STATE OF NEW YORK

8902

IN ASSEMBLY

January 26, 2024

Introduced by M. of A. CUNNINGHAM -- read once and referred to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to owner liability for failure of an operator to comply with street cleaning-related local law or traffic regulations; to amend the public officers law, in relation to access to records prepared pursuant to street cleaning-related local law or traffic regulation restrictions; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 1111-h to read as follows:

§ 1111-h. Owner liability for failure of operator to comply with street cleaning-related traffic regulations. (a) 1. Notwithstanding any other provision of law, the city of New York is hereby authorized and empowered to establish a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with street cleaning-related traffic regulations, in accordance with the provisions of this section. The New York city department of transportation and/or the New York city department of sanitation, for purposes of the implementation of such program, shall operate street cleaning-related photo devices that may be stationary or mobile and shall be activated at locations determined by such department of transportation and/or on street cleaning vehicles selected by such department of transportation in consultation with the New York city department of sanitation.

2. Any photographs, microphotographs, videotape or other recorded images captured by street cleaning-related photo devices shall be inadmissible in any disciplinary proceeding convened by the department of sanitation or any subsidiary thereof and any proceeding initiated by the department involving licensure privileges of street cleaning vehicle operators. Any mobile street cleaning-related photo device mounted on a street cleaning vehicle shall be directed outwardly from such vehicle to capture images of vehicles operated in violation of street cleaning-re-

lated traffic regulations, and images produced by such device shall not be used for any other purpose in the absence of a court order requiring such images to be produced.

3. (i) The city of New York shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a street cleaning-related photo device. Such measures shall include:

(A) utilization of necessary technologies to ensure, to the extent practicable, that photographs, microphotographs, videotape or other recorded images produced by such street cleaning-related photo devices shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because such a photograph, microphotograph, videotape or other recorded image allows for the identification of the driver, the passengers, or the contents of a vehicle where the city shows that it made reasonable efforts to comply with the provisions of this paragraph in such case;

(B) the installation of signage that is clearly visible to drivers at regular intervals along and adjacent to roadways upon which mobile and/or stationary street cleaning-related photo devices are operated pursuant to a demonstration program authorized pursuant to this section stating that mobile and/or stationary street cleaning-related photo devices are used to enforce street cleaning-related traffic regulations, in conformance with standards established in the MUTCD; and

(C) oversight procedures to ensure compliance with the privacy protection measures under this subdivision.

(ii) Photographs, microphotographs, videotape or any other recorded image from a street cleaning-related photo device shall be for the exclusive use of the city of New York for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by such city upon the final resolution of the notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later. Notwithstanding the provisions of any other law, rule or regulation to the contrary, photographs, microphotographs, videotape or any other recorded image from a street cleaning-related photo device shall not be open to the public, nor subject to civil or criminal process or discovery, nor used by any court or administrative or adjudicatory body in any action or proceeding therein except that which is necessary for the adjudication of a notice of liability issued pursuant to this section, and no public entity or employee, officer or agent thereof shall disclose such information, except that such photographs, microphotographs, videotape or any other recorded images from such systems:

(A) shall be available for inspection and copying and use by the motor vehicle owner and operator for so long as such photographs, microphotographs, videotape or other recorded images are required to be maintained or are maintained by such public entity, employee, officer or agent; and

(B) (1) shall be furnished when described in a search warrant issued by a court authorized to issue such a search warrant pursuant to article six hundred ninety of the criminal procedure law or a federal court authorized to issue such a search warrant under federal law, where such search warrant states that there is reasonable cause to believe such information constitutes evidence of, or tends to demonstrate that, a misdemeanor or felony offense was committed in this state or another

state, or that a particular person participated in the commission of a misdemeanor or felony offense in this state or another state, provided, however, that if such offense was against the laws of another state, the court shall only issue a warrant if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony against the laws of this state; and

(2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the prosecution, or the defense, or the investigation by an authorized law enforcement official, of the alleged commission of a misdemeanor or felony in this state or another state, provided, however, that if such offense was against the laws of another state, such judge or magistrate shall only issue such subpoena if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony in this state; and

(3) may, if lawfully obtained pursuant to this clause and clause (A) of this subparagraph and otherwise admissible, be used in such criminal action or proceeding.

(iii) The demonstration program authorized pursuant to this section is prohibited from utilizing and from arranging for the utilization of biometric identifying technology, including but not limited to facial recognition technology, for any purpose. The use, and the arrangement for the use, of biometric identifying technology, including but not limited to facial recognition technology, on photographs, microphotographs, videotape, or any other recorded image or data produced by a street cleaning-related photo device, by any person for any purpose, are prohibited. For purposes of this subparagraph, "person" shall include, but not be limited to, a human being, a public or private corporation, an unincorporated association, a partnership, a government or a governmental instrumentality, a court or an administrative or adjudicatory body, and any employee, officer, and agent of the foregoing.

(iv) Every street cleaning vehicle upon which a mobile street cleaning-related photo device is installed and operated pursuant to a demonstration program authorized pursuant to this section shall be equipped with signs, placards or other displays giving notice to approaching motor vehicle operators that street cleaning-related photo devices are used to enforce street cleaning-related traffic regulations.

(b) Warning notices of violation shall be issued during the first sixty days that street cleaning-related photo devices pursuant to a demonstration program authorized by this section are active and in operation.

(c) If the city of New York has established a demonstration program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of any street cleaning-related traffic regulations and such violation is evidenced by information obtained from a street cleaning-related photo device; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of such street cleaning-related traffic regulation.

(d) For purposes of this section the following terms shall have the following meanings:

1. "owner" shall have the meaning provided in article two-B of this chapter.

2. "street cleaning-related photo device" shall mean a device that is capable of operating independently of an enforcement officer and produces one or more images of each vehicle at the time it is in violation of a street cleaning-related traffic regulation.

3. "street cleaning-related traffic regulations" shall mean the following provisions set forth in chapter four of title thirty-four of the rules of the city of New York, adopted pursuant to section sixteen hundred forty-two of this chapter: 4-08(d)(1), violation of posted no parking rules prohibited.

4. "manual on uniform traffic control devices" or "MUTCD" shall mean the manual and specifications for a uniform system of traffic control devices maintained by the commissioner of transportation pursuant to section sixteen hundred eighty of this chapter.

5. "biometric identifying technology" shall mean any tool using an automated or semi-automated process that assists in verifying a person's identity based on a person's biometric information.

6. "biometric information" shall mean any measurable physical, physiological or behavioral characteristics that are attributable to a person, including but not limited to facial characteristics, fingerprint characteristics, hand characteristics, eye characteristics, vocal characteristics, and any other characteristics that can be used to identify a person including, but not limited to: fingerprints; handprints; retina and iris patterns; DNA sequence; voice; gait; and facial geometry.

7. "facial recognition" shall mean any tool using an automated or semi-automated process that assists in uniquely identifying or verifying a person by comparing and analyzing patterns based on the person's face.

(e) A certificate, sworn to or affirmed by a technician employed by the city of New York in which the charged violation occurred, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a street cleaning-related photo device, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to this section.

(f) An owner liable for a violation of a street cleaning-related traffic regulation pursuant to a demonstration program established pursuant to this section shall be liable for monetary penalties in accordance with a schedule of fines and penalties to be promulgated by the parking violations bureau of the city of New York. The liability of the owner pursuant to this section shall not exceed fifty dollars for a first violation, one hundred dollars for a second violation within a twelve-month period, one hundred fifty dollars for a third violation within a twelve-month period, two hundred dollars for a fourth violation within a twelve-month period, and two hundred fifty dollars for each subsequent violation within a twelve-month period; provided, however, that an owner shall be liable for an additional penalty not to exceed twenty-five dollars for each violation for the failure to respond to a notice of liability within the prescribed time period.

(g) An imposition of liability under the demonstration program established pursuant to subdivision (a) of this section shall not be deemed a conviction of an operator and shall not be made part of the operating

record of the person upon whom such liability is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

(h) 1. A notice of liability shall be sent by first class mail to each person alleged to be liable as an owner for a violation of a street cleaning-related traffic regulation. Personal delivery to the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of a street cleaning-related traffic regulation, the registration number of the vehicle involved in such violation, the location where such violation took place including the street address or cross streets, one or more images identifying the violation, the date and time of such violation, the identification number of the street cleaning-related photo device which recorded the violation or other document locator number, and whether the device was stationary or mobile. If the street cleaning-related photo device was mobile, an identity of the vehicle containing such street cleaning-related photo device shall be included in the notice.

3. The notice of liability shall contain information advising the persons charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by the agency or agencies designated by the city of New York, or any other entity authorized by such city to prepare and mail such notice of liability.

(i) Adjudication of the liability imposed upon owners by this section shall be conducted by the New York city parking violations bureau.

(j) If an owner of a vehicle receives a notice of liability pursuant to this section for any time period during which such vehicle was reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of a street cleaning-related traffic regulation pursuant to this section that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the parking violations bureau of such city.

(k) 1. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to subdivision (h) of this section shall not be liable for the violation of a street cleaning-related traffic regulation, provided that:

(i) prior to the violation, the lessor has filed with such parking violations bureau in accordance with the provisions of section two hundred thirty-nine of this chapter; and

(ii) within thirty-seven days after receiving notice from such parking violations bureau of the date and time of a liability, together with the other information contained in the original notice of liability, the lessor submits to such bureau the correct name and address of the lessee of the vehicle identified in the notice of liability at the time of such violation, together with such other additional information contained in

the rental, lease or other contract document, as may be reasonably required by such bureau pursuant to regulations that may be promulgated for such purpose.

2. Failure to comply with subparagraph (ii) of paragraph one of this subdivision shall render the lessor liable for the penalty prescribed in this section.

3. Where the lessor complies with the provisions of paragraph one of this subdivision, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section, shall be subject to liability for such violation pursuant to this section and shall be sent a notice of liability pursuant to subdivision (h) of this section.

(l) 1. If the owner liable for a violation of a street cleaning-related traffic regulation pursuant to this section was not the operator of the vehicle at the time of such violation, the owner may maintain an action for indemnification against the operator.

2. Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator failed to obey a street cleaning-related traffic regulation. For purposes of this subdivision there shall be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator failed to obey a street cleaning-related traffic regulation.

(m) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of a street cleaning-related traffic regulation.

(n) If the city of New York adopts a demonstration program pursuant to subdivision (a) of this section, such city shall submit a report on the results of the use of street cleaning-related photo devices to the governor, the temporary president of the senate, and the speaker of the assembly by April first, two thousand twenty-six and every two years thereafter. The city of New York shall also make such reports available on its public-facing websites, provided that it may provide aggregate data from paragraph one of this subdivision if the city finds that publishing specific location data would jeopardize public safety. Such report shall include, but not be limited to:

1. a description of the locations and/or street cleaning vehicles where street cleaning-related photo devices were used;

2. the total number of violations recorded on a monthly and annual basis;

3. the total number of notices of liability issued;

4. the number of fines and total amount of fines paid after the first notice of liability;

5. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made;

6. the total amount of revenue realized by such city;

7. the quality of the adjudication process and its results;

8. the total number of cameras by type of camera used; and

9. the total cost to such city.

(o) Any revenue from fines and penalties collected from any mobile street cleaning-related photo devices, shall be remitted by the city of New York to be deposited in any fund related to funding the department of sanitation.

(p) It shall be a defense to any prosecution for a violation of a street cleaning-related traffic regulation pursuant to a demonstration program adopted pursuant to subdivision (a) of this section that such street cleaning-related photo devices were malfunctioning at the time of the alleged violation.

§ 2. Subdivision 1 of section 235 of the vehicle and traffic law, as amended by section 2 of part MM of chapter 56 of the laws of 2023, is amended to read as follows:

1. Notwithstanding any inconsistent provision of any general, special or local law or administrative code to the contrary, in any city which heretofore or hereafter is authorized to establish an administrative tribunal: (a) to hear and determine complaints of traffic infractions constituting parking, standing or stopping violations, or (b) to adjudicate the liability of owners for violations of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter, or (c) to adjudicate the liability of owners for violations of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (d) to adjudicate the liability of owners for violations of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter, or (e) to adjudicate the liability of owners for violations of toll collection regulations imposed by certain public authorities pursuant to the law authorizing such public authorities to impose monetary liability on the owner of a vehicle for failure of an operator thereof to comply with toll collection regulations of such public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty, or (f) to adjudicate the liability of owners for violations of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter, or (g) to adjudicate the liability of owners for violations of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof

to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter, or (h) to adjudicate the liability of owners for violations of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (i) to adjudicate the liability of owners for violations of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter, **or (j) to adjudicate the liability of owners for violations of street cleaning-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such street cleaning-related traffic regulations through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter,** such tribunal and the rules and regulations pertaining thereto shall be constituted in substantial conformance with the following sections.

§ 3. Subdivision 1 of section 236 of the vehicle and traffic law, as amended by section 3 of part MM of chapter 56 of the laws of 2023, is amended to read as follows:

1. Creation. In any city as hereinbefore or hereafter authorized such tribunal when created shall be known as the parking violations bureau and shall have jurisdiction of traffic infractions which constitute a parking violation and, where authorized: (a) to adjudicate the liability of owners for violations of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter, or (b) to adjudicate the liability of owners for violations of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (c) to adjudicate the liability of owners for violations of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter, or (d) to adjudicate the liability of owners for violations of toll collection regulations imposed by certain public authorities pursuant to the law authorizing such public authorities to impose monetary liability on the

owner of a vehicle for failure of an operator thereof to comply with toll collection regulations of such public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty, or (e) to adjudicate the liability of owners for violations of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter, or (f) to adjudicate the liability of owners for violations of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter, or (g) to adjudicate the liability of owners for violations of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (h) to adjudicate the liability of owners for violations of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**, or (i) to adjudicate the liability of owners for violations of street cleaning-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such street cleaning-related traffic regulations through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter**. Such tribunal, except in a city with a population of one million or more, shall also have jurisdiction of abandoned vehicle violations. For the purposes of this article, a parking violation is the violation of any law, rule or regulation providing for or regulating the parking, stopping or standing of a vehicle. In addition for purposes of this article, "commissioner" shall mean and include the commissioner of traffic of the city or an official possessing authority as such a commissioner.

§ 4. Paragraph f of subdivision 1 of section 239 of the vehicle and traffic law, as amended by section 4 of part MM of chapter 56 of the laws of 2023, is amended to read as follows:

f. "Notice of violation" means a notice of violation as defined in subdivision nine of section two hundred thirty-seven of this article, but shall not be deemed to include a notice of liability issued pursuant to authorization set forth in articles ten, twenty-four, twenty-nine and thirty of this chapter, section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty to impose monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; or to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; or to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; or to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; or to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; or to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**; or to comply with street cleaning-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter**.

§ 5. Subdivisions 1, 1-a and the opening subparagraph of paragraph (a) of subdivision 1-b of section 240 of the vehicle and traffic law, as amended by section 5 of part MM of chapter 56 of the laws of 2023, are amended to read as follows:

1. The hearing examiner shall make a determination on the charges, either sustaining or dismissing them. Where the hearing examiner determines that the charges have been sustained he or she may examine either the prior parking violations record or the record of liabilities incurred in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred

eighty-five of this chapter and the rules of the department of transportation of the city of New York through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**; or to comply with street cleaning-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter**, of the person charged, as applicable prior to rendering a final determination. Final determinations sustaining or dismissing charges shall be entered on a final determination roll maintained by the bureau together with records showing payment and nonpayment of penalties.

2. Where an operator or owner fails to enter a plea to a charge of a parking violation or contest an allegation of liability in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**; or to**

comply with street cleaning-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter, or fails to appear on a designated hearing date or subsequent adjourned date or fails after a hearing to comply with the determination of a hearing examiner, as prescribed by this article or by rule or regulation of the bureau, such failure to plead or contest, appear or comply shall be deemed, for all purposes, an admission of liability and shall be grounds for rendering and entering a default judgment in an amount provided by the rules and regulations of the bureau. However, after the expiration of the original date prescribed for entering a plea and before a default judgment may be rendered, in such case the bureau shall pursuant to the applicable provisions of law notify such operator or owner, by such form of first class mail as the commission may direct; (1) of the violation charged, or liability alleged in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter; or to comply with street cleaning-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York

through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter, (2) of the impending default judgment, (3) that such judgment will be entered in the Civil Court of the city in which the bureau has been established, or other court of civil jurisdiction or any other place provided for the entry of civil judgments within the state of New York, and (4) that a default may be avoided by entering a plea or contesting an allegation of liability in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter; or to comply with street cleaning-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter; or making an appearance within thirty days of the sending of such notice. Pleas entered and allegations contested within that period shall be in the manner prescribed in the notice and not subject to additional penalty or fee. Such notice of impending default judgment shall not be required prior to the rendering and entry thereof in the case of operators or owners who are non-residents of the state of New York. In no case shall a default judgment be rendered or, where required, a notice

of impending default judgment be sent, more than two years after the expiration of the time prescribed for entering a plea or contesting an allegation. When a person has demanded a hearing, no fine or penalty shall be imposed for any reason, prior to the holding of the hearing. If the hearing examiner shall make a determination on the charges, sustaining them, he or she shall impose no greater penalty or fine than those upon which the person was originally charged.

§ 8. Subparagraph (i) of paragraph a of subdivision 5-a of section 401 of the vehicle and traffic law, as amended by section 8 of part MM of chapter 56 of the laws of 2023, is amended to read as follows:

(i) If at the time of application for a registration or renewal thereof there is a certification from a court, parking violations bureau, traffic and parking violations agency or administrative tribunal of appropriate jurisdiction that the registrant or his or her representative failed to appear on the return date or any subsequent adjourned date or failed to comply with the rules and regulations of an administrative tribunal following entry of a final decision in response to a total of three or more summonses or other process in the aggregate, issued within an eighteen month period, charging either that: (i) such motor vehicle was parked, stopped or standing, or that such motor vehicle was operated for hire by the registrant or his or her agent without being licensed as a motor vehicle for hire by the appropriate local authority, in violation of any of the provisions of this chapter or of any law, ordinance, rule or regulation made by a local authority; or (ii) the registrant was liable for a violation of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; or (iii) the registrant was liable for a violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or (iv) the registrant was liable for a violation of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; or (v) the registrant was liable for a violation of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; or (vi) the registrant was liable for a violation of section three hundred eighty-five of this chapter and the rules of the department of transportation of the city of New York in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the

owner of a vehicle for failure of an operator thereof to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; or (vii) the registrant was liable for a violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter[~~.~~]; or (viii) the registrant was liable for a violation of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter[~~.~~]; or (ix) the registrant was liable for a violation of street cleaning-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such street cleaning-related traffic regulations through the installation and operation of street cleaning-related photo devices, in accordance with article twenty-four of this chapter, the commissioner or his or her agent shall deny the registration or renewal application until the applicant provides proof from the court, traffic and parking violations agency or administrative tribunal wherein the charges are pending that an appearance or answer has been made or in the case of an administrative tribunal that he or she has complied with the rules and regulations of said tribunal following entry of a final decision. Where an application is denied pursuant to this section, the commissioner may, in his or her discretion, deny a registration or renewal application to any other person for the same vehicle and may deny a registration or renewal application for any other motor vehicle registered in the name of the applicant where the commissioner has determined that such registrant's intent has been to evade the purposes of this subdivision and where the commissioner has reasonable grounds to believe that such registration or renewal will have the effect of defeating the purposes of this subdivision. Such denial shall only remain in effect as long as the summonses remain unanswered, or in the case of an administrative tribunal, the registrant fails to comply with the rules and regulations following entry of a final decision.

§ 9. Subdivision 1-a of section 1809 of the vehicle and traffic law, as amended by section 9 of part MM of chapter 56 of the laws of 2023, is amended to read as follows:

1-a. Notwithstanding the provisions of subdivision one of this section, the provisions of subdivision one of this section shall not apply to an adjudication of liability of owners: (a) for violations of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; or (b) for violations of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty
