1 ly used by the health care employer to determine when an employee is
2 minimally supposed to work, consistent with the collective bargaining
3 agreement, if any. Nothing in this section shall be construed to permit
4 an employer to use on-call time as a substitute for mandatory overtime.

5 d. "Health care worker" shall mean personnel employed by or contracted
6 to work for a health care employer who have an effect upon the delivery
7 of quality care to patients, including but not limited to unlicensed

13 worker.

14 2. a. Notwithstanding any other provision of law no health care
15 employer shall require a nurse or health care worker to work more than

33 by an employer and does not regularly occur; or

34 d. an ongoing medical or surgical procedure in which the nurse or
35 health care worker is actively engaged and whose continued presence
36 through the completion of the procedure is needed to ensure the health

39 to protect the public health and the quality of patient care, and shall
40 not be construed to diminish or waive any rights of any nurse or health
41 care worker pursuant to any other law, regulation, or collective
42 bargaining agreement.

43 § 2. This act shall take effect on the sixtieth day after it shall
44 have become a law.
