1 Section 1. Section 490 of the vehicle and traffic law is amended by  
2 adding a new subdivision 2-a to read as follows:

11 amended to read as follows:

1 Nothing contained in this subdivision shall be deemed to preclude the  
2 commissioner from approving additional proofs of identity and age. The  
3 license shall display the sex designation of M, F, or X as certified by  
4 the applicant, with no additional documentation required. The applicant  
5 may amend the sex designation of their driver's license upon request.  
6 Upon amendment of the sex designation, the change shall be made consist-  
7 ent through all affiliated records within the control of the department.  
8 The commissioner may also provide that the application procedure shall  
9 include the taking of a photo image or images of the applicant in  
10 accordance with rules and regulations prescribed by the commissioner. In  
11 addition, the commissioner also shall require that the applicant provide  
12 such applicant's social security number or, in lieu thereof, with  
13 respect to an application for a non-commercial driver's license or  
14 learner's permit which does not meet federal standards for identifica-  
15 tion, an affidavit signed by such applicant that they have not been  
16 issued a social security number. The commissioner also shall provide  
17 space on the application so that the applicant may request a notation  
18 upon such license that such applicant is a veteran of the United States  
19 armed forces, and space on the application so that the applicant may  
20 request a notation upon such license that he or she is a veteran of the  
21 United States armed forces, and space on the application so that the  
22 applicant may register in the New York state organ and tissue donor  
23 registry under section forty-three hundred ten of the public health law  
24 with the following stated on the application in clear and conspicuous  
25 type:

26 "You must fill out the following section: Would you like to be added  
27 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-  
28 tion'."

29 The commissioner of health shall not maintain records of any person  
30 who checks "skip this question". Except where the application is made in  
31 person or electronically, failure to check a box shall not impair the  
32 validity of an application, and failure to check "yes" or checking "skip  
33 this question" shall not be construed to imply a wish not to donate. In  
34 the case of an applicant under eighteen years of age, checking "yes"  
35 shall not constitute consent to make an anatomical gift or registration  
36 in the donate life registry, except as otherwise provided pursuant to  
37 the provisions of paragraph (b) of subdivision one of section forty-  
38 three hundred one of the public health law. Where an applicant has  
39 previously consented to make an anatomical gift or registered in the  
40 donate life registry, checking "skip this question" or failing to check  
41 a box shall not impair that consent or registration. Additionally, the  
42 commissioner shall ensure that space is provided on the application for  
43 a driver's license or renewal thereof to advise applicants of the exist-  
44 ence of the national bone marrow donor program and to allow for appli-  
45 cants to enroll in such national bone marrow donor program. In addition,  
46 an applicant for a commercial driver's license who will operate a  
47 commercial motor vehicle in interstate commerce shall certify that such  
48 applicant meets the requirements to operate a commercial motor vehicle,  
49 as set forth in public law 99-570, title XII, and title 49 of the code  
50 of federal regulations, and all regulations promulgated by the United  
51 States secretary of transportation under the hazardous materials trans-  
52 portation act. In addition, an applicant for a commercial driver's  
53 license shall submit a medical certificate at such intervals as required  
54 by the federal motor carrier safety improvement act of 1999 and Part  
55 383.71(h) of title 49 of the code of federal regulations relating to  
56 medical certification and in a manner prescribed by the commissioner.

1 For purposes of this section and sections five hundred three, five  
2 hundred ten-a, and five hundred ten-aa of this title, the terms "medical  
3 certificate" and "medical certification" shall mean a form substantially  
4 in compliance with the form set forth in Part 391.43(h) of title 49 of  
5 the code of federal regulations. Upon a determination that the holder of  
6 a commercial driver's license has made any false statement, with respect  
7 to the application for such license, the commissioner shall revoke such  
8 license.

9 § 3. Section 508 of the vehicle and traffic law is amended by adding a  
10 new subdivision 7 to read as follows:

11 7. The commissioner is directed to develop license application and  
12 renewal forms and the directions accompanying such forms to advise  
13 applicants of the existence of the national bone marrow donor program  
14 and to provide an opportunity for applicants to enroll in such national  
15 bone marrow donor program on such forms, and to further amend the  
16 website of the department to provide national bone marrow donor program  
17 contact information.

18 § 4. This act shall take effect January 1, 2028. Effective immediate-  
19 ly, the addition, amendment and/or repeal of any rule or regulation  
20 necessary for the implementation of this act on its effective date are  
21 authorized to be made and completed on or before such date.
