

STATE OF NEW YORK

8990

IN ASSEMBLY

January 31, 2024

Introduced by M. of A. WEPRIN -- read once and referred to the Committee on Correction

AN ACT to amend the public health law, in relation to body imaging scanning equipment; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3502 of the public health law is amended by adding
2 a new subdivision 7 to read as follows:

3 7. (a) (i) Notwithstanding the provisions of this section or any other
4 provision of law, rule or regulation to the contrary, licensed practi-
5 tioners, persons licensed under this article and unlicensed personnel
6 employed at a correctional facility may, in a manner permitted by the
7 regulations promulgated pursuant to this subdivision, utilize body imag-
8 ing scanning equipment that applies ionizing radiation to humans for
9 purposes of screening incarcerated individuals committed to such facili-
10 ty, in connection with the implementation of such facility's security
11 program.

12 (ii) The utilization of such body imaging scanning equipment shall be
13 in accordance with regulations promulgated by the department.

14 (b) Prior to establishing, maintaining or operating in a correctional
15 facility any body imaging scanning equipment, the chief administrative
16 officer of the facility shall ensure that such facility is in compliance
17 with the regulations promulgated pursuant to this subdivision and other-
18 wise applicable requirements for the installation, registration, mainte-
19 nance, operation and inspection of body imaging scanning equipment.

20 (c) The regulations promulgated pursuant to subparagraph (ii) of para-
21 graph (a) of this subdivision shall include, but not be limited to:

22 (i) A requirement that prior to operating body imaging scanning equip-
23 ment, unlicensed personnel employed at correctional facilities shall
24 have successfully completed a training course approved by the department
25 and that such personnel receive additional training on an annual basis;

26 (ii) Limitations on exposure which shall be no more than fifty percent
27 of the annual exposure limits for non-radiation workers as specified by

1 applicable regulations, except that incarcerated individuals under the
2 age of eighteen shall not be subject to more than five percent of such
3 annual exposure limits, and pregnant women shall not be subject to such
4 scanning at any time. Procedures for identifying pregnant women shall be
5 set forth in the regulations;

6 (iii) Registration with the department of each body imaging scanning
7 machine purchased or installed at a correctional facility;

8 (iv) Inspection and regular reviews of the use of body imaging scan-
9 ning equipment by the department, as applicable; and

10 (v) A requirement that records be kept regarding each use of body
11 imaging scanning equipment by the correctional facility.

12 (d) For the purpose of this subdivision, "body imaging scanning equip-
13 ment" or "equipment" means equipment that utilizes a low dose of ioniz-
14 ing radiation to produce an anatomical image capable of detecting
15 objects placed on, attached to or secreted within a person's body.

16 (e) For the purposes of this subdivision, "correctional facility"
17 shall have the same meaning as found in subdivision four of section two
18 of the correction law.

19 (f) The department of corrections shall submit an annual report
20 regarding the utilization of body imaging scanning equipment in correc-
21 tional facilities to the department, the speaker of the assembly, and
22 the temporary president of the senate. Such report shall be submitted
23 within eighteen months after the initial date of registration of such
24 equipment with the department, and annually thereafter, and shall
25 contain the following information as to each such facility:

26 (i) the number of times the equipment was used on incarcerated indi-
27 viduals upon intake, after visits, and upon the suspicion of contraband,
28 as well as any other event that triggers the use of such equipment;

29 (ii) the average, median, and highest number of times the equipment
30 was used on any incarcerated individual, with corresponding exposure
31 levels;

32 (iii) the number of times the use of the equipment detected the pres-
33 ence of drug contraband, weapon contraband, and any other illegal or
34 impermissible object or substance;

35 (iv) incidents or any injuries or illness resulting from the use of
36 such equipment or reported by persons scanned by such equipment; and

37 (v) any other information the department may reasonably require.

38 § 2. This act shall take effect on the one hundred twentieth day after
39 it shall have become a law and shall expire and be deemed repealed five
40 years after such effective date. Effective immediately, the addition,
41 amendment and/or repeal of any rule or regulation necessary for the
42 implementation of this act on its effective date are authorized to be
43 made and completed on or before such effective date.
