

# STATE OF NEW YORK

9898

## IN ASSEMBLY

April 26, 2024

Introduced by M. of A. SIMONE -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law and the general municipal law, in relation to requiring an "X" gender marker to be included in certain documents utilized by state agencies, public authorities and municipalities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 170-h  
2 to read as follows:

3 § 170-h. Gender markers in state and municipal forms. Any form or  
4 preprinted document utilized by a state agency or public authority or by  
5 a municipality that requests that a person identify their gender or sex  
6 shall include, in addition to male and female gender markers, an "X"  
7 gender marker to be available for utilization by any person completing  
8 the form who does not identify as male or female. Any form or preprinted  
9 document requesting that a person identify their gender or sex shall be  
10 amended no later than January first, two thousand twenty-five to include  
11 such "X" gender marker.

12 § 2. The general municipal law is amended by adding a new section  
13 99-aa to read as follows:

14 § 99-aa. Gender markers in municipal forms. Any form or preprinted  
15 document utilized by a municipal corporation that requests that a person  
16 identify their gender or sex shall include, in addition to male and  
17 female gender markers, an "X" gender marker to be available for utiliza-  
18 tion by any person completing the form who does not identify as male or  
19 female. The governing board of each municipal corporation shall amend  
20 any form or preprinted document requesting that a person identify their  
21 gender or sex no later than January first, two thousand twenty-five to  
22 include such "X" gender marker.

23 § 3. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
