Introduced by M. of A. PEOPLES-STOKES -- read once and referred to the Committee on Housing

AN ACT to amend the private housing finance law, in relation to establishing the infill housing pilot program in the city of Buffalo

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The private housing finance law is amended by adding a new
2 article 32 to read as follows:

3 ARTICLE XXXII

4 INFILL HOUSING PILOT PROGRAM

5 Section 1290. Legislative purpose.

6 1291. Infill housing pilot program.

7 § 1290. Legislative purpose. It is hereby declared and found that
8 there exists across upstate New York, and particularly in the city of
9 Buffalo, a shortage of affordable housing units available for purchase.
10 It is further found that homeownership is essential for building genera-
11 tional wealth, and that the state therefore has an interest in promoting
12 homeownership. In order, further, to promote homeownership, it is hereby
13 declared that additional provisions should be made to provide public
14 monies for the purposes of building two thousand one- to two- family
15 housing units in the city of Buffalo for purchase by low to moderate
16 income buyers living in or near the census tract where the property is
17 located. The necessity in the public interest for the provisions for
18 this article is hereby declared as a matter of legislative determi-
19 nation.

20 § 1291. Infill housing pilot program. The division of housing and
21 community renewal shall make capital subsidies available for the
22 purposes of building two thousand one- to two- family housing units in
23 the city of Buffalo in a five year period. The commissioner shall
24 promulgate rules and regulations sufficient for the creation of a new
25 program for the purpose of building such one- to two- family housing
26 units and shall prioritize for development vacant lots owned by the city
27 of Buffalo.

28 § 2. This act shall take effect immediately.
