2 adding a new subdivision 2-a to read as follows:

3 2-a. Solicitation for applicant to enroll in the national registry
4 operated by the national marrow donor program. In addition to the
5 provisions of subdivision two of this section, the commissioner shall
6 ensure that space is provided on the application for an identification
7 card or renewal thereof to advise applicants of the existence of the
8 national marrow donor program and to allow for applicants to consent to
9 sharing their information with the national marrow donor program for the
10 purposes of receiving information from the national marrow donor program
11 about enrolling as a potential volunteer bone marrow or blood cell donor
12 on the national registry operated by the national marrow donor program.

1 January first, two thousand nineteen, acceptable proof of identity shall
2 also include, but not be limited to, a valid, unexpired foreign passport
3 issued by the applicant's country of citizenship (which shall also be
4 eligible as proof of age), a valid, unexpired consular identification
5 document issued by a consulate from the applicant's country of citizen-
6 ship, or a valid foreign driver's license that includes a photo image of
7 the applicant and which is unexpired or expired for less than twenty-
8 four months of its date of expiration, as primary forms of such proof.
9 Nothing contained in this subdivision shall be deemed to preclude the
10 commissioner from approving additional proofs of identity and age. The
11 license shall display the sex designation of M, F, or X as certified by
12 the applicant, with no additional documentation required. The applicant
13 may amend the sex designation of their driver's license upon request.
14 Upon amendment of the sex designation, the change shall be made consist-
15 ent through all affiliated records within the control of the department.
16 The commissioner may also provide that the application procedure shall
17 include the taking of a photo image or images of the applicant in
18 accordance with rules and regulations prescribed by the commissioner. In
19 addition, the commissioner also shall require that the applicant provide
20 such applicant's social security number or, in lieu thereof, with
21 respect to an application for a non-commercial driver's license or
22 learner's permit which does not meet federal standards for identifica-
23 tion, an affidavit signed by such applicant that they have not been
24 issued a social security number. The commissioner also shall provide
25 space on the application so that the applicant may request a notation
26 upon such license that such applicant is a veteran of the United States
27 armed forces, and space on the application so that the applicant may
28 request a notation upon such license that [~~he or she~~] such person is a
29 veteran of the United States armed forces, and space on the application
30 so that the applicant may register in the New York state organ and
31 tissue donor registry under section forty-three hundred ten of the
32 public health law with the following stated on the application in clear
33 and conspicuous type:

34 "You must fill out the following section: Would you like to be added
35 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-
36 tion'."

37 The commissioner of health shall not maintain records of any person
38 who checks "skip this question". Except where the application is made in
39 person or electronically, failure to check a box shall not impair the
40 validity of an application, and failure to check "yes" or checking "skip
41 this question" shall not be construed to imply a wish not to donate. In
42 the case of an applicant under eighteen years of age, checking "yes"
43 shall not constitute consent to make an anatomical gift or registration
44 in the donate life registry, except as otherwise provided pursuant to
45 the provisions of paragraph (b) of subdivision one of section forty-
46 three hundred one of the public health law. Where an applicant has
47 previously consented to make an anatomical gift or registered in the
48 donate life registry, checking "skip this question" or failing to check
49 a box shall not impair that consent or registration. Additionally, the
50 commissioner shall ensure that space is provided on the application for
51 a driver's license or renewal thereof to advise applicants of the exist-
52 ence of the national marrow donor program and to allow for applicants to
53 consent to sharing their information with the national marrow donor
54 program for the purposes of receiving information from the national
55 marrow donor program about enrolling as a potential volunteer bone
56 marrow or blood cell donor on the national registry operated by the

1 national marrow donor program. In addition, an applicant for a commer-
2 cial driver's license who will operate a commercial motor vehicle in
3 interstate commerce shall certify that such applicant meets the require-
4 ments to operate a commercial motor vehicle, as set forth in public law
5 99-570, title XII, and title 49 of the code of federal regulations, and
6 all regulations promulgated by the United States secretary of transpor-
7 tation under the hazardous materials transportation act. In addition, an
8 applicant for a commercial driver's license shall submit a medical
9 certificate at such intervals as required by the federal motor carrier
10 safety improvement act of 1999 and Part 383.71(h) of title 49 of the
11 code of federal regulations relating to medical certification and in a
12 manner prescribed by the commissioner. For purposes of this section and
13 sections five hundred three, five hundred ten-a, and five hundred ten-aa
14 of this title, the terms "medical certificate" and "medical certif-
15 ication" shall mean a form substantially in compliance with the form set
16 forth in Part 391.43(h) of title 49 of the code of federal regulations.
17 Upon a determination that the holder of a commercial driver's license
18 has made any false statement, with respect to the application for such
19 license, the commissioner shall revoke such license.

20 § 3. Section 508 of the vehicle and traffic law is amended by adding a
21 new subdivision 7 to read as follows:

22 7. The commissioner is directed to establish a process by which the
23 department shall refer driver's license and non-driver identification
24 card applicants who consent to having their information shared with the
25 national marrow donor program for the purposes of receiving information
26 from the national marrow donor program about enrolling as a potential
27 volunteer bone marrow or blood cell donor on the national registry oper-
28 ated by the national marrow donor program. The commissioner is directed
29 to further amend the public website of the department to include a link
30 to access publicly available information on the national marrow donor
31 program.

32 § 4. This act shall take effect January 1, 2028. Effective immediate-
33 ly, the addition, amendment and/or repeal of any rule or regulation
34 necessary for the implementation of this act on its effective date are
35 authorized to be made and completed on or before such effective date.
