2. "Companion animal" shall have the same meaning as defined by section three hundred fifty of this chapter.

3. "Authorized agent" means any police officer, or agent or officer of any duly incorporated society for the prevention of cruelty to animals pursuant to section three hundred seventy-three of this chapter.

4. "Impounding organization" shall mean any municipal pound or shelter, duly incorporated society for the prevention of cruelty to animals or duly incorporated humane society.

§ 442. Jurisdiction; courts; venue. 1. A special proceeding to ensure proper care or seizure of a companion animal shall be maintained in the supreme court.

2. The place of the special proceeding shall be within the jurisdictional area of the court where such companion animal thereof is situated.

§ 443. Notice of mistreated companion animal. If an authorized agent has reason to believe that a companion animal has been or is being mistreated or not properly cared for, such authorized agent may notify the owner or caretaker, in writing, of such owner or caretaker's duty to provide certain care, including but not limited to, proper shelter, food, water or veterinary care to such companion animal at the owner's or caretaker's expense and within a time period determined by such authorized agent's discretion.

§ 444. Emergency powers. 1. If such owner or caretaker fails to provide care to such companion animal and such companion animal remains mistreated or not cared for after receiving notice and within the time period determined by such authorized agent, an authorized agent may immediately petition the court for an ex-parte emergency care and inspection order.

2. An emergency care and inspection order shall be immediately issued upon a showing of probable cause that such companion animal has been or is being mistreated or not properly cared for.

3. Such order shall require the owner or caretaker to provide care to such companion animal and allow an authorized agent to enter onto the premises where such companion animal is being kept to ensure such companion animal is receiving necessary food, water, shelter and care.

4. An ex-parte emergency care and inspection order issued pursuant to this section shall be effective upon service, in accordance with section three hundred eight of the civil practice law and rules, and shall:

(a) provide specific details of such mistreatment or failure to provide proper care to such companion animal and direct such owner or caretaker to take corrective action;

(b) allow an authorized agent and licensed veterinarian at the direction of such authorized agent to inspect such companion animal to ensure compliance with the order to provide care;

(c) prohibit such owner or caretaker from interfering with such inspection by the authorized agent or veterinarian;

(d) prohibit an owner or caretaker from transferring ownership of such companion animal;

(e) prohibit an owner or caretaker from euthanizing such companion animal without first seeking and obtaining permission of the court on a showing that such procedure is to prevent undue suffering or physical pain to such companion animal; and

(f) allow a veterinarian to examine such companion animal at least twenty-four hours prior to such animal care hearing.

5. Upon issuance of an emergency care and inspection order, the court shall set a time within ten calendar days of the date of issuance for an

1 animal care hearing pursuant to section four hundred forty-five of this
2 article, to determine whether such companion animal has been mistreated
3 or not properly cared for. The date and time for the scheduled hearing
4 shall be noted within such order, or as an attachment to such order.

5 6. Such emergency care and inspection order and notice of animal care
6 hearing shall be provided within at least five days prior to the sched-
7 uled animal care hearing and served in accordance with section three
8 hundred eight of the civil practice law and rules. If such owner or
9 caretaker is not known, the emergency care and inspection order and
10 notice of animal care hearing may be affixed to such premises where such
11 companion animal was located.

12 § 445. Animal care hearing. 1. In a proceeding to determine whether
13 such companion animal has been or is being mistreated or not properly
14 cared for, and that such owner is unable to or unwilling to provide
15 immediate and continued proper care for such companion animal, the court
16 may consider the following:

17 (a) testimony from the authorized agent and other witnesses as to the
18 condition of such companion animal;

19 (b) testimony from the authorized agent and other witnesses as to the
20 conditions under which such companion animal was kept;

21 (c) evidence as to any veterinary and behavioral care provided to such
22 companion animal;

23 (d) testimony from witnesses as to the prior treatment or condition of
24 such companion animal or other companion animals in the owner or care-
25 taker's custody;

26 (e) prior convictions of statutes prohibiting cruelty to animals; and

27 (f) any evidence the court deems material or relevant.

28 2. The authorized agent shall have the burden to prove, by a prepon-
29 derance of the evidence, that such companion animal was mistreated or
30 not properly cared for, and that such owner or caretaker is unable or
31 unwilling to provide immediate and continued proper care for such
32 companion animal. The owner or caretaker shall have the right to a full
33 defense including, but not limited to, the right to cross-examine
34 witnesses and to present witnesses and evidence.

35 3. If the court determines that such owner or caretaker of the compan-
36 ion animal is unable or unwilling to provide adequate care for the
37 companion animal and that the companion animal was mistreated or not
38 properly cared for, the court shall order the immediate forfeiture such
39 companion animal that has been the subject of the hearing to the author-
40 ized agent. The court shall also enjoin the owner or caretaker's further
41 possession, custody, or ownership of such other companion animals for a
42 time determined by the court to be reasonable.

43 (a) Upon an order of forfeiture pursuant to this subdivision, the
44 authorized agent may deliver such companion animal to an impounding
45 organization for adoption or other disposition pursuant to section three
46 hundred seventy-four of this chapter.

47 (b) Any order of forfeiture pursuant to this section shall identify a
48 supersedeas bond amount based on the reasonable cost to care for the
49 companion animal subject to the order of forfeiture, to be paid by the
50 owner or caretaker. Reasonable costs of care shall be determined based
51 on testimony provided at the animal care hearing and shall be calculated
52 based on the total number of animal or animals and the reasonable daily
53 cost of care for such animal or animals for, at minimum, a period of one
54 hundred eighty days.

55 4. If the court determines that such owner or caretaker of the compan-
56 ion animal has provided and will continue to provide adequate care for

1 the companion animal that has been the subject of the order to provide
2 care, or that the companion animal was not mistreated or not properly
3 cared for as set forth in the emergency order, the court shall vacate
4 the order to provide care. Vacatur pursuant to this subdivision shall
5 not preclude the court from entering an order to provide care in the
6 future.

7 5. A finding in a court of competent jurisdiction that the owner or
8 caretaker of the animal is guilty of an offense brought pursuant to this
9 article relating to the companion animal that is the subject of the
10 animal care hearing is prima facie evidence that such companion animal
11 has been mistreated or not properly cared for.

12 § 446. Appeal. 1. An appeal may be taken to the appellate division as
13 of right, originating in the supreme court from where the order of
14 forfeiture was issued. As a condition of perfecting such appeal, the
15 owner or caretaker shall file a notice of appeal and pay such superse-
16 deas bond set by the court, not later than ten calendar days after the
17 date the order of forfeiture was issued.

18 2. Any appeal filed with the appellate division of the supreme court
19 shall be perfected within thirty days following the date of the order of
20 forfeiture.

21 3. A hearing on such appeal shall be heard within thirty calendar days
22 after such appeal is perfected unless a continuance is mutually agreed
23 upon the parties. If a continuance is granted, the owner or caretaker of
24 such forfeited companion animal shall pay a second supersedeas bond in
25 the amount ordered by the appellate division.

26 4. The filing of such appeal shall not prevent the removal of a
27 forfeited companion animal from such owner or caretaker's possession by
28 the authorized agent. However, if such supersedeas bond has been paid
29 under subdivision one of this section, such companion animal or animals
30 may not be adopted or otherwise disposed of, except under circumstances
31 which would require the humane euthanasia of such companion animal to
32 prevent undue suffering or physical pain, or where such companion animal
33 poses a severe and immediate danger to itself, people or other animals.

34 § 447. Construction with other laws. Nothing in this article shall be
35 construed to (a) limit or restrict agents or officers of societies for
36 the prevention of cruelty to animals or any police officer from enforc-
37 ing other provisions of article twenty-six of this chapter or any other
38 law relating to the humane treatment of, or cruelty to, animals, or (b)
39 prevent a dog control officer or peace officer, acting pursuant to the
40 officer's special duties, or police officer in the employ of or under
41 contract to a municipality from seizing any dog pursuant to article
42 seven of this chapter. Relief pursuant to this section shall not be
43 stayed or continued due to the filing of criminal charges involving or
44 otherwise relating to such companion animals that are subject of the
45 emergency care and inspection order and animal care hearing.

46 § 2. This act shall take effect on the one hundred twentieth day after
47 it shall have become a law.
