55 seal issued by the office or board within five days following issuance
56 of such order to the person in whose name the real estate affected by

the order is recorded in the office of the city register or the county clerk, as the case may be, who shall be presumed to be the owner thereof. Such mailing shall constitute notice to the owner and shall be deemed to be complete upon such mailing by the office as provided above.

11. If at any time a respondent vacates the building or premises subject to an order to seal issued by the office or board, or if the building owner provides sufficient proof thereof, any action or proceeding filed in accordance with these procedures relating to such building or premises may be withdrawn by the office or the board without prejudice, and any order to seal may be vacated.

12. The remedies provided for in this section are not exclusive and the office or board may also request and recover penalties in accordance with other provisions in this chapter.

§ 13. This act shall take effect immediately and shall apply to offenses committed on or after the date this act shall have become a law; provided, however that the amendments to section 16-a of the cannabis law made by section four of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

Upon approval of such alteration application, such a licensee may exercise the privilege to sell and/or serve alcoholic beverages at retail for on-premises consumption on contiguous municipal public space or non-contiguous municipal public space provided:

(a) the municipality in which the licensed premises is located issues a permit or the responsible municipal regulatory body or agency issues written authorization to the licensee to sell and/or serve food on such contiguous municipal public space or non-contiguous municipal public space;

(b) the licensee submits to the liquor authority a copy of such municipal permit or other written authorization along with the alteration application;

(c) the licensee submits to the liquor authority a copy of the permit application submitted to the municipality to obtain the municipal permit or other written authorization from the municipality along with the alteration application;

(e) the licensee submits to the liquor authority proof that it has provided community notification to the municipality, including municipalities outside the city of New York, in a manner consistent with or required by subdivision two of section one hundred ten-b of this article as required for the city of New York; and

(f) use of any such contiguous or non-contiguous municipal space meets all applicable federal, state or local laws, rules, regulations, guidance, conditions or requirements.

1 2. For the purposes of this section: (a) "non-contiguous space" shall
2 mean space that: (i) is located in front of, behind, or to the side of
3 the licensed premises; (ii) is within the property boundaries of the
4 licensed premises as extended out; or within the property boundaries of
5 the nearest adjacent properties on either side; (iii) does not extend
6 further than the midline of any public roadway; (iv) is separated from
7 the licensed premises only by one or more of the following: a pedestrian

11 (b) "Contiguous municipal public space" shall mean space that: (i) is
12 located in front of, behind, or to the side of the licensed premises;
13 (ii) is within the property boundaries of the licensed premises as

8 15. "Family leave" shall mean any leave taken by an employee from

12 the employee's child during the first twelve months after the child's
13 birth, or the first twelve months after the placement of the child for
14 adoption or foster care with the employee; or (c) because of any quali-
15 fying exigency as interpreted under the family and medical leave act, 29
16 U.S.C.S. § 2612(a)(1)(e) and 29 C.F.R. S.825.126(a)(1)-(8), arising out
17 of the fact that the spouse, domestic partner, child, or parent of the
18 employee is on active duty (or has been notified of an impending call or
19 order to active duty) in the armed forces of the United States; or (d)
20 for an employee to receive prenatal care during the employee's
21 pregnancy.

22 § 2. Section 201 of the workers' compensation law is amended by adding
23 a new subdivision 25 to read as follows:

24 25. "Prenatal care" means the health care received by an employee
25 during pregnancy related to such pregnancy. Prenatal care includes phys-

27 care provider related to the pregnancy.

28 § 3. Paragraph (a) of subdivision 2 of section 204 of the workers'
29 compensation law, as added by section 5 of part SS of chapter 54 of the
30 laws of 2016, is amended to read as follows:

31 (a) The weekly benefit for family leave that occurs (i) on or after
32 January first, two thousand eighteen shall not exceed eight weeks during

34 employee's average weekly wage but shall not exceed fifty percent of the
35 state average weekly wage, (ii) on or after January first, two thousand
36 nineteen shall not exceed ten weeks during any fifty-two week calendar
37 period and shall be fifty-five percent of the employee's average weekly

42 sixty percent of the state average weekly wage, and (iv) on or after
43 January first of each succeeding year, shall not exceed twelve weeks
44 during any fifty-two week calendar period and shall be sixty-seven
45 percent of the employee's average weekly wage but shall not exceed
46 sixty-seven percent of the New York state average weekly wage in effect.
47 On or after January first, two thousand twenty-five, the benefit for

52 superintendent of financial services shall have discretion to delay the
53 increases in the family leave benefit level provided in subparagraphs
54 (ii), (iii), and (iv) of this paragraph by one or more calendar years.

1 In determining whether to delay the increase in the family leave benefit
2 for any year, the superintendent of financial services shall consider:
3 (1) the current cost to employees of the family leave benefit and any
4 expected change in the cost after the benefit increase; (2) the current
5 number of insurers issuing insurance policies with a family leave bene-
6 fit and any expected change in the number of insurers issuing such poli-

12 the superintendent of financial services deems relevant. If the super-

14 benefit level for one or more calendar years, the family leave benefit
15 level that shall take effect immediately following the delay shall be
16 the same benefit level that would have taken effect but for the delay.
17 The weekly benefits for family leave that occurs on or after January
18 first, two thousand eighteen shall not be less than one hundred dollars
19 per week except that if the employee's wages at the time of family leave
20 are less than one hundred dollars per week, the employee shall receive
21 his or her full wages. Benefits may be payable to employees for paid
22 family leave taken intermittently or for less than a full work week in
23 increments of one full day or one fifth of the weekly benefit. Notwith-

46 condition which may lawfully be treated by a duly licensed dentist of
47 the state of New York or with respect to a disability resulting from a
48 condition which may lawfully be treated by a duly registered and
49 licensed psychologist of the state of New York or with respect to a
50 disability resulting from a condition which may lawfully be treated by a
51 duly certified nurse midwife, for any period of such disability during
52 which an employee is neither under the care of a physician nor a podia-
53 trist, nor a chiropractor, nor a dentist, nor a psychologist, nor a
54 certified nurse midwife; and for any period of disability during which
55 an employee who adheres to the faith or teachings of any church or

12 same fifty-two consecutive calendar weeks; provided, however, that fami-
13 ly leave under paragraph (d) of subdivision fifteen of section two
14 hundred one of this article shall not reduce this amount;

15 (b) For any period of family leave wherein the notice and medical
16 certification as prescribed by the chair has not been filed. At the
17 discretion of the chair or chair's designee pursuant to section two
18 hundred twenty-one of this article, the family member who is the recipi-
19 ent of care may be required to submit to a physical examination by a
20 qualified health care provider. Such examination shall be paid for by
21 the carrier; and

22 (c) As a condition of an employee's initial receipt of family leave

26 available at the time of use of available family leave to choose whether
27 to charge all or part of the family leave time to accrued but unused
28 vacation or personal leave, and receive full salary, or to not charge
29 time to accrued but unused vacation or personal leave, and receive the
30 benefit as set forth in section two hundred four of this article. An

44 of collective bargaining the employer may have with respect to the
45 subject matter of this paragraph.

46 3. No employee shall be entitled to disability or family leave bene-
47 fits under this article:

48 (a) for any disability occasioned by the wilful intention of the

(c) for any day of disability or family leave for which the employee is entitled to receive from his or her employer, or from a fund to which the employer has contributed, remuneration or maintenance in an amount equal to or greater than that to which he or she would be entitled under this article; but any voluntary contribution or aid which an employer may make to an employee or any supplementary benefit paid to an employee pursuant to the provisions of a collective bargaining agreement or from a trust fund to which contributions are made pursuant to the provisions of a collective bargaining agreement shall not be considered as continued remuneration or maintenance for this purpose;

(d) for any period in respect to which such employee is subject to suspension or disqualification of the accumulation of unemployment insurance benefit rights, or would be subject if he or she were eligible for such benefit rights, except for ineligibility resulting from the employee's disability;

5. In any case in which the necessity for family leave is foreseeable based on an expected birth or placement, the employee shall provide the employer with not less than thirty days notice before the date the leave is to begin, of the employee's intention to take family leave under this article, except that if the date of the birth or placement requires leave to begin in less than thirty days, the employee shall provide such notice as is practicable. In any case in which the necessity for family leave is foreseeable based on planned medical treatment, the employee shall provide the employer with not less than thirty days notice, before the date the leave is to begin, of the employee's intention to take family leave under this article, except that if the date of the treatment requires leave to begin in less than thirty days, the employee shall provide such notice as is practicable.

§ 5. Paragraph (d) of subdivision 3 of section 206 of the workers' compensation law, as added by section 7 of part SS of chapter 54 of the laws of 2016, is amended to read as follows:

(d) With the exception of leave for prenatal care which may be taken in hourly increments, for any day in which claimant works at least part of that day for remuneration or profit for the covered employer or for any other employer while working for remuneration or profit, for him or herself, or another person or entity, during the same or substantially similar working hours as those of the covered employer from which family leave benefits are claimed, except that occasional scheduling adjustments with respect to secondary employments shall not prevent receipt of family leave benefits.

§ 6. Subdivision 1 of section 208 of the workers' compensation law, as amended by section 9 of part SS of chapter 54 of the laws of 2016, is amended to read as follows:

1. Benefits provided under this article shall be paid periodically and promptly and, except as to a contested period of disability or family leave, without any decision by the board, or designee of the chair pursuant to section two hundred twenty-one of this article. 4 leave, in an aggregate payment that corresponds to the hours in the
5 employee's regular workday upon submission of proof of leave for prena-
6 tal care for such hours and within fourteen days of the last hourly
7 increment and four business days after such submission. If the employer
8 or carrier rejects an initial claim for family leave benefits, the
9 employer or carrier must notify the employee in a manner prescribed by
10 the chair within eighteen days of filing of the proof of claim. Failure
11 to timely reject shall constitute a waiver of objection to the family
12 leave claim. Thereafter benefits shall be due and payable bi-weekly in
13 like manner. The chair or chair's designee, pursuant to section two
14 hundred twenty-one of this article, may determine that benefits may be
15 paid monthly or semi-monthly if wages were so paid, and may authorize
16 deviation from the foregoing requirements to facilitate prompt payment
17 of benefits. Any inquiry which requires the employee's response in order
18 to continue benefits uninterrupted or unmodified shall provide a reason-
19 able time period in which to respond and include a clear and prominent
20 statement of the deadline for responding and consequences of failing to
21 respond.

22 § 7. Subdivision 1 of section 217 of the workers' compensation law, as
23 amended by section 16 of part SS of chapter 54 of the laws of 2016, is

26 leave shall be furnished to the employer by or on behalf of the employee
27 claiming benefits or, in the case of a claimant under section two

29 commencement of the period of disability or family leave, or for family
30 leave for prenatal care within thirty days of the last hour for such
31 leave period as prescribed in subdivision one of section two hundred

37 psychologist or attending certified nurse midwife or family leave care
38 recipient's health care provider, or in the case of an employee who
39 adheres to the faith or teachings of any church or denomination, and who
40 in accordance with its creed, tenets or principles depends for healing
41 upon prayer through spiritual means alone in the practice of religion,
42 by an accredited practitioner, containing facts and opinions as to such
43 disability in compliance with regulations of the chair. Failure to
44 furnish notice or proof within the time and in the manner above provided
45 shall not invalidate the claim but no benefits shall be required to be
46 paid for any period more than two weeks prior to the date on which the
47 required proof is furnished unless it shall be shown to the satisfaction
48 of the chair not to have been reasonably possible to furnish such notice
49 or proof and that such notice or proof was furnished as soon as possi-
50 ble; provided, however, that no benefits shall be paid unless the
51 required proof of disability is furnished within the period of actual
52 disability or family leave that does not exceed the statutory maximum
53 period permitted under section two hundred four of this article. No
54 limitation of time provided in this section shall run as against any
55 disabled employee who is mentally incompetent, or physically incapable
56 of providing such notice as a result of a serious medical condition, or

1 a minor so long as such person has no guardian of the person and/or
2 property.
3 § 8. This act shall take effect January 1, 2025.

51 and (v) of this paragraph by one or more calendar years. In determining

The weekly benefit which the disabled employee is entitled to receive for disability commencing on or after July first, nineteen hundred seventy and prior to July first, nineteen hundred seventy-four shall be one-half of the employee's average weekly wage, but in no case shall

1 such benefit exceed seventy-five dollars nor be less than twenty
2 dollars; except that if the employee's average weekly wage is less than
3 twenty dollars the benefit shall be such average weekly wage. For any
4 period of disability less than a full week, the benefits payable shall
5 be calculated by dividing the weekly benefit by the number of the
6 employee's normal work days per week and multiplying the quotient by the
7 number of normal work days in such period of disability. The weekly
8 benefit for a disabled employee who is concurrently eligible for bene-
9 fits in the employment of more than one covered employer shall, within
10 the maximum and minimum herein provided, be one-half of the total of the
11 employee's average weekly wages received from all such covered employ-
12 ers, and shall be allocated in the proportion of their respective aver-
13 age weekly wage payments.

15 amended by section 7 of part SS of chapter 54 of the laws of 2016, is

2 ~~disability~~] is furnished within the period of actual disability or fami-
3 ly leave that does not exceed the statutory maximum period permitted
4 under section two hundred four of this article. No limitation of time
5 provided in this section shall run as against any disabled employee who
6 is mentally incompetent, or physically incapable of providing such
7 notice as a result of a serious medical condition, or a minor so long as
8 such person has no guardian of the person and/or property.

9 § 12. Section 218 of the workers' compensation law, as added by chap-

16 shall not be assigned or released, except as provided in this article,
17 and shall be exempt from all claims of creditors and from levy,
18 execution and attachment or other remedy for recovery or collection of a
19 debt, which exemption may not be waived provided, however, that such
20 benefits shall be subject to an income execution or order for support
21 enforcement pursuant to section fifty-two hundred forty-one or fifty-two
22 hundred forty-two of the civil practice law and rules.

23 § 13. Section 221 of the workers' compensation law, as amended by
24 section 19 of part SS of chapter 54 of the laws of 2016, is amended to

30 for disability or family leave benefits has not been paid, and the
31 employee shall submit proof of disability or entitlement to family leave
32 and of [~~his or her~~] their employment, wages and other facts reasonably
33 necessary for determination of the employee's right to such benefits.
34 Failure to file such notice within the time provided, may be excused if
35 it can be shown not to have been reasonably possible to furnish such
36 notice and that such notice was furnished as soon as possible. On demand
37 the employer or carrier shall forthwith deliver to the board the

44 the office of the chairman. Upon such filing, the chairman shall send to
45 the parties a copy of the decision. Either party may present evidence
46 and be represented by counsel at any hearing on such claim. The decision
47 of the board shall be final as to all questions of fact and, except as
48 provided in section twenty-three of this chapter, as to all questions of
49 law. Every decision shall be complied with in accordance with its terms
50 within ten days thereafter except as permitted by law upon the filing of
51 a request for review, and any payments due under such decision shall
52 draw simple interest from thirty days after the making thereof at the
53 rate provided in section five thousand four of the civil practice law
54 and rules. The chair shall adopt rules and regulations to carry out the
55 provisions of this article including but not limited to resolution of
56 contested claims and requests for review thereof, and payment of costs

1 for resolution of disputed claims by carriers. Any designated process
2 shall afford the parties the opportunity to present evidence and to be
3 represented by counsel in any such proceeding. The chair shall have the
4 authority to provide for alternative dispute resolution procedures for
5 claims arising under disability and family leave, including but not

10 material interest in the outcome of the arbitration proceeding or an
11 existing and substantial relationship, including but not limited to
12 pecuniary interests, with a party, counsel or representative of a party.
13 Any determination made by alternative dispute resolution shall not be
14 reviewable by the board and the venue for any appeal shall be to a court
15 of competent jurisdiction.

16 § 14. Section 228 of the workers' compensation law, as added by
17 section 27 of part GG of chapter 57 of the laws of 2013, is amended to

23 rate generated pursuant to subdivision two of section one hundred
24 fifty-one of this chapter.

25 2. Annually, as soon as practicable after the first day of April, the
26 chair and department of audit and control shall ascertain the total
27 amount of actual expenses.

28 § 15. Subsection (n) of section 4235 of the insurance law is amended
29 by adding a new paragraph 4 to read as follows:

30 (4)(A) The superintendent shall establish by September first of each
31 year the maximum employee contribution that a covered employer, as
32 defined in section two hundred two of the workers' compensation law, is
33 authorized to collect from each employee for the cost of disability
34 benefits provided pursuant to article nine of the workers' compensation
35 law through a group accident and health insurance policy or through a
36 self-funded employer for its employees. Beginning January first, two
37 thousand twenty-five, the maximum employee contribution amount shall be
38 one-half of one percent of the employee's wages but shall not exceed
39 forty percent of the average of the combination of all employee and
40 employer contributions to disability benefits provided pursuant to para-
41 graph (b) of subdivision two of section two hundred four of the workers'
42 compensation law during the prior calendar year, which the superinten-
43 dent shall determine and publish on the department's website.

44 (B) A self-funded employer shall submit reports to the superintendent
45 for the purpose of determining forty percent of the average of the
46 combination of all employee and employer contributions to disability
47 benefits provided pursuant to paragraph (b) of subdivision two of
48 section two hundred four of the workers' compensation law. A self-fund-
49 ed employer shall submit a report to the superintendent by July first,
50 two thousand twenty-four that sets forth employee and employer contrib-
51 utions to disability benefits provided pursuant to paragraph (b) of
52 subdivision two of section two hundred four of the workers' compensation
53 law for the year-ending two thousand twenty-three, in a format deter-
54 mined by the superintendent. Beginning April first, two thousand twen-
55 ty-five, and annually thereafter, a self-funded employer shall submit a
56 report to the superintendent that sets forth employee and employer

1 contributions to disability benefits provided pursuant to paragraph (b)
2 of subdivision two of section two hundred four of the workers' compen-
3 sation law for the prior calendar year, in a format determined by the
4 superintendent.

5 (C) The superintendent may delay the increases in the disability bene-
6 fit level provided in subparagraphs (ii), (iii), (iv), and (v) of para-
7 graph (b) of subdivision two of section two hundred four of the workers'
8 compensation law by one or more calendar years if the superintendent
9 determines it is in the best interest of the people of this state. In
10 determining whether to delay the increase in the disability benefit for
11 any year, the superintendent shall consider: (i) the current cost to
12 employees and employers of the benefit and any expected change in the
13 cost after the benefit increase; (ii) the current number of insurers
14 issuing insurance policies with a disability benefit and any expected
15 change in the number of insurers issuing such policies after the benefit
16 increase; (iii) the impact of the benefit increase on employers' busi-
17 nesses and the overall stability of the program to the extent that
18 information is readily available; (iv) the impact of the benefit
19 increase on the financial stability of the disability and family leave
20 insurance market and insurers; and (v) any additional factors that the
21 superintendent deems relevant. If the superintendent delays the
22 increase in the disability benefit level for one or more calendar years,
23 the disability benefit level that shall take effect immediately follow-
24 ing the delay shall be the same benefit level that would have taken
25 effect but for the delay.

26 § 16. Section 2605 of the insurance law is amended to read as follows:

27 § 2605. Penalty for violating workers' compensation law. The super-
28 intendent may impose a penalty not to exceed twenty-five hundred dollars
29 per violation upon any insurer required to be licensed under the
30 provisions of this chapter, if, after notice to and a hearing of such
31 insurer, ~~he~~ the superintendent finds it has unreasonably failed to
32 comply with the workers' compensation law.

33 § 17. This act shall take effect immediately and shall apply to all
34 policies issued, renewed, modified, altered, or amended on or after
35 January 1, 2025.

18 subdivision;

19 (d) the media are direct, private communications; or

45 (b) the operator has obtained verifiable parental consent to provide
46 an addictive feed to the covered user.

47 2. Information collected for the purpose of determining a covered
48 user's age under paragraph (a) of subdivision one of this section shall
49 not be used for any purpose other than age determination.

50 3. Nothing in this section shall be construed as requiring the opera-
51 tor of an addictive social media platform to give a parent who grants
52 verifiable parental consent any additional or special access to or
53 control over the data or accounts of their child.

54 4. Nothing in this section shall be construed as preventing any action
55 taken in good faith to restrict access to or availability of media that
56 the operator of an addictive social media platform considers to be

1 obscene, lewd, lascivious, filthy, excessively violent, harassing, or
2 otherwise objectionable, whether or not such material is constitu-

14 to a length of time per day specified by the verified parent.

15 3. Nothing in this section shall be construed as requiring the opera-
16 tor of an addictive social media platform to give a parent any addi-
17 tional or special access to or control over the data or accounts of
18 their child.

19 § 1503. Age flags. For the purposes of this article, the operator of
20 an addictive social media platform shall treat a user as a minor if the

22 treated as a minor, including through a browser plug-in or privacy
23 setting, device setting, or other mechanism.

24 § 1504. Nondiscrimination. An operator of an addictive social media
25 platform shall not withhold, degrade, lower the quality, or increase the
26 price of any product, service, or feature, other than as required by
27 this article, to a covered user due to the operator not being permitted
28 to provide an addictive feed to such covered user under subdivision one
29 of section fifteen hundred one of this article or not being permitted to
30 provide such covered user access to or send notifications concerning an
31 addictive social media platform between the hours of 12 AM Eastern and 6
32 AM Eastern under section fifteen hundred two of this article.

33 § 1505. Rulemaking authority. The attorney general may promulgate such
34 rules and regulations as are necessary to effectuate and enforce the
35 provisions of this article.

36 § 1506. Scope. 1. This article shall apply to conduct that occurs in
37 whole or in part in New York. For purposes of this article, conduct
38 takes place wholly outside of New York if the addictive social media
39 platform is accessed by a user who is physically located outside of New
40 York.

41 2. Nothing in this article shall be construed to impose liability for
42 commercial activities or actions by operators subject to 15 U.S.C. §
43 6501 that is inconsistent with the treatment of such activities or
44 actions under 15 U.S.C. § 6502.

45 § 1507. Remedies. 1. Whenever it appears to the attorney general,
46 either upon complaint or otherwise, that any person, within or outside
47 the state, has engaged in or is about to engage in any of the acts or
48 practices stated to be unlawful in this article, the attorney general
49 may bring an action or special proceeding in the name and on behalf of
50 the people of the state of New York to enjoin any violation of this
51 article, to obtain restitution of any moneys or property obtained
52 directly or indirectly by any such violation, to obtain disgorgement of
53 any profits or gains obtained directly or indirectly by any such

55 obtained data and algorithms trained on such data, to obtain damages
56 caused directly or indirectly by any such violation, to obtain civil

1 penalties of up to five thousand dollars per violation, and to obtain
2 any such other and further relief as the court may deem proper, includ-
3 ing preliminary relief.

4 2. Any covered user, or the parent of a covered minor may bring an
5 action for a violation of section fifteen hundred one or section fifteen
6 hundred two of this article, to obtain:

7 (a) damages of up to five thousand dollars per covered user per inci-
8 dent or actual damages, whichever is greater;

9 (b) injunctive or declaratory relief; and/or

10 (c) any other relief the court deems proper.

11 3. Actions brought pursuant to this section may be brought on a class-
12 wide basis.

13 4. The court shall award reasonable attorneys' fees to a prevailing
14 plaintiff.

15 5. Prior to bringing any action for a violation of section fifteen
16 hundred one or fifteen hundred two of this article, a covered user shall
17 provide the business thirty days' written notice identifying the specif-
18 ic provisions of this article the covered user alleges have been or are
19 being violated. In the event a cure is possible, if within the thirty
20 days the business cures the noticed violation and provides the covered
21 user an express written statement that the violations have been cured
22 and that no further violations shall occur, no action for individual
23 statutory damages or class-wide statutory damages may be initiated
24 against the business. No notice shall be required prior to an individual
25 consumer initiating an action solely for actual pecuniary damages
26 suffered as a result of the alleged violations of this article. If a
27 business continues to violate this article in breach of an express writ-
28 ten statement provided to the covered user pursuant to this section, the
29 covered user may initiate an action against the business to enforce the
30 written statement and may pursue statutory damages for each breach of
31 the express written statement, as well as any other violation of the
32 article that postdates the written statement.

33 § 3. Severability. If any clause, sentence, paragraph, subdivision,
34 section or part of this act shall be adjudged by any court of competent
35 jurisdiction to be invalid, such judgment shall not affect, impair, or
36 invalidate the remainder thereof, but shall be confined in its operation
37 to the clause, sentence, paragraph, subdivision, section or part thereof
38 directly involved in the controversy in which such judgment shall have
39 been rendered. It is hereby declared to be the intent of the legislature
40 that this act would have been enacted even if such invalid provisions
41 had not been included herein.

42 § 4. This act shall take effect on the one hundred eightieth day after
43 the office of the attorney general shall promulgate rules and regu-
44 lations necessary to effectuate the provisions of this act; provided
45 that the office of the attorney general shall notify the legislative
46 bill drafting commission upon the occurrence of the enactment of the
47 rules and regulations necessary to effectuate and enforce the
48 provisions of section two of this act in order that the commission may
49 maintain an accurate and timely effective data base of the official text
50 of the laws of the state of New York in furtherance of effectuating the
51 provisions of section 44 of the legislative law and section 70-b of the
52 public officers law. Effective immediately, the addition, amendment
53 and/or repeal of any rule or regulation necessary for the implementation
54 of this act on its effective date are authorized to be made and
55 completed on or before such effective date.

37 subdivision three of this section.

38 2. For the purposes of paragraph (b) of subdivision one of this
39 section, the processing of personal data of a covered user is permissi-

41 (a) providing or maintaining a specific product or service requested
42 by the covered user;

43 (b) conducting the operator's internal business operations. For
44 purposes of this paragraph, such internal business operations shall not

37 consent for such processing.

38 4. Except where processing is strictly necessary to provide a product,
39 service, or feature, an operator may not withhold, degrade, lower the
40 quality, or increase the price of any product, service, or feature to a
41 covered user due to the operator not obtaining verifiable parental
42 consent under 15 U.S.C. § 6502 and its implementing regulations or
43 informed consent under subdivision three of this section.

44 5. Except as provided for in section eight hundred ninety-nine-jj of
45 this article, an operator shall not purchase or sell, or allow a third
46 party to purchase or sell, the personal data of a covered user.

47 6. Within fourteen days of determining that a user is a covered user,
48 an operator shall:

49 (a) dispose of, destroy, or delete all personal data of such covered
50 user that it maintains, unless processing such personal data is permit-
51 ted under 15 U.S.C. § 6502 and its implementing regulations, is strictly

53 informed consent is obtained as set forth in subdivision three of this
54 section; and

1 (b) notify any third parties to whom it disclosed the personal data,
2 and any third parties it allowed to process the personal data, that the
3 user is a covered user.

4 § 899-gg. Third parties. 1. Except as provided for in section eight
5 hundred ninety-nine-jj of this article, no operator shall disclose the
6 personal data of a covered user to a third party, or allow the process-
7 ing of the personal data of a covered user by a third party, without a
8 written, binding agreement governing such disclosure or processing. Such
9 agreement shall clearly set forth instructions for the nature and
10 purpose of the third-party's processing of the personal data,
11 instructions for using or further disclosing the personal data, and the
12 rights and obligations of both parties.

13 2. Except as provided for in section eight hundred ninety-nine-jj of
14 this article, prior to disclosing personal data to a third party, the
15 operator shall inform the third party if such data is the personal data
16 of a covered user.

17 3. An agreement pursuant to subdivision one of this section shall
18 require that the third party:

19 (a) process the personal data of covered users only when and to the
20 extent strictly necessary for an activity listed pursuant to subdivision

22 informed consent was obtained pursuant to subdivision three of section
23 eight hundred ninety-nine-ff of this article;

24 (b) delete or return to the operator all personal data of covered

29 party's compliance with the obligations in this section;

30 (d) allow, and cooperate with, reasonable assessments by the operator
31 or the operator's designated assessor for purposes of evaluating compli-

33 party may arrange for a qualified and independent assessor to conduct an
34 assessment of the third-party's policies and technical and organiza-

36 an appropriate and accepted control standard or framework and assessment
37 procedure for such assessments. The third party shall provide a report
38 of such assessment to the operator upon request; and

39 (e) notify the operator a reasonable time in advance before disclosing
40 or transferring the personal data of covered users to any further third
41 parties, which may be in the form of a regularly updated list of further
42 third parties that may access personal data of covered users.

43 § 899-hh. Ongoing safeguards. Upon learning that a user is no longer a
44 covered user, an operator may not process the personal data of such
45 person in a manner not previously permitted unless and until it receives
46 informed consent pursuant to subdivision three of section eight hundred
47 ninety-nine-ff of this article.

48 § 899-ii. Respecting user-provided age flags. 1. For the purposes of
49 this article, an operator shall treat a user as a covered user if the
50 user's device communicates or signals that the user is or shall be
51 treated as a minor, including through a browser plug-in or privacy
52 setting, device setting, or other mechanism.

53 2. For the purposes of subdivision three of section eight hundred
54 ninety-nine-ff of this article, an operator shall adhere to any clear
55 and unambiguous communications or signals from a covered user's device,
56 including through a browser plug-in or privacy setting, device setting,

1 or other mechanism, concerning processing that the covered user consents
2 to or declines to consent to. An operator shall not adhere to unclear or
3 ambiguous communications or signals from a covered user's device, and
4 shall instead request informed consent pursuant to the provisions of
5 paragraph a of subdivision three of section eight hundred ninety-nine-ff
6 of this article.

7 § 899-jj. Protections for third-party operators. Sections eight
8 hundred ninety-nine-ff and eight hundred ninety-nine-gg of this article
9 shall not apply to an operator processing the personal data of a covered
10 user of another website, online service, online application, mobile
11 application, or connected device, or portion thereof, where the operator
12 received reasonable written representations that the covered user
13 provided informed consent for such processing, or:

14 1. the operator does not have actual knowledge that the covered user
15 is a minor; and

16 2. the operator does not have actual knowledge that the other website,
17 online service, online application, mobile application, or connected
18 device, or portion thereof, is primarily directed to minors.

19 § 899-kk. Rulemaking authority. The attorney general may promulgate
20 such rules and regulations as are necessary to effectuate and enforce
21 the provisions of this article.

22 § 899-ll. Scope. 1. This article shall apply to conduct that occurs in
23 whole or in part in the state of New York. For purposes of this article,
24 commercial conduct takes place wholly outside of the state of New York
25 if the business collected such information while the covered user was
26 outside of the state of New York, no part of the use of the covered
27 user's personal data occurred in the state of New York, and no personal
28 data collected while the covered user was in the state of New York is
29 used.

30 2. Nothing in this article shall be construed to prohibit an operator
31 from storing a covered user's personal data that was collected pursuant
32 to section eight hundred ninety-nine-ff of this article when such
33 covered user is in the state.

34 3. Nothing in this article shall be construed to impose liability for
35 commercial activities or actions by operators subject to 15 U.S.C. 6501
36 that is inconsistent with the treatment of such activities or actions
37 under 15 U.S.C. 6502.

38 § 899-mm. Remedies. 1. Whenever it appears to the attorney general,
39 either upon complaint or otherwise, that any person, within or outside
40 the state, has engaged in or is about to engage in any of the acts or
41 practices stated to be unlawful in this article, the attorney general
42 may bring an action or special proceeding in the name and on behalf of
43 the people of the state of New York to enjoin any violation of this
44 article, to obtain restitution of any moneys or property obtained
45 directly or indirectly by any such violation, to obtain disgorgement of
46 any profits or gains obtained directly or indirectly by any such
47 violation, including but not limited to the destruction of unlawfully
48 obtained data and algorithms trained on such data, to obtain damages
49 caused directly or indirectly by any such violation, to obtain civil
50 penalties of up to five thousand dollars per violation, and to obtain
51 any such other and further relief as the court may deem proper, includ-
52 ing preliminary relief.

53 2. Any covered user who has been injured by a violation of section
54 eight hundred ninety-nine-ff of this article, or the parent or legal
55 guardian of a covered minor who has been injured by a violation of

1 section eight hundred ninety-nine-ff of this article, may bring an
2 action to obtain:

3 (a) Damages of up to five thousand dollars per covered user per inci-
4 dent or actual damages, whichever is greater;

5 (b) Injunctive or declaratory relief; and/or

6 (c) Any other relief the court deems proper.

7 3. Actions pursuant to this section may be brought on a class-wide
8 basis.

9 4. The court may award reasonable attorneys' fees to a prevailing
10 plaintiff.

11 5. Prior to bringing any action for violations of this article pursu-
12 ant to subdivision two of this section, a covered user shall provide the
13 operator thirty days' written notice identifying the specific provisions
14 of this article the covered user alleges have been or are being
15 violated. In the event a cure is possible, if within the thirty days the
16 operator actually cures the noticed violation and provides the covered
17 user an express written statement that the violations have been cured
18 and that no further violations shall occur, no action for individual
19 statutory damages or class-wide statutory damages may be initiated
20 against the operator. No notice shall be required prior to an individual
21 consumer initiating an action solely for actual pecuniary damages
22 suffered as a result of the alleged violations of this title. If a busi-
23 ness continues to violate this article in breach of the express written
24 statement provided to the covered user under this section, the covered
25 user may initiate an action against the business to enforce the written
26 statement and may pursue statutory damages for each breach of the
27 express written statement, as well as any other violation of the article
28 that postdates such written statement.

29 § 2. Severability. If any clause, sentence, paragraph, subdivision,
30 section or part of this act shall be adjudged by any court of competent
31 jurisdiction to be invalid, such judgment shall not affect, impair, or
32 invalidate the remainder thereof, but shall be confined in its operation
33 to the clause, sentence, paragraph, subdivision, section or part thereof
34 directly involved in the controversy in which such judgment shall have
35 been rendered. It is hereby declared to be the intent of the legislature
36 that this act would have been enacted even if such invalid provisions
37 had not been included herein.

38 § 3. This act shall take effect one year after it shall have become a
39 law. Effective immediately, the addition, amendment and/or repeal of any
40 rule or regulation necessary for the implementation of this act on its
41 effective date are authorized to be made and completed on or before such
42 effective date.

35 an employee organization representing officers and employees in the
36 executive branch who are in positions which are in collective negotiat-

PART W

51 Section 1. Paragraphs t, u and v of subdivision 10 of section 54 of
52 the state finance law, paragraph v as relettered by section 3 of part K

1 of chapter 55 of the laws of 2013, are relettered paragraphs u, v and w
2 and a new paragraph t is added to read as follows:

3 t. Local government efficiency grant program beginning in the state
4 fiscal year commencing April first, two thousand twenty-four. (i) (1)
5 For the purposes of this paragraph, "municipality" shall mean a county,
6 city, town, village, special improvement district, fire district, public
7 library, association library, or public library system as defined by
8 section two hundred seventy-two of the education law; provided, however,
9 that for the purposes of this definition, a public library system shall
10 be considered a municipality only in instances where such public library
11 system advances a joint application on behalf of its member libraries,
12 water authority, sewer authority, regional planning and development
13 board, school district, or board of cooperative educational services;
14 provided, however, that for the purposes of this definition, a board of
15 cooperative educational services shall be considered a municipality only
16 in instances where such board of cooperative educational services

18 municipalities within the board of cooperative educational services
19 region; provided, however, that any agreements with a board of cooper-
20 ative educational services: shall not generate additional state aid;
21 shall be deemed not to be a part of the program, capital and administra-
22 tive budgets of the board of cooperative educational services for the
23 purposes of computing charges upon component school districts pursuant
24 to subdivision one and subparagraph seven of paragraph b of subdivision
25 four of section nineteen hundred fifty, and subdivision one of section
26 nineteen hundred fifty-one of the education law; and shall be deemed to
27 be a cooperative municipal service for purposes of subparagraph two of
28 paragraph d of subdivision four of section nineteen hundred fifty of the
29 education law.

30 (2) For the purposes of this paragraph, "functional consolidation"
31 shall mean one municipality completely providing a service or function
32 for another municipality, which no longer provides such service or func-
33 tion.

34 (ii) Within the annual amounts appropriated therefor, the secretary of
35 state may award competitive grants to municipalities to cover costs
36 associated with local government efficiency projects, including, but not
37 limited to, planning for or implementation of a municipal consolidation
38 or dissolution, a functional consolidation, a city or county charter
39 revision that includes functional consolidation, shared or cooperative
40 services, and regionalized delivery of services; provided, however, that
41 such local government efficiency projects must demonstrate new opportu-
42 nities for financial savings and operational efficiencies; provided,
43 further, that eligible local government efficiency projects shall not
44 include studies and plans for a local government re-organization eligi-
45 ble to receive a local government citizens re-organization empowerment
46 grant pursuant to paragraph q of this subdivision. The secretary of
47 state may focus the grant program in specific functional areas, within
48 distressed communities and areas of historically high local government
49 costs and property taxes, or in areas of unique opportunity, in which
50 case such areas of focus shall be detailed in a request for applica-
51 tions.

52 (iii) Any approved project shall include an examination of financial

55 (iv) Local government efficiency grants may be used to cover costs
56 including, but not limited to, legal and consultant services, capital

1 improvements, transitional personnel costs and other necessary expenses
2 related to implementing the approved local government efficiency grant
3 work plan. Grants may be used for capital improvements, transitional
4 personnel costs or joint equipment purchases only where such expenses
5 are integral to implementation of the local government efficiency
6 project. No part of the grant shall be used by the applicant for recur-
7 ring expenses such as salaries, except that the salaries of certain
8 transitional personnel essential for the implementation of the approved
9 local government efficiency grant work plan shall be eligible for a
10 period not to exceed three years. The amounts awarded to a school
11 district pursuant to this subparagraph shall not be included in the
12 approved operating expense of the school district as defined in para-
13 graph t of subdivision one of section thirty-six hundred two of the
14 education law.

15 (v) The maximum cumulative grant award for a local government effi-
16 ciency project shall not exceed two hundred fifty thousand dollars per
17 municipality; provided, however, that in no case shall such a project
18 receive a cumulative grant award in excess of one million two hundred
19 fifty thousand dollars. The maximum grant award for a local government
20 efficiency planning project, or the planning component of a project that

24 project receive a grant award in excess of one hundred thousand dollars.

25 (vi) Local matching funds equal to at least fifty percent of the total
26 cost of activities under the grant work plan approved by the department
27 of state shall be required for planning grants, and local matching funds
28 equal to at least ten percent of the total cost of activities under the
29 grant work plan approved by the department of state shall be required
30 for implementation grants. In the event an applicant is implementing a
31 project that the applicant developed through a successfully completed
32 planning grant funded under the local government efficiency grant
33 program or the shared municipal services incentive grant program, the
34 local matching funds required shall be reduced by the local matching
35 funds required by such successfully completed planning grant up to the
36 amount of local matching funds required for the implementation grant.

37 (vii) In the selection of grant awards, the secretary of state shall
38 give the highest priority to applications: (1) that would result in the
39 dissolution or consolidation of municipalities; (2) that would implement
40 the complete functional consolidation of a municipal service; or (3) by
41 local governments with historically high costs of local government or
42 sustained increases in property taxes. Priority will also be given to
43 municipalities that have previously completed a planning grant pursuant
44 to this program or the shared municipal services incentive grant
45 program, and to local governments currently involved in regional devel-
46 opment projects that have received funds through state community and
47 infrastructure development programs.

48 (viii) Within one week of the receipt of an application, the depart-
49 ment of state shall review the application to ensure the applicant has
50 filed the correct application, and to determine if any required sections
51 of the application contain no information. Within one business day of
52 determining an applicant has filed an incorrect application, or deter-
53 mining an application contains no information in a section required to
54 contain information, the department shall so notify the applicant.
55 Applicants shall be permitted to amend an application found to be miss-
56 ing information, and such application shall be reconsidered for approval

if it is amended by the application deadline. If an applicant has submitted an incorrect application, the applicant may submit the correct application to the appropriate program by the deadline for such program for consideration. Under no circumstances shall this subparagraph be deemed to require the extension of any application deadline established by the department, nor shall it obligate the department to conduct a substantive review of the contents of any application outside of the procedures established by the department for the purposes of maintaining the competitive integrity of the grant program.

(ix) Written notice shall be provided to an applicant of a decision regarding the grant or denial of an award under this paragraph, within thirty days after such decision.

(x) The department of state shall prepare an annual report to the governor and the legislature on the effectiveness of the local government efficiency grant program and the local government citizens re-organization empowerment grant program. Such report shall be provided on or before October first of each year and shall include, but not be limited to, the following: a summary of applications and awards for each grant category, an assessment of progress in implementing initiatives that received grant awards, and estimated financial savings and significant improvements in service realized by municipalities that have received grants.
