IN ASSEMBLY

March 27, 2024

Introduced by M. of A. LUPARDO -- read once and referred to the Committee on Transportation

AN ACT to amend the transportation law, in relation to directing the department of transportation to implement a system to reduce time spent at multiple department of transportation checkpoints in the same day

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The transportation law is amended by adding a new section 14-o to read as follows:

§ 14-o. Truck checkpoint efficiency system. 1. The department is hereby directed to create and implement a system in order that trucks which have stopped at a department safety inspection site on a given day shall not be required to stop at other department safety inspection sites on the same day.

2. No later than one year after the effective date of this section, the commissioner shall submit to the governor, the temporary president of the senate, and the speaker of the assembly a report outlining the new system required pursuant to subdivision one of this section, how such system operates, and how such system shall be communicated to drivers in the state.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
