AN ACT to amend the education law, in relation to registered pharmacy technicians

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. Subdivision 1 of section 6841 of the education law, as added by chapter 414 of the laws of 2019, is amended to read as follows:

1. A registered pharmacy technician may, under the direct [~~personal~~] supervision of a licensed pharmacist, assist such licensed pharmacist, as directed, in compounding, preparing, labeling, or dispensing of drugs used to fill valid prescriptions or medication orders or in compounding, preparing, and labeling in anticipation of a valid prescription or medication order for a patient to be served by the facility, in accordance with article one hundred thirty-seven of this title where such tasks require no professional judgment. Such professional judgment shall only be exercised by a licensed pharmacist. **A registered pharmacy technician may administer the same immunizations as licensed pharmacists are authorized to administer under the direct supervision of a licensed pharmacist consistent with the training and other requirements in article one hundred thirty-seven of this title.** A registered pharmacy technician may only practice [~~in a facility licensed in accordance with article twenty-eight of the public health law, or a pharmacy owned and operated by such a facility,~~] under the direct [~~personal~~] supervision of a licensed pharmacist employed in such a [~~facility or~~] pharmacy. Such [~~facility~~] **pharmacy** shall be responsible for ensuring that the registered pharmacy technician has received appropriate training to ensure competence before he or she begins assisting a licensed pharmacist in compounding, preparing, labeling, **administering immunizations** or dispensing of drugs, in accordance with this article and article one hundred thirty-seven of this title. For the purposes of this article, direct [~~personal~~] supervision means supervision of procedures based on instructions given directly by a supervising licensed pharmacist who [~~remains in the immediate area where the procedures are being performed~~]

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
