37 PART B

38 Section 1. The education law is amended by adding a new section 818 to
39 read as follows:

40 § 818. Evidence-based and scientifically based reading instruction. 1.
41 (a) On or before July first, two thousand twenty-four, the commissioner
42 shall provide school districts with the instructional best practices for
43 the teaching of reading to students in prekindergarten through grade
44 three. Instructional best practices for the teaching of reading shall
45 be evidence-based and scientifically based, focusing on reading compe-
46 tency in the areas of phonemic awareness, phonics, vocabulary develop-
47 ment, reading fluency, comprehension, including background knowledge,
48 oral language and writing, oral skill development, and align with the
49 culturally responsive-sustaining (CR-S) framework. Such instructional
50 best practices shall be periodically updated by the commissioner where
51 appropriate.

52 (b) All school districts in the state shall annually review their
53 curriculum and instructional practices in the subject of reading for
54 students in prekindergarten through grade three to ensure that they

1 align with the reading instructional best practices issued by the
2 commissioner, and that all early reading instructional practices and
3 interventions are part of an aligned plan designed to improve student
4 reading outcomes in prekindergarten through grade three.

5 2. For purposes of this section, the following terms shall have the
6 following meanings:

7 (a) "Culturally responsive-sustaining (CR-S) framework" means a frame-
8 work that promotes learning environments that affirm racial, linguistic,
9 and cultural identities; engages students with rigorous, supportive
10 instruction; develops their abilities to connect across lines of differ-
11 ence; elevates historically marginalized voices; and empowers students
12 as agents of social change.

13 (b) "Evidence-based and scientifically based" means an interdiscipli-
14 nary body of research that describes how reading and writing skills and
15 competencies develop from prekindergarten through secondary education
16 and provides evidence-based guidance to inform curriculum and pedagogy.

17 (c) "Phonemic awareness" means the ability to notice, think about and
18 manipulate individual sounds in spoken syllables and words.

19 (d) "Comprehension" means a function of word recognition skills and
20 language comprehension skills and shall include having sufficient back-
21 ground information and vocabulary for the reader to understand the words
22 in front of them. It also includes the active process that requires
23 intentional thinking, during which meaning is constructed through inter-
24 actions between the text and the reader. Comprehension skills are taught
25 explicitly by demonstrating, explaining, modeling and implementing
26 specific cognitive strategies to help beginning readers derive meaning
27 through intentional, problem-solving thinking processes.

28 (e) "Reading fluency" means the ability to read words, phrases, and
29 sentences accurately, at an appropriate speed, and with expression.

30 (f) "Vocabulary development" means the process of acquiring new words
31 and includes improving all areas of communication, including listening,
32 speaking, reading, and writing, which is directly related to school
33 achievement and is a strong predictor for reading success.

34 3. On or before September first, two thousand twenty-five, and on or
35 before September first of each year thereafter, all school districts in
36 the state shall certify to the commissioner that their curriculum and
37 instructional strategies and teacher professional development in the
38 subject of reading in prekindergarten through grade three align with all
39 of the elements of the instructional best practices issued by the
40 commissioner pursuant to this section.

41 4. Compliance with this section shall be subject to review by the
42 commissioner pursuant to section three hundred ten of this title and by
43 article seventy-eight of the civil practice law and rules.

7 pursuant to the provisions of subparagraph one of this paragraph. For
8 purposes of subparagraph one of this paragraph, the required certifi-

12 district shall annually report to the department the following data for
13 all seniors enrolled in such school district, aggregated by high school:

21 to give notice, no less than four times during each school year, with an
22 explanation to each high school senior of the state-sponsored scholar-
23 ships, financial aid and assistance available to students attending
24 college or post-secondary education, and to provide access and/or refer-
25 als to support or assistance necessary for completion of the FAFSA.

26 § 2. This act shall take effect on the first of July next succeeding
27 the date on which it shall have become a law. Effective immediately, the
28 addition, amendment and/or repeal of any rule or regulation necessary
29 for the implementation of this act on its effective date are authorized

Notwithstanding the preceding provisions of this subdivision, in the event that the total amount of such annual apportionments to all institutions meeting the requirements of subdivision two of this section would otherwise exceed the total amount appropriated for unrestricted aid to independent colleges and universities, the annual apportionment to each such institution shall be reduced proportionally.

§ 5. This act shall take effect July 1, 2024.

7 COMMON QUESTIONS ABOUT THE USE OF THIS FORM

8 What does the Transfer on Death (TOD) deed do?

9 When you die, this deed transfers the described property, subject to any
10 liens or mortgages (or other encumbrances) on the property at your
11 death. Probate is not required. The TOD deed has no effect until you
12 die. You can revoke it at any time. You are also free to transfer the
13 property to someone else during your lifetime. If you do not own any
14 interest in the property when you die, this deed will have no effect.

15 How do I make a TOD deed?

16 Complete this form. Have it acknowledged before a notary public. Record
17 the form in each county where any part of the property is located. The
18 form has no effect unless it is acknowledged and recorded before your
19 death.

20 Is the "legal description" of the property necessary?

21 Yes.

22 How do I find the "legal description" of the property?

23 This information may be on the deed you received when you became an
24 owner of the property. This information may also be available in the
25 county clerk's office of the county where the property is located. If
26 you are not absolutely sure, consult a lawyer.

27 Can I change my mind before I record the TOD deed?

28 Yes. If you have not yet recorded the deed and want to change your mind,
29 simply tear up or otherwise destroy the deed.

30 How do I "record" the TOD deed?

31 Take the completed and acknowledged form to the county clerk's office of
32 the county where the property is located. Follow the instructions given
33 by the county clerk to make the form part of the official property
34 records. If the property is in more than one county, you should record
35 the deed in each county.

36 Can I later revoke the TOD deed if I change my mind?

Yes. You can revoke the TOD deed. No one, including the beneficiaries, can prevent you from revoking the deed.

How do I revoke the TOD deed after it is recorded?

There are three ways to revoke a recorded TOD deed:

(1) Complete and acknowledge a revocation form and record it in each county where the property is located.

(2) Complete and acknowledge a new TOD deed that disposes of the same property and record it in each county where the property is located.

(3) Transfer the property to someone else during your lifetime by a recorded deed that expressly revokes the TOD deed. You may not revoke the TOD deed by will.

I am being pressured to complete this form. What should I do?

Do not complete this form under pressure. Seek help from a trusted family member, friend, or lawyer.

Do I need to tell the beneficiaries about the TOD deed?

No, but it is recommended. Secrecy can cause later complications and might make it easier for others to commit fraud.

I have other questions about this form. What should I do?

This form is designed to fit some but not all situations. If you have other questions, you are encouraged to consult a lawyer.

16. Form of revocation. The following form may be used to create an instrument of revocation under this section. The other subdivisions of this section shall govern the effect of this, or any other instrument used to revoke a transfer on death deed.

17 § 8. This act shall take effect on the ninetieth day after it shall
18 have become a law, provided that section 424 of the real property law,
19 as added by section seven of this act, shall apply to any transfer on
20 death deed made before, on, or after the effective date of this act by a
21 transferor dying on or after the effective date of this act.

22 PART P

23 Section 1. This Part enacts into law components of legislation relat-
24 ing to the conveyance and use of real property owned and maintained by
25 the state university of New York and the New York state department of
26 transportation. Each component is wholly contained within a Subpart
27 identified as Subparts A through C. The effective date for each partic-
28 ular provision contained within such Subpart is set forth in the last
29 section of such Subpart. Any provision in any section contained within a
30 Subpart, including the effective date of the Subpart, which makes refer-
31 ence to a section "of this act", when used in connection with that
32 particular component, shall be deemed to mean and refer to the corre-
33 sponding section of the Subpart in which it is found. Section three of
34 this Part sets forth the general effective date of this Part.

35 SUBPART A

36 Section 1. Legislative findings. The legislature finds that the state
37 university of New York at Farmingdale ("Farmingdale") seeks to use
38 approximately 8.7 acres of vacant land on Farmingdale's campus to build
39 multi-purpose facilities to support housing needs and supporting amen-
40 ities, fulfilling a necessary and vital public purpose. The legislature
41 further finds that granting the trustees of the State University of New
42 York ("Trustees") the authority and power to lease and otherwise
43 contract to make available grounds and facilities of the Farmingdale
44 campus will ensure such land is utilized for the benefit of Farmingdale,
45 the surrounding community, and the general public.

1 § 2. Notwithstanding any other law to the contrary, the Trustees are
2 authorized and empowered, without any public bidding, to lease and
3 otherwise contract to make available to Farmingdale state development
4 corporation, a not-for-profit corporation (the "ground lessee"), a
5 portion of the lands of Farmingdale generally described in this act for
6 the purpose of developing, constructing, maintaining and operating
7 multi-purpose facilities to support housing needs and supporting amen-
8 ities. Such lease or contract shall be for a period not exceeding nine-
9 ty-nine years without any fee simple conveyance and otherwise upon terms
10 and conditions determined by such trustees, subject to the approval of
11 the director of the division of the budget, the attorney general and the
12 state comptroller. In the event that the real property that is the
13 subject of such lease or contract shall cease to be used for the purpose
14 described in this act, such lease or contract shall immediately termi-
15 nate and the real property and any improvements thereon shall revert to
16 the state university of New York. Any lease or contract entered into
17 pursuant to this act shall provide that the real property that is the
18 subject of such lease or contract and any improvements thereon shall
19 revert to the state university of New York on the expiration of such
20 contract or lease. Any and all proceeds related to the leases author-
21 ized by this act shall be used for the benefit of the Farmingdale campus
22 and the allocation of such proceeds shall be subject to approval by the
23 Trustees.

24 § 3. Any contract or lease entered into pursuant to this act shall be
25 deemed to be a state contract for purposes of article 15-A of the execu-
26 tive law, and any contractor, subcontractor, lessee or sublessee enter-
27 ing into such contract or lease for the construction, demolition, recon-
28 struction, excavation, rehabilitation, repair, renovation, alteration or
29 improvement authorized pursuant to this act shall be deemed a state
30 agency for the purposes of article 15-A of the executive law and subject
31 to the provisions of such article.

32 § 4. Notwithstanding any general, special or local law or judicial
33 decision to the contrary, all work performed on a project authorized by
34 this act where all or any portion thereof involves a lease or agreement
35 for construction, demolition, reconstruction, excavation, rehabili-
36 tation, repair, renovation, alteration or improvement shall be subject
37 to and performed in accordance with the provisions of article 8 of the
38 labor law to the same extent and in the same manner as a contract of the
39 state.

40 § 5. Without limiting the determination of the terms and conditions of
41 such contracts or leases, such terms and conditions may provide for
42 leasing, subleasing, construction, reconstruction, rehabilitation,
43 improvement, operation and management of and provision of services and
44 assistance and the granting of licenses, easements and other arrange-
45 ments with regard to such grounds and facilities by Farmingdale state
46 development corporation, and parties contracting with Farmingdale state
47 development corporation, and in connection with such activities, the
48 obtaining of funding or financing, whether public or private, unsecured
49 or secured, including, but not limited to, secured by leasehold mort-
50 gages and assignments of rents and leases, by Farmingdale state develop-
51 ment corporation and parties contracting with Farmingdale state develop-
52 ment corporation for the purposes of completing the project described in
53 this act.

54 § 6. Such lease shall include an indemnity provision whereby the
55 lessee or sublessee promises to indemnify, hold harmless and defend the
56 lessor against all claims, suits, actions, and liability to all persons

1 on the leased premises, including tenant, tenant's agents, contractors,
2 subcontractors, employees, customers, guests, licensees, invitees and
3 members of the public, for damage to any such person's property, whether
4 real or personal, or for personal injuries arising out of tenant's use
5 or occupation of the demised premises.

6 § 7. Any contracts entered into pursuant to this act between the
7 ground lessee and parties contracting with the ground lessee shall be
8 awarded by a competitive process.

9 § 8. The property authorized by this act to be leased to Farmingdale
10 state development corporation is generally described as that parcel of
11 real property with improvements thereon consisting of a total of 8.7
12 acres situated on the campus of the State University of New York at
13 Farmingdale, subject to all existing easements and restrictions of
14 record. The description in this section of the parcel to be made avail-
15 able pursuant to this act is not meant to be a legal description, but is
16 intended only to identify the parcel:

17 The property is situated at the southwest corner of NYS Route 110 and
18 Melville Road. The eastern boundary runs north/south along the western
19 side of NYS Route 110 with approximately 450 feet of frontage. The
20 northern boundary runs along Melville Road for just over 1,000 feet.

21 § 9. The state university of New York shall not lease lands described
22 in this act unless any such lease shall be executed within 5 years of
23 the effective date of this act.

24 § 10. Insofar as the provisions of this act are inconsistent with the
25 provisions of any law, general, special or local, the provisions of this
26 act shall be controlling.

27 § 11. This act shall take effect immediately.

28 SUBPART B

29 Section 1. Legislative findings. The legislature finds that the state
30 university of New York at Stony Brook ("Stony Brook") seeks to use
31 approximately 10 acres of underutilized land on Stony Brook's Southamp-
32 ton campus to build multi-purpose facilities to support housing needs
33 and supporting amenities, fulfilling a necessary and vital public
34 purpose. The legislature further finds that granting the trustees of
35 the State University of New York ("Trustees") the authority and power to
36 lease and otherwise contract to make available grounds and facilities of
37 Stony Brook's campus will ensure such land is utilized for the benefit
38 of Stony Brook, the surrounding community, and the general public.

39 § 2. Notwithstanding any other law to the contrary, the Trustees are
40 authorized and empowered, without any public bidding, to lease and
41 otherwise contract to make available to a ground lessee a portion of the
42 lands of Stony Brook generally described in this act for the purpose of
43 developing, constructing, maintaining and operating multi-purpose facil-
44 ities to support housing needs and supporting amenities. Such lease or
45 contract shall be for a period not exceeding ninety-nine years without
46 any fee simple conveyance and otherwise upon terms and conditions deter-
47 mined by such trustees, subject to the approval of the director of the
48 division of the budget, the attorney general and the state comptroller.
49 In the event that the real property that is the subject of such lease or
50 contract shall cease to be used for the purpose described in this act,
51 such lease or contract shall immediately terminate and the real property
52 and any improvements thereon shall revert to the state university of New
53 York. Any lease or contract entered into pursuant to this act shall
54 provide that the real property that is the subject of such lease or

1 contract and any improvements thereon shall revert to the state univer-
2 sity of New York on the expiration of such contract or lease. Any and
3 all proceeds related to the leases authorized by this act shall be used
4 for the benefit of the Stony Brook campus and the allocation of such
5 proceeds shall be subject to approval by the Trustees.

6 § 3. Any contract or lease entered into pursuant to this act shall be
7 deemed to be a state contract for purposes of article 15-A of the execu-
8 tive law, and any contractor, subcontractor, lessee or sublessee enter-
9 ing into such contract or lease for the construction, demolition, recon-
10 struction, excavation, rehabilitation, repair, renovation, alteration or
11 improvement authorized pursuant to this act shall be deemed a state
12 agency for the purposes of article 15-A of the executive law and subject
13 to the provisions of such article.

14 § 4. Notwithstanding any general, special or local law or judicial
15 decision to the contrary, all work performed on a project authorized by
16 this act where all or any portion thereof involves a lease or agreement
17 for construction, demolition, reconstruction, excavation, rehabili-
18 tation, repair, renovation, alteration or improvement shall be subject
19 to and performed in accordance with the provisions of article 8 of the
20 labor law to the same extent and in the same manner as a contract of the
21 state.

22 § 5. Without limiting the determination of the terms and conditions of
23 such contracts or leases, such terms and conditions may provide for
24 leasing, subleasing, construction, reconstruction, rehabilitation,
25 improvement, operation and management of and provision of services and
26 assistance and the granting of licenses, easements and other arrange-
27 ments with regard to such grounds and facilities by the ground lessee,
28 and parties contracting with the ground lessee, and in connection with
29 such activities, the obtaining of funding or financing, whether public
30 or private, unsecured or secured, including, but not limited to, secured
31 by leasehold mortgages and assignments of rents and leases, by the
32 ground lessee and parties contracting with the ground lessee for the
33 purposes of completing the project described in this act.

34 § 6. Such lease shall include an indemnity provision whereby the
35 lessee or sublessee promises to indemnify, hold harmless and defend the
36 lessor against all claims, suits, actions, and liability to all persons
37 on the leased premises, including tenant, tenant's agents, contractors,
38 subcontractors, employees, customers, guests, licensees, invitees and
39 members of the public, for damage to any such person's property, whether
40 real or personal, or for personal injuries arising out of tenant's use
41 or occupation of the demised premises.

42 § 7. Any contracts entered into pursuant to this act between the
43 ground lessee and parties contracting with the ground lessee shall be
44 awarded by a competitive process.

45 § 8. The property authorized by this act to be leased to the ground
46 lessee is generally described as approximately 10 acres of land situated
47 on the Southampton campus of the state university of New York at Stony
48 Brook, subject to all existing easements and restrictions of record.

49 § 9. The state university of New York shall not lease lands described
50 in this act unless any such lease shall be executed within 5 years of
51 the effective date of this act.

52 § 10. Insofar as the provisions of this act are inconsistent with the
53 provisions of any law, general, special or local, the provisions of this
54 act shall be controlling.

55 § 11. This act shall take effect immediately.

17 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
18 sion, section, or subpart of this part shall be adjudged by any court of

21 shall be confined in its operation to the clause, sentence, paragraph,
22 subdivision, section, or subpart directly involved in the controversy in
23 which such judgment shall have been rendered. It is hereby declared to
24 be the intent of the legislature that this part and each subpart herein
25 would have been enacted even if such invalid provisions had not been
26 included herein.

27 § 3. This act shall take effect immediately; provided, however, that
28 the applicable effective date of Subparts A through C of this act shall
29 be as specifically set forth in the last section of such Subparts.

37 subdivision seven of section four of the multiple dwelling law.

38 u. "Non-residential building" shall mean a structure or portion of a
39 structure, except a hotel or other class B multiple dwelling, having at
40 least one floor, a roof and at least three walls enclosing all or most
41 of the space used in connection with the structure or portion of the
42 structure, which has a certificate of occupancy for commercial, manufac-
43 turing or other non-residential use for not less than ninety percent of
44 the aggregate floor area of such structure or portion of such structure,
45 or other proof of such non-residential use as is acceptable to the agen-

53 after, together with any successor statutes or regulations addressing
54 substantially the same subject matter.

55 x. "Residential tax lot" shall mean a tax lot that contains dwelling
56 units.

1 y. "Restriction period" shall mean a period commencing on the
2 completion date and extending in perpetuity, notwithstanding any earlier

5 notwithstanding the provisions of any other general, special or local
6 law to the contrary, a new eligible multiple dwelling, except a hotel,
7 that complies with the provisions of this section shall be exempt from
8 real property taxation, other than assessments for local improvements,
9 in the amounts and for the periods which shall be set forth in regu-

14 this section, the owner of any eligible multiple dwelling receiving AHCC
15 program benefits shall pay, in each tax year in which such AHCC program
16 benefits are in effect, all assessments for local improvements.

17 4. Limitation on benefits for non-residential space. If the aggregate
18 floor area of commercial, community facility and accessory use space in
19 an eligible multiple dwelling exceeds twelve percent of the aggregate
20 floor area in such eligible multiple dwelling, any AHCC program benefits
21 shall be reduced by a percentage equal to such excess. If an eligible
22 multiple dwelling contains multiple tax lots, the tax arising out of

27 rata among the remaining residential tax lots. For the purposes of this
28 section, accessory use space shall not include home occupation space or
29 accessory parking space located not more than twenty-three feet above

35 assessed value of the eligible multiple dwelling.

36 6. Affordability requirements. An eligible multiple dwelling shall
37 comply with the affordability requirement defined in paragraph b of
38 subdivision one of this section during the restriction period. An eligi-
39 ble multiple dwelling shall also comply with the following requirements
40 during the restriction period:

41 a. All affordable housing units in an eligible multiple dwelling shall
42 share the same common entrances and common areas as rental market rate
43 units in such eligible multiple dwelling and shall not be isolated to a
44 specific floor or area of an eligible multiple dwelling. Common
45 entrances shall mean any means of ingress or egress regularly used by
46 any resident of a rental dwelling unit in the eligible multiple dwell-
47 ing.

48 b. Unless preempted by the requirements of a federal, state or local
49 housing program, either: (i) the affordable housing units in an eligible

53 and no more than twenty-five percent of the affordable housing units
54 shall have less than one bedroom.

1 stabilization during the restriction period; and (ii) any affordable

5 tion until such tenant vacates such affordable housing unit.

6 d. All rent stabilization registrations required to be filed shall
7 contain a designation that specifically identifies affordable housing
8 units created pursuant to this section as "AHCC program affordable hous-
9 ing units" and shall contain an explanation of the requirements that
10 apply to all such affordable housing units.

11 e. Failure to comply with the provisions of this subdivision that
12 require the creation, maintenance, rent stabilization compliance, and
13 occupancy of affordable housing units shall result in revocation of AHCC
14 program benefits.

15 f. Nothing in this section shall: (i) prohibit the occupancy of an
16 affordable housing unit by individuals or families whose income at any
17 time is less than the maximum percentage of the area median income or
18 income band, as applicable, adjusted for family size, specified for such
19 affordable housing unit pursuant to this section; or (ii) prohibit the
20 owner of an eligible multiple dwelling from requiring, upon initial
21 rental or upon any rental following a vacancy, the occupancy of any
22 affordable housing unit by such lower income individuals or families.

23 g. Following issuance of a temporary certificate of occupancy and upon
24 each vacancy thereafter, an affordable housing unit shall promptly be
25 offered for rental by individuals or families whose income does not
26 exceed the maximum percentage of the area median income or income band,
27 as applicable, adjusted for family size, specified for such affordable
28 housing unit pursuant to this section and who intend to occupy such
29 affordable housing unit as their primary residence. An affordable hous-
30 ing unit shall not be: (i) rented to a corporation, partnership or other
31 entity; or (ii) held off the market for a period longer than is reason-
32 ably necessary to perform repairs needed to make such affordable housing
33 unit available for occupancy.

34 h. An affordable housing unit shall not be rented on a temporary,
35 transient or short-term basis. Every lease and renewal thereof for an
36 affordable housing unit shall be for a term of one or two years, at the
37 option of the tenant.

38 i. An affordable housing unit shall not be converted to cooperative or
39 condominium ownership.

40 j. The agency may establish by rule such requirements as the agency
41 deems necessary or appropriate for: (i) the marketing of affordable
42 housing units, both upon initial occupancy and upon any vacancy; (ii)
43 monitoring compliance with the provisions of this subdivision; (iii) the
44 establishment of marketing bands for affordable housing units; and (iv)
45 specifying the legal instrument by which the marketing, affordability,
46 rent stabilization, permitted rent, and any other requirement associated
47 with this benefit will be recorded and enforced. Such requirements may
48 include, but need not be limited to, retaining a monitor approved by the
49 agency and paid for by the owner of the eligible multiple dwelling.

50 k. Notwithstanding any provision of this section to the contrary, a
51 market unit shall not be subject to rent stabilization unless, in the
52 absence of AHCC program benefits, the unit would be subject to rent
53 stabilization.

54 7. Building service employees. a. For the purposes of this subdivi-
55 sion, "applicant" shall mean an applicant for AHCC program benefits, any
56 successor to such applicant, or any employer of building service employ-

1 ees for such applicant including, but not limited to, a property manage-
2 ment company or contractor.

3 b. All building service employees employed by the applicant at the
4 eligible multiple dwelling shall receive the applicable prevailing wage
5 for the duration of the benefit period, regardless of whether such bene-
6 fits provided pursuant to this section are revoked or terminated.

7 c. The fiscal officer shall have the power to enforce the provisions
8 of this subdivision. In enforcing such provisions, the fiscal officer
9 shall have the power: (i) to investigate or cause an investigation to be
10 made to determine the prevailing wages for building service employees,
11 and in making such investigation, the fiscal officer may utilize wage
12 and fringe benefit data from various sources, including, but not limited
13 to, data and determinations of federal, state or other governmental
14 agencies; provided, however, that the provision of a dwelling unit shall
15 not be considered wages or a fringe benefit; (ii) to institute and
16 conduct inspections at the site of the work or elsewhere; (iii) to exam-
17 ine the books, documents and records pertaining to the wages paid to,
18 and the hours of work performed by, building service employees; (iv) to
19 hold hearings and, in connection therewith, to issue subpoenas, the
20 enforcement of which shall be regulated by the civil practice law and
21 rules, administer oaths and examine witnesses; (v) to make a classifica-
22 tion by craft, trade or other generally recognized occupational category
23 of the building service employees and to determine whether such work has
24 been performed by the building service employees in such classification;
25 (vi) to require the applicant to file with the fiscal officer a record
26 of the wages actually paid by such applicant to the building service
27 employees and of their hours of work; (vii) to delegate any of the fore-
28 going powers to his or her deputy or other authorized representative;
29 (viii) to promulgate rules as he or she shall consider necessary for the
30 proper execution of the duties, responsibilities and powers conferred
31 upon him or her by the provisions of this subdivision; and (ix) to
32 prescribe appropriate sanctions for failure to comply with the
33 provisions of this subdivision. For each violation of paragraph b of
34 this subdivision, the fiscal officer may require the payment of (A) back
35 wages and fringe benefits; (B) liquidated damages up to three times the
36 amount of the back wages and fringe benefits for willful violations;
37 and/or (C) reasonable attorneys' fees. If the fiscal officer finds that
38 the applicant has failed to comply with the provisions of this subdivi-
39 sion, he or she shall present evidence of such non-compliance to the
40 agency.

41 d. Paragraph b of this subdivision shall not be applicable to: (i) an
42 eligible multiple dwelling containing less than thirty dwelling units;
43 or (ii) an eligible multiple dwelling whose eligible conversion is
44 carried out with the substantial assistance of grants, loans or subsi-
45 dies provided by a federal, state or local governmental agency or
46 instrumentality pursuant to a program for the development of affordable
47 housing.

48 e. The applicant shall submit a sworn affidavit with its application
49 certifying that it shall comply with the requirements of this subdivi-
50 sion or is exempt in accordance with paragraph d of this subdivision.
51 Upon the agency's approval of such application, the applicant who is not
52 exempt in accordance with paragraph d of this subdivision shall submit
53 annually a sworn affidavit to the fiscal officer certifying that it
54 shall comply with the requirements of this subdivision.

1 8. Concurrent exemptions or abatements. An eligible multiple dwelling
2 receiving AHCC program benefits shall not receive any exemption from or
3 abatement of real property taxation under any other law.

4 9. Voluntary renunciation or termination. Notwithstanding the
5 provisions of any general, special or local law to the contrary, an
6 owner shall not be entitled to voluntarily renounce or terminate AHCC
7 program benefits unless the agency authorizes such renunciation or
8 termination in connection with the commencement of a tax exemption
9 pursuant to the private housing finance law or section four hundred
10 twenty-c of this title.

11 10. Termination or revocation. The agency may terminate or revoke AHCC
12 program benefits for noncompliance with this section. All of the afford-
13 able housing units shall remain subject to rent stabilization and all
14 other requirements of this section for the duration of the restriction
15 period, regardless of whether such benefits have been terminated or
16 revoked.

17 11. Powers cumulative. The enforcement provisions of this section
18 shall not be exclusive, and are in addition to any other rights, reme-
19 dies or enforcement powers set forth in any other law or available at
20 law or in equity.

21 12. Multiple tax lots. If an eligible multiple dwelling contains
22 multiple tax lots, an application may be submitted with respect to one
23 or more of such tax lots. The agency shall determine eligibility for
24 AHCC program benefits based upon the tax lots included in such applica-
25 tion and benefits for each such eligible multiple dwelling shall be
26 based upon the completion date of each such multiple dwelling.

27 13. Applications. a. The application with respect to any eligible
28 multiple dwelling shall be filed with the agency no earlier than the
29 completion date and not later than one year after the completion date of
30 such eligible multiple dwelling.

31 b. Notwithstanding the provisions of any general, special, or local
32 law to the contrary, the agency may require by rule that applications be
33 filed electronically.

34 c. The agency may rely on certification by an architect or engineer
35 submitted by an applicant in connection with the filing of an applica-
36 tion. A false certification by such architect or engineer shall be
37 deemed to be professional misconduct pursuant to section sixty-five
38 hundred nine of the education law. Any architect or engineer found
39 guilty of such misconduct under the procedures prescribed in section
40 sixty-five hundred ten of the education law shall be subject to the
41 penalties prescribed in section sixty-five hundred eleven of the educa-
42 tion law and shall thereafter be ineligible to submit a certification
43 pursuant to this section.

44 d. Such application shall also certify that all taxes, water charges,
45 and sewer rents currently due and owing on the property which is the
46 subject of the application have been paid or are currently being paid in
47 timely installments pursuant to a written agreement with the department
48 of finance or other appropriate agency.

49 14. Filing fee. The agency may require a filing fee of no less than
50 three thousand dollars per dwelling unit in connection with any applica-
51 tion, except that the agency may promulgate rules:

52 a. imposing a lesser fee for an eligible multiple dwelling whose
53 eligible conversion is carried out with the substantial assistance of
54 grants, loans or subsidies provided by a federal, state or local govern-
55 mental agency or instrumentality pursuant to a program for the develop-
56 ment of affordable housing; and

b. requiring a portion of the filing fee to be paid upon the submission of the information the agency requires in advance of approving the commencement of the marketing process for such eligible conversion.

15. Rules. Except as provided in subdivision seven of this section, the agency shall have the sole authority to enforce the provisions of this section and may promulgate rules to carry out the provisions of this section.

16. Penalties for violations of affordability requirements. a. On or after the expiration date of the benefit provided pursuant to this section, the agency may impose, after notice and an opportunity to be heard, a penalty for any violation by an eligible multiple dwelling of the affordability requirements of subdivision six of this section.

b. A penalty imposed under this subdivision shall be computed as a percentage of the capitalized value of all AHCC program benefits on the eligible multiple dwelling, calculated as of the first year that benefits were granted, not to exceed one thousand percent. The agency shall establish a schedule and method of calculation of such penalties pursuant to subdivision fifteen of this section.

c. A penalty imposed under this subdivision shall be imposed against the owner of the eligible multiple dwelling at the time the violation occurred, even if such owner no longer owns such eligible multiple dwelling at the time of the agency's determination.

d. A person or entity who fails to pay a penalty imposed pursuant to this subdivision shall be guilty of a misdemeanor punishable by imprisonment not to exceed six months.

§ 3. This act shall take effect immediately.

289. Basement and cellar local laws and regulations.

290. Tenant protections in inhabited basement dwelling units and inhabited cellar dwelling units.

§ 288. Definitions. As used in this article, the following terms shall have the following meanings:

1. The term "inhabited basement dwelling unit" means a basement unlawfully occupied as a residence by one or more tenants on or prior to the effective date of this article;

2. The term "inhabited cellar dwelling unit" means a cellar unlawfully occupied as a residence by one or more tenants on or prior to the effective date of this article;

3. The term "rented" means leased, let, or hired out, with or without a written agreement; and

4. The term "tenant" means an individual to whom an inhabited basement dwelling unit is rented.

§ 289. Basement and cellar local laws and regulations. 1. Notwithstanding any other provision of state or local law to the contrary, in a city with a population of one million or more, the local legislative body may, by local law, establish a program to address, provided that health and safety are protected, (a) the legalization of specified inhabited basement dwelling units and inhabited cellar dwelling units in

1 existence prior to the effective date of this article through conversion
2 to legal dwelling units, or (b) the conversion of other specified base-
3 ment and cellar dwelling units in existence prior to the effective date
4 of this article to legal dwelling units. The local law authorized by
5 this section, and any rules or regulations promulgated thereunder, shall
6 not be subject to environmental review, including environmental review
7 conducted pursuant to article eight of the environmental conservation
8 law and any state and local regulations promulgated thereunder.

9 2. The program established by such local law may provide to an owner
10 who converts an inhabited basement dwelling unit or inhabited cellar
11 dwelling unit in accordance with a local law authorized by this article
12 or who otherwise abates the illegal occupancy of an inhabited basement
13 dwelling unit or inhabited cellar dwelling unit, (a) freedom from any
14 civil or administrative liability, citations, fines, penalties, judg-
15 ments or any other determinations of or prosecution for civil
16 violations of this chapter, other state law or local law or rules, and
17 the zoning resolution of such city, and (b) relief from any outstanding
18 civil judgments issued in connection with any such violation of such
19 laws, rules or zoning resolution issued before the effective date of
20 this article. Provided that such local law shall require that all
21 applications for conversions be filed by a date certain subsequent to
22 the effective date of this article, provided further that such date
23 shall not exceed five years after the effective date of this article.

24 3. Such local law may provide that any provision of this chapter or
25 local law, rule or regulation, shall not be applicable to provide for
26 the alterations necessary for the conversion of a specified inhabited
27 basement dwelling unit or inhabited cellar dwelling unit or other speci-

39 article shall require an application to make alterations to legalize an
40 inhabited basement dwelling unit or inhabited cellar dwelling unit be
41 accompanied by a certification indicating whether such unit was rented
42 to a tenant on the effective date of this article, notwithstanding
43 whether the occupancy of such unit was authorized by law. A city may not
44 use such certification as the basis for an enforcement action for ille-

46 article shall be construed to limit such city from issuing a vacate
47 order for hazardous or unsafe conditions.

48 2. The local law authorized by this article shall provide that a
49 tenant in occupancy at the time of the effective date of this article,
50 who is evicted or otherwise removed from such unit as a result of an
51 alteration necessary to bring an inhabited basement dwelling unit or
52 inhabited cellar dwelling unit into compliance with the standards estab-
53 lished by the local law authorized by this article, shall have a right
54 of first refusal to return to such unit as a tenant upon its first
55 lawful occupancy as a legal dwelling unit, notwithstanding whether the
56 occupancy at the time of the effective date of this article was author-

1 ized by law. Such local law shall specify how to determine priority when
2 multiple tenants may claim such right.

3 3. A tenant unlawfully denied a right of first refusal to return to a
4 legal dwelling unit, as provided pursuant to the local law authorized by
5 this article, shall have a cause of action in any court of competent
6 jurisdiction for compensatory damages or declaratory and injunctive
7 relief as the court deems necessary in the interests of justice,
8 provided that such compensatory relief shall not exceed the annual
9 rental charges for such legal dwelling unit.

10 § 2. This act shall take effect immediately.

19 the dwelling units upon initial rental and upon each subsequent rental
20 following a vacancy during the large rental project restriction period,
21 are affordable to and restricted to occupancy by individuals or families

26 a memorandum of understanding entered into pursuant to subdivision twen-

28 (d) The applicant shall contract with an independent monitor. Such
29 independent monitor shall submit to the fiscal officer within one year
30 of the completion date, a project-wide certified payroll report. In the
31 event such project-wide certified payroll report is not submitted to the
32 fiscal officer within the requisite time, the applicant shall be subject
33 to a fine of one thousand dollars per week, or any portion thereof;
34 provided that the maximum fine shall be seventy-five thousand dollars.
35 In the event that the wage paid is less than the average hourly wage set
36 pursuant to paragraph (a) or (b) of this subdivision as applicable, the
37 project-wide certified payroll report shall also set forth the amount of
38 such deficiency.

39 (e) The contractor certified payroll report shall be submitted by each
40 contractor and sub-contractor no later than ninety days after the
41 completion of construction work by such contractor or sub-contractor. In
42 the event that a contractor or sub-contractor fails or refuses to submit
43 the contractor certified payroll report within the time prescribed in
44 this paragraph, the independent monitor shall notify the fiscal officer
45 and the fiscal officer shall be authorized to fine such contractor or
46 sub-contractor in an amount set forth by the memorandum of understanding
47 entered into pursuant to subdivision twenty-two of this section,
48 provided that the maximum fine shall not exceed an amount set forth in
49 such memorandum.

50 (f) In the event that the project-wide certified payroll report shows
51 that the wage paid as required by paragraph (a) or (b) of this subdivi-

53 percent of the average hourly wage required pursuant to paragraph (a) or
54 (b) of this subdivision, as applicable, then no later than one hundred
55 twenty days from the date of submission of such project-wide certified
56 payroll report, the applicant shall pay to the third-party fund adminis-

1 trator an amount equal to the amount of the deficiency set forth in the
2 project-wide certified payroll report. The third-party fund administra-
3 tor shall distribute such payment to the construction workers who
4 performed construction work on such eligible site. Prior to making such
5 repayment, the third-party fund administrator shall submit to the fiscal
6 officer a plan subject to the fiscal officer's approval setting forth
7 the manner in which the third-party fund administrator will reach the
8 required average hourly wage within one hundred fifty days of receiving
9 the payment from the applicant and how any remaining funds will be
10 disbursed in the event that the third-party fund administrator cannot
11 distribute the funds to the construction workers within one year of
12 receiving fiscal officer approval. In the event that the applicant fails
13 to make such payment within the time period prescribed in this para-
14 graph, the applicant shall be subject to a fine not to exceed the amount
15 set by the memorandum of understanding entered into pursuant to subdivi-
16 sion twenty-two of this section, provided that the maximum fine shall
17 not exceed the amount set by the memorandum of understanding entered
18 into pursuant to subdivision twenty-two of this section. If the wage
19 paid is more than fifteen percent below the construction wage required
20 pursuant to paragraph (a) or (b) of this subdivision, as applicable,
21 then no later than one hundred twenty days from the date of submission
22 of such project-wide certified payroll report, the applicant shall pay
23 to the third-party fund administrator an amount equal to the amount of
24 the deficiency set forth in the project-wide payroll report. The third-
25 party fund administrator shall distribute such payment to the
26 construction workers who performed construction work on such eligible
27 site. Prior to making such repayment, the third-party fund administrator
28 shall submit to the fiscal officer a plan subject to the fiscal offi-
29 cer's approval setting forth the manner in which the third-party fund
30 administrator will reach the required average hourly wage within one
31 hundred fifty days of receiving the payment from the applicant and how
32 any remaining funds will be disbursed in the event that the third-party
33 fund administrator cannot distribute the funds to the construction work-
34 ers within one year of receiving fiscal officer approval. In addition,
35 the fiscal officer shall impose a penalty on the applicant in an amount
36 equal to twenty-five percent of the amount of the deficiency, provided,
37 however, that the fiscal officer shall not impose such penalty where the
38 eligible multiple dwelling has been the subject of a job action which
39 results in a work delay. In the event that the applicant fails to make
40 such payment within the time period prescribed in this paragraph, the
41 applicant shall be subject to a fine not to exceed the amount set by the
42 memorandum of understanding entered into pursuant to subdivision twen-
43 ty-two of this section, provided that the maximum fine shall not exceed
44 the amount set by the memorandum of understanding entered into pursuant
45 subdivision twenty-two of this section. Notwithstanding any provision
46 of this subdivision, the applicant shall not be liable in any respect
47 whatsoever for any payments, fines or penalties related to or resulting
48 from contractor fraud, mistake, or negligence or for fraudulent or inac-
49 curate contractor certified payroll reports or for fraudulent or inaccu-
50 rate project-wide certified payroll reports, provided, however, that
51 payment to the third-party fund administrator in the amount set forth in
52 the project-wide certified payroll report as described in this paragraph
53 shall still be made by the contractor or sub-contractor in the event of
54 underpayment resulting from or caused by the contractor or sub-contrac-
55 tor, and that the applicant will be liable for underpayment to the
56 third-party fund administrator unless the fiscal officer determines, in

1 its sole discretion, that the underpayment was the result of, or caused
2 by, contractor fraud, mistake or negligence and/or for fraudulent or
3 inaccurate contractor certified payroll reports and/or project-wide
4 certified payroll reports. The applicant shall otherwise not be liable
5 in any way whatsoever once the payment to the third-party fund adminis-
6 trator has been made in the amount set forth in the project-wide certi-
7 fied payroll report. Other than the underpayment, which must be paid to
8 the third-party fund administrator, all fines and penalties set forth in
9 this subdivision imposed by the fiscal officer shall be paid to the
10 agency and used by the agency to provide affordable housing.

11 (g) Nothing in this subdivision shall be construed to confer a private
12 right of action to enforce the provisions of this subdivision, provided,
13 however, that this sentence shall not be construed as a waiver of any
14 existing rights of construction workers or their representatives related
15 to wage and benefit collection, wage theft or other labor protections or
16 rights and provided, further, that nothing in this subdivision relieves
17 any obligations pursuant to a collective bargaining agreement.

18 (h) The fiscal officer shall have the sole authority to determine and
19 enforce any liability for underpayment owing to the third-party fund
20 administrator from the applicant and/or the contractor, as a result of
21 contractor fraud, mistake or negligence and/or for fraudulent or inaccu-
22 rate contractor certified payroll reports and/or project-wide certified
23 payroll reports, as set forth in paragraph (e) of this subdivision. The
24 fiscal officer shall expeditiously conduct an investigation and hearing
25 at the New York city office of administrative trials and hearings, shall
26 determine the issues raised thereon and shall make and file an order in
27 his or her office stating such determination and forthwith serve a copy
28 of such order, either personally or by mail, together with notice of
29 filing, upon the parties to such proceedings. The fiscal officer in such
30 an investigation shall be deemed to be acting in a judicial capacity and
31 shall have the right to issue subpoenas, administer oaths and examine
32 witnesses. The enforcement of a subpoena issued under this paragraph
33 shall be regulated by the civil practice law and rules. The filing of
34 such order shall have the full force and effect of a judgment duly dock-
35 eted in the office of the county clerk. The order may be enforced by and
36 in the name of the fiscal officer in the same manner, and with like
37 effect, as that prescribed by the civil practice law and rules for the
38 enforcement of a money judgment.

39 4. In addition to all other requirements set forth in this section, an
40 eligible site must, over the course of the design and construction of
41 such eligible site, make all reasonable efforts to spend on contracts
42 with minority and women owned business enterprises at least twenty-five
43 percent of the total applicable costs, as such enterprises and costs are
44 defined in rules of the agency. Such rules shall set forth required
45 measures with respect to contracts for design and construction that are
46 comparable, to the extent practicable, to the measures used by agencies
47 of the city of New York to enhance minority and women owned business
48 enterprise participation in agency contracts pursuant to applicable law,
49 including section 6-129 of the administrative code of the city of New
50 York.

51 5. Tax payments. In addition to any other amounts payable pursuant to
52 this section, the owner of any eligible site receiving ANNY Program
53 benefits shall pay, in each tax year in which such ANNY Program benefits
54 are in effect, real property taxes and assessments as follows:

55 (a) with respect to each eligible multiple dwelling constructed on
56 such eligible site, real property taxes on the assessed valuation of

1 such land and any improvements thereon in effect during the tax year
2 prior to the commencement date of such eligible multiple dwelling, with-
3 out regard to any exemption from or abatement of real property taxation
4 in effect during such tax year, which real property taxes shall be
5 calculated using the tax rate in effect at the time such taxes are due;
6 and

7 (b) all assessments for local improvements.

8 6. Limitation on benefits for non-residential space. If the aggregate
9 floor area of commercial, community facility and accessory use space in
10 an eligible site, other than parking which is located not more than
11 twenty-three feet above the curb level, exceeds twelve percent of the
12 aggregate floor area in such eligible site, any ANNY Program benefits
13 shall be reduced by a percentage equal to such excess. If an eligible
14 site contains multiple tax lots, the tax arising out of such reduction
15 in ANNY Program benefits shall first be apportioned pro rata among any
16 non-residential tax lots. After any such non-residential tax lots are
17 fully taxable, the remainder of the tax arising out of such reduction in
18 ANNY Program benefits, if any, shall be apportioned pro rata among the
19 remaining residential tax lots.

20 7. Calculation of benefit. Based on the certification of the agency
21 certifying the applicant's eligibility for ANNY Program benefits, the
22 assessors shall certify to the collecting officer the amount of taxes to
23 be exempted.

24 8. Affordability requirements. A rental project shall maintain an
25 affordability percentage at or above the minimum affordability percent-
26 age set forth in regulations promulgated by the agency. The affordable
27 dwelling units within a rental project shall comply with the area median
28 income affordability level or levels set forth pursuant to regulations
29 promulgated by the agency. In setting the affordability percentage and
30 the area median income levels, the agency shall consider the following
31 goals and factors: the production of financially viable, high quality
32 and safe housing, particularly in well-resourced areas with high land
33 acquisition costs, that meet the needs of low and moderate income house-
34 holds and individuals.

35 (a) All rental dwelling units in an eligible multiple dwelling shall
36 share the same common entrances and common areas as market rate units in
37 such eligible multiple dwelling and shall not be isolated to a specific
38 floor or area of an eligible multiple dwelling. Common entrances shall
39 mean any area regularly used by any resident of a rental dwelling unit
40 in the eligible multiple dwelling for ingress and egress from such
41 eligible multiple dwelling.

42 (b) Unless preempted by the requirements of a federal, state or local
43 housing program, either (i) the affordable housing units in an eligible
44 multiple dwelling shall have a unit mix proportional to the market
45 units, or (ii) at least fifty percent of the affordable housing units in
46 an eligible multiple dwelling shall have two or more bedrooms and no
47 more than twenty-five percent of the affordable housing units shall have
48 less than one bedroom.

49 (c) Notwithstanding any provision of rent stabilization to the contra-
50 ry, all affordable housing units shall remain fully subject to rent
51 stabilization both during and subsequent to the small building
52 restriction period or the large building restriction period, as applica-
53 ble.

54 (d) All rent stabilization registrations required to be filed shall
55 contain a designation that specifically identifies affordable housing
56 units created pursuant to this section as "ANNY Program affordable hous-

ing units" and shall contain an explanation of the requirements that apply to all such affordable housing units.

(e) Failure to comply with the provisions of this subdivision that require the creation, maintenance, rent stabilization compliance and occupancy of affordable housing units or for purposes of a homeownership project the failure to comply with the affordable homeownership project requirements shall result in revocation of any ANNY Program benefits for the period of such non-compliance.

(f) Nothing in this section shall (i) prohibit the occupancy of an affordable housing unit by individuals or families whose income at any time is less than the maximum percentage of the area median income, adjusted for family size, specified for such affordable housing unit pursuant to this section, or (ii) prohibit the owner of an eligible site from requiring, upon initial rental or upon any rental following a vacancy, the occupancy of any affordable housing unit by such lower income individuals or families.

(g) Following issuance of a temporary certificate of occupancy and upon each vacancy thereafter, an affordable housing unit shall promptly be offered for rental by individuals or families whose income does not exceed the maximum percentage of the area median income, adjusted for family size, specified for such affordable housing unit pursuant to this section and who intend to occupy such affordable housing unit as their primary residence. An affordable housing unit shall not be (i) rented to a corporation, partnership or other entity, or (ii) held off the market for a period longer than is reasonably necessary to perform repairs needed to make such affordable housing unit available for occupancy.

(h) An affordable housing unit shall not be rented on a temporary, transient or short-term basis. Every lease and renewal thereof for an affordable housing unit shall be for a term of one or two years, at the option of the tenant.

(i) An affordable housing rental unit shall not be converted to cooperative or condominium ownership.

(j) The agency may establish by rule such requirements as the agency deems necessary or appropriate for (i) the marketing of affordable housing units, both upon initial occupancy and upon any vacancy, (ii) monitoring compliance with the provisions of this subdivision, and (iii) the marketing and monitoring of any homeownership project that is granted an exemption pursuant to this subdivision. Such requirements may include, but need not be limited to, retaining a monitor approved by the agency and paid for by the owner.

(k) Notwithstanding any provision of this section to the contrary, a market unit shall not be subject to rent stabilization unless, in the absence of ANNY Program benefits, the unit would be subject to rent stabilization.

9. Building service employees. (a) For the purposes of this subdivision, "applicant" shall mean an applicant for ANNY Program benefits, any successor to such applicant, or any employer of building service employees for such applicant, including, but not limited to, a property management company or contractor.

(b) All building service employees employed by the applicant at the eligible site shall receive the applicable prevailing wage for the duration of the applicable benefit period, regardless of whether such benefits are revoked or terminated.

(c) The fiscal officer shall have the power to enforce the provisions of this subdivision. In enforcing such provisions, the fiscal officer shall have the power:

1 (i) to investigate or cause an investigation to be made to determine
2 the prevailing wages for building service employees; in making such
3 investigation, the fiscal officer may utilize wage and fringe benefit
4 data from various sources, including, but not limited to, data and
5 determinations of federal, state or other governmental agencies,
6 provided, however, that the provision of a dwelling unit shall not be
7 considered wages or a fringe benefit;

8 (ii) to institute and conduct inspections at the site of the work or
9 elsewhere;

10 (iii) to examine the books, documents and records pertaining to the
11 wages paid to, and the hours of work performed by, building service
12 employees;

13 (iv) to hold hearings and, in connection therewith, to issue subpoe-
14 nas, administer oaths and examine witnesses; the enforcement of a
15 subpoena issued under this subdivision shall be regulated by the civil
16 practice law and rules;

17 (v) to make a classification by craft, trade or other generally recog-
18 nized occupational category of the building service employees and to
19 determine whether such work has been performed by the building service
20 employees in such classification;

21 (vi) to require the applicant to file with the fiscal officer a record
22 of the wages actually paid by such applicant to the building service
23 employees and of their hours of work;

24 (vii) to delegate any of the foregoing powers to his or her deputy or
25 other authorized representative;

26 (viii) to promulgate rules as he or she shall consider necessary for
27 the proper execution of the duties, responsibilities and powers
28 conferred upon him or her by the provisions of this paragraph; and

29 (ix) to prescribe appropriate sanctions for failure to comply with the
30 provisions of this subdivision. For each violation of paragraph (b) of
31 this subdivision, the fiscal officer may require the payment of: (A)
32 back wages and fringe benefits; (B) liquidated damages up to three times
33 the amount of the back wages and fringe benefits for willful violations;
34 and/or (C) reasonable attorney's fees. If the fiscal officer finds that
35 the applicant has failed to comply with the provisions of this subpara-
36 graph, he or she shall present evidence of such non-compliance to the
37 agency.

38 (d) Paragraph (b) of this subdivision shall not be applicable to:

39 (i) an eligible multiple dwelling containing less than thirty dwelling
40 units; or

41 (ii) an eligible multiple dwelling in which all of the dwelling units
42 are affordable housing units and not less than fifty percent of such
43 affordable housing units, upon initial rental and upon each subsequent
44 rental following a vacancy are affordable to and restricted to occupancy
45 by individuals or families whose household income does not exceed ninety
46 percent of the area median income, adjusted for family size, at the time
47 that such household initially occupies such dwelling unit.

48 (e) The applicant shall submit a sworn affidavit with its application,
49 and annually thereafter, certifying that it shall comply with the
50 requirements of this subdivision.

51 (f) The agency shall annually publish a list of all eligible sites
52 subject to the requirements of this paragraph and the affidavits
53 required pursuant to paragraph (e) of this subdivision.

54 10. Replacement ratio. If the land on which an eligible site is
55 located contained any dwelling units three years prior to the commence-
56 ment date of the first eligible multiple dwelling thereon, then such

1 eligible multiple dwelling or dwellings built thereon shall contain at
2 least one affordable housing unit for each dwelling unit that existed on
3 such date and was thereafter demolished, removed or reconfigured.

4 11. Concurrent exemptions or abatements. An eligible multiple dwelling
5 receiving ANNY Program benefits shall not receive any exemption from or
6 abatement of real property taxation under any other law.

7 12. Voluntary renunciation or termination. Notwithstanding the
8 provisions of any general, special or local law to the contrary, an
9 owner shall not be entitled to voluntarily renounce or terminate ANNY
10 Program benefits unless the agency authorizes such renunciation or
11 termination in connection with the commencement of a new tax exemption
12 pursuant to either the private housing finance law or section four
13 hundred twenty-c of this title.

14 13. Termination or revocation. The agency may terminate or revoke ANNY
15 Program benefits for noncompliance with this section; provided, however,
16 that the agency shall not terminate or revoke ANNY Program benefits for
17 a failure to comply with subdivision three of this section. If an appli-
