STATE OF NEW YORK

9037

IN ASSEMBLY

February 5, 2024

Introduced by M. of A. WILLIAMS -- read once and referred to the Committee on Energy

AN ACT in relation to directing the New York state energy research and development authority to establish a pilot program to install a microgrid in Glenwood Houses

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. 1. No later than one hundred eighty days after the effective date of this act, the New York state energy research and development authority shall establish, within amounts appropriated therefor, a pilot program to install a microgrid in Glenwood Houses in Kings county. Such microgrid shall be used for local energy production and distribution which can function independently if disconnected from the main electricity grid or a supplement for peaks in demand. The microgrid shall be powered by renewable energy sources including but not limited to solar panels, hydrogen or wind, and energy efficient generators which shall be combined with energy storage units such as batteries with low environmental impacts.

2. The authority shall provide an annual report on or before the first day of January to the governor, the temporary president of the senate and the speaker of the assembly, on the pilot program and any recommendations for expansion of such pilot program.

§ 2. This act shall take effect on the thirtieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
