FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit members of the New York State and Local Employees' Retirement System employed by the Unified Court System as uniformed court officers to retire upon completion of twenty-five years of creditable service with a benefit of one-half final average salary. Additionally, for those members covered under the provisions of Article 14 of the Retirement and Social Security Law, this bill would permit an irrevocable election to forfeit the benefits of Article 14 in favor of the twenty-five-year plan benefit. Such election must be made within one year of the effective date of this bill or within one year of entering employment with the Unified Court System.

If this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase of approximately $25 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2025. In future years this cost will vary but is expected to average 3.5% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $115 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2025.

These estimated costs are based on 6,224 affected members employed by the Unified Court System, with annual salary of approximately $609 million as of March 31, 2023.
