9	§ 2899-d. Definitions. As used in this article:
10	1. "Adult" means an individual who is eighteen years of age or older.
11	2. "Attending physician" means the physician who has primary responsi-
12	bility for the care of the patient and treatment of the patient's termi-
13	nal illness or condition.
14	<u>3. "Decision-making capacity" means the ability to understand and</u>
15	appreciate the nature and consequences of health care decisions, includ-
16	ing the benefits and risks of and alternatives to any proposed health
17	care, including medical aid in dying, and to reach an informed decision.
18	4. "Consulting physician" means a physician who is qualified by
19	specialty or experience to make a professional diagnosis and prognosis
20	reqarding a person's terminal illness or condition.
21	5. "Health care facility" means a general hospital, nursing home, or
22	residential health care facility as defined in section twenty-eight
23	hundred one of this chapter, or a hospice as defined in section four
24	thousand two of this chapter; provided that for the purposes of section
25	twenty eight hundred ninety-nine-m of this article, "hospice" shall
26	refer only to a facility providing in-patient hospice care or a hospice
20 27	residence.
28	<u>6. "Health care provider" means a person licensed, certified, or</u>
20 29	authorized by law to administer health care or dispense medication in
30	the ordinary course of business or practice of a profession.
30 31	7. "Informed decision" means a decision by a patient who is suffering
32	from a terminal illness or condition to request and obtain a
33	prescription for medication that the patient may self-administer to end
34	the patient's life that is based on an understanding and acknowledgment
35	of the relevant facts and that is made voluntarily, of the patient's own
35 36	volition and without coercion, after being fully informed of:
37 38	(a) the patient's medical diagnosis and prognosis; (b) the potential risks associated with taking the medication to be
30 39	prescribed;
40	(c) the probable result of taking the medication to be prescribed; (d) the possibility that the patient may choose not to obtain the
41	
42	medication, or may obtain the medication but may decide not to self-ad-
43	minister it; and
44	(e) the feasible alternatives and appropriate treatment options,
45	including but not limited to palliative care and hospice care.
46	8. "Medical aid in dying" means the medical practice of a physician
47	prescribing medication to a qualified individual that the individual may
48	choose to self-administer to bring about death.
49	9. "Medically confirmed" means the medical opinion of the attending
50	physician that a patient has a terminal illness or condition and has
51	made an informed decision which has been confirmed by a consulting
52	physician who has examined the patient and the patient's relevant
53	medical records.
54	10. "Medication" means medication prescribed by a physician under this

55 <u>article.</u>

1	11. "Mental health professional" means a licensed physician, who is a
2	diplomate or eligible to be certified by a national board of psychiatry,
3	psychiatric nurse practitioner, or psychologist, licensed or certified
4	under the education law acting within his or her scope of practice and
5	who is qualified, by training and experience, certification, or board
б	certification or eligibility, to make a determination under section
7	<u>twenty-eight hundred ninety-nine-i of this article.</u>
8	12. "Palliative care" means health care treatment, including interdis-
9	ciplinary end-of-life care, and consultation with patients and family
10	members, to prevent or relieve pain and suffering and to enhance the
11	patient's quality of life, including hospice care under article forty of
12	this chapter.
13	13. "Patient" means a person who is eighteen years of age or older
14	under the care of a physician.
15	14. "Physician" means an individual licensed to practice medicine in
16	New York state.
17	15. "Qualified individual" means a patient with a terminal illness or
18	condition, who has decision-making capacity, has made an informed deci-
19	sion, and has satisfied the requirements of this article in order to
20	obtain a prescription for medication.
21	<u>16. "Self-administer" means a qualified individual's affirmative,</u>
22	conscious, and voluntary act to ingest medication under this article.
23	Self-administration does not include lethal injection or lethal
24	infusion.
25	17. "Terminal illness or condition" means an incurable and irrevers-
26	ible illness or condition that has been medically confirmed and will,
27	within reasonable medical judgment, produce death within six months.
28	<u>§ 2899-e. Request process. 1. Oral and written request. A patient</u>
29	wishing to request medication under this article shall make an oral
30	request and submit a written request to the patient's attending physi-
31	<u>cian.</u>
32	2. Making a written request. A patient may make a written request for
33	and consent to self-administer medication for the purpose of ending his
34	or her life in accordance with this article if the patient:
35	(a) has been determined by the attending physician to have a terminal
36	illness or condition and which has been medically confirmed by a
37	consulting physician; and
38	(b) based on an informed decision, expresses voluntarily, of the
39	patient's own volition and without coercion the request for medication
40	<u>to end his or her life.</u>
41	3. Written request signed and witnessed. (a) A written request for
42	medication under this article shall be signed and dated by the patient
43	and witnessed by at least two adults who, in the presence of the
44	patient, attest that to the best of his or her knowledge and belief the
45	patient has decision-making capacity, is acting voluntarily, is making
46	the request for medication of his or her own volition and is not being
47	coerced to sign the request. The written request shall be in substan-
48	tially the form described in section twenty-eight hundred ninety-nine-k
49	of this article.
50 E 1	(b) Both witnesses shall be adults who are not:
51 52	(i) a relative of the patient by blood, marriage or adoption;
52 52	(ii) a person who at the time the request is signed would be entitled to any portion of the estate of the patient upon death under any will or
23	to any portion of the estate of the patient upon death under any WIII or

54 by operation of law; or

1	(iii) an owner, operator, employee or independent contractor of a
2	health care facility where the patient is receiving treatment or is a
3 4	<u>resident.</u> (c) The attending physician, consulting physician and, if applicable,
5 6	the mental health professional who provides a decision-making capacity determination of the patient under this article shall not be a witness.
7	
8	4. No person shall qualify for medical aid in dying under this article solely because of age or disability.
9	5. Requests for a medical aid-in-dying prescription must be made by
10	the qualified individual and may not be made by any other individual,
11	including the qualified individual's health care agent, or other agent
12	or surrogate, or via advance healthcare directive.
13	§ 2899-f. Attending physician responsibilities. 1. The attending
14	physician shall examine the patient and his or her relevant medical
15	records and:
16	(a) make a determination of whether a patient has a terminal illness
17	or condition, has decision-making capacity, has made an informed deci-
18	sion and has made the request voluntarily of the patient's own volition
19	and without coercion;
20	(b) inform the patient of the requirement under this article for
21	confirmation by a consulting physician, and refer the patient to a
22	consulting physician upon the patient's request;
23	(c) refer the patient to a mental health professional pursuant to
24	section twenty-eight hundred ninety-nine-i of this article if the
25	attending physician believes that the patient may lack decision-making
26	capacity to make an informed decision;
27	(d) provide information and counseling under section twenty-nine
28	hundred ninety-seven-c of this chapter;
29	(e) ensure that the patient is making an informed decision by discuss-
30	ing with the patient: (i) the patient's medical diagnosis and prognosis;
31	(ii) the potential risks associated with taking the medication to be
32	prescribed; (iii) the probable result of taking the medication to be
33	prescribed; (iv) the possibility that the patient may choose to obtain
34	the medication but not take it; (v) the feasible alternatives and appro-
35	priate treatment options, including but not limited to (1) information
36	and counseling regarding palliative and hospice care and end-of-life
37	options appropriate to the patient, including but not limited to: the
38	range of options appropriate to the patient; the prognosis, risks and
39	benefits of the various options; and the patient's legal rights to
40	comprehensive pain and symptom management at the end of life; and (2)
41	information regarding treatment options appropriate to the patient,
42	including the prognosis, risks and benefits of the various treatment
43	options;
44	(f) offer to refer the patient for other appropriate treatment
45	options, including but not limited to palliative care and hospice care;
46	(g) provide health literate and culturally appropriate educational
47	material regarding hospice and palliative care that has been prepared by
48	the department in consultation with representatives of hospice and
49	palliative care providers from all regions of New York state, and that
50	is available on the department's website for access and download,
51	provided, however, an otherwise eligible patient cannot be denied care
52	under this article if these materials are not developed by the effective
53	date of this article;
54	(h) discuss with the patient the importance of:

(i) having another person present when the patient takes the medication and the restriction that no person other than the patient may administer the medication; (ii) not taking the medication in a public place; and (iii) informing the patient's family of the patient's decision to request and take medication that will end the patient's life; a patient who declines or is unable to notify family shall not have his or her request for medication denied for that reason; (i) inform the patient that he or she may rescind the request for medication at any time and in any manner; (i) fulfill the medical record documentation requirements of section twenty-eight hundred ninety-nine-j of this article; and (k) ensure that all appropriate steps are carried out in accordance with this article before writing a prescription for medication. 2. Upon receiving confirmation from a consulting physician under section twenty-eight hundred ninety-nine-h of this article and subject to section twenty-eight hundred ninety-nine-i of this article, the

17 to section twenty-eight hundred ninety-nine-i of this article, the 18 attending physician who determines that the patient has a terminal 19 illness or condition, has decision-making capacity and has made a volun-20 tary request for medication as provided in this article, may personally, 21 or by referral to another physician, prescribe or order appropriate 22 medication in accordance with the patient's request under this article, 23 and at the patient's request, facilitate the filling of the prescription 24 and delivery of the medication to the patient.

3. In accordance with the direction of the prescribing or ordering physician and the consent of the patient, the patient may self-administer the medication to himself or herself. A health care professional or other person shall not administer the medication to the patient.

29 <u>§ 2899-g. Right to rescind request; requirement to offer opportunity</u> 30 <u>to rescind. 1. A patient may at any time rescind his or her request for</u> 31 <u>medication under this article without regard to the patient's decision-</u> 32 <u>making capacity.</u>

2. A prescription for medication may not be written without the
attending physician offering the qualified individual an opportunity to
rescind the request.

36 <u>§ 2899-h. Consulting physician responsibilities. Before a patient who</u> 37 <u>is requesting medication may receive a prescription for medication under</u> 38 <u>this article, a consulting physician must:</u>

39 1. examine the patient and his or her relevant medical records; 2. confirm, in writing, to the attending physician and the patient, 40 whether: (a) the patient has a terminal illness or condition; (b) the 41 42 patient is making an informed decision; (c) the patient has decision-43 making capacity, or provide documentation that the consulting physician 44 has referred the patient for a determination under section twenty-eight hundred ninety-nine-i of this article; and (d) the patient is acting 45 46 voluntarily, of the patient's own volition and without coercion.

47 § 2899-i. Referral to mental health professional. 1. If the attending 48 physician or the consulting physician determines that the patient may 49 lack decision-making capacity to make an informed decision due to a condition, including, but not limited to, a psychiatric or psychological 50 disorder, or other condition causing impaired judgement, the attending 51 52 physician or consulting physician shall refer the patient to a mental health professional for a determination of whether the patient has deci-53 sion-making capacity to make an informed decision. The referring physi-54 cian shall advise the patient that the report of the mental health 55

1	professional will be provided to the attending physician and the
2	<u>consulting physician.</u>
3	2. A mental health professional who evaluates a patient under this
4	section shall report, in writing, to the attending physician and the
5	consulting physician, his or her independent conclusions about whether
б	the patient has decision-making capacity to make an informed decision,
7	provided that if, at the time of the report, the patient has not yet
8	been referred to a consulting physician, then upon referral the attend-
9	ing physician shall provide the consulting physician with a copy of the
10	mental health professional's report. If the mental health professional
11	determines that the patient lacks decision-making capacity to make an
12	informed decision, the patient shall not be deemed a qualified individ-
13	ual, and the attending physician shall not prescribe medication to the
14	patient.
15	3. A determination made pursuant to this section that an adult patient
16	lacks decision-making capacity shall not be construed as a finding that
17	the patient lacks decision-making capacity for any other purpose.
18	§ 2899-j. Medical record documentation requirements. An attending
19	physician shall document or file the following in the patient's medical
20	record:
21	1. the dates of all oral requests by the patient for medication under
22	this article;
23	2. the written request by the patient for medication under this arti-
24	cle, including the declaration of witnesses and interpreter's declara-
25	tion, if applicable;
26	<u>3. the attending physician's diagnosis and prognosis, determination of</u>
27	decision-making capacity, and determination that the patient is acting
28	voluntarily, of the patient's own volition and without coercion, and has
29	made an informed decision;
30	<u>4. if applicable, written confirmation of decision-making capacity</u>
31	under section twenty-eight hundred ninety-nine-i of this article; and
32	5. a note by the attending physician indicating that all requirements
33 24	under this article have been met and indicating the steps taken to carry
34 25	out the request, including a notation of the medication prescribed or
35	ordered.
36	§ 2899-k. Form of written request and witness attestation. 1. A
37	request for medication under this article shall be in substantially the
38	following form:
39	REQUEST FOR MEDICATION TO END MY LIFE
10	The second se
40	I,, am an adult who has decision-
41	making capacity, which means I understand and appreciate the nature and
42	consequences of health care decisions, including the benefits and risks
43	of and alternatives to any proposed health care, and to reach an
44	informed decision and to communicate health care decisions to a physi-
45	cian.
46	<u>I have been diagnosed with</u> (insert diagnosis), which my
47	attending physician has determined is a terminal illness or condition,
48	which has been medically confirmed by a consulting physician.
49	I have been fully informed of my diagnosis and prognosis, the nature
50	of the medication to be prescribed and potential associated risks, the
51	expected result, and the feasible alternatives and treatment options
52	including but not limited to palliative care and hospice care.
53	I request that my attending physician prescribe medication that will
54	end my life if I choose to take it, and I authorize my attending physi-

55 cian to contact another physician or any pharmacist about my request.

1	INITIAL ONE:
2	() I have informed or intend to inform one or more members of my
3	family of my decision.
4	() I have decided not to inform any member of my family of my deci-
5	sion.
6	() I have no family to inform of my decision.
7	I understand that I have the right to rescind this request or decline
8	to use the medication at any time.
9	I understand the importance of this request, and I expect to die if I
10	take the medication to be prescribed. I further understand that although
11	most deaths occur within three hours, my death may take longer, and my
12	attending physician has counseled me about this possibility.
13	I make this request voluntarily, of my own volition and without being
14	coerced, and I accept full responsibility for my actions.

3	ual from self-administering such medication, or (e) refraining from
4	acting to resuscitate the qualified individual after he or she self-ad-
5	ministers such medication.
б	2. Nothing in this section shall limit civil or criminal liability for
7	negligence, recklessness or intentional misconduct.
8	§ 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,
9	nurse, pharmacist, other health care provider or other person shall not
10	be under any duty, by law or contract, to participate in the provision
11	of medication to a patient under this article.
12^{11}	(b) If a health care provider is unable or unwilling to participate in
	the provision of medication to a patient under this article and the
13	
14	patient transfers care to a new health care provider, the prior health
15	care provider shall transfer or arrange for the transfer, upon request,
16	of a copy of the patient's relevant medical records to the new health
17	care provider.
18	2. (a) A private health care facility may prohibit the prescribing,
19	dispensing, ordering or self-administering of medication under this
20	article while the patient is being treated in or while the patient is
21	residing in the health care facility if:
22	(i) the prescribing, dispensing, ordering or self-administering is
23	contrary to a formally adopted policy of the facility that is expressly
24	based on sincerely held religious beliefs or moral convictions central
25	to the facility's operating principles; and
26	(ii) the facility has informed the patient of such policy prior to
27	admission or as soon as reasonably possible.
28	(b) Where a facility has adopted a prohibition under this subdivision,
29	if a patient who wishes to use medication under this article requests,
30	the patient shall be transferred promptly to another health care facili-
31	ty that is reasonably accessible under the circumstances and willing to
32	permit the prescribing, dispensing, ordering and self-administering of
33	medication under this article with respect to the patient.
34 25	3. Where a health care facility has adopted a prohibition under this
35	subdivision, any health care provider or employee or independent
36	contractor of the facility who violates the prohibition may be subject
37	to sanctions otherwise available to the facility, provided the facility
38	has previously notified the health care provider, employee or independ-
39	ent contractor of the prohibition in writing.
40	§ 2899-n. Relation to other laws and contracts. 1. (a) A patient who
41	requests medication under this article shall not, because of that
42	request, be considered to be a person who is suicidal, and self-adminis-
43	tering medication under this article shall not be deemed to be suicide,
44	for any purpose.
45	(b) Action taken in accordance with this article shall not be
46	construed for any purpose to constitute suicide, assisted suicide,
47	attempted suicide, promoting a suicide attempt, euthanasia, mercy kill-
48	ing, or homicide under the law, including as an accomplice or accessory
49	or otherwise.
50	2. (a) No provision in a contract, will or other agreement, whether
51	written or oral, to the extent the provision would affect whether a
52	person may make or rescind a request for medication or take any other
53	action under this article, shall be valid.
54	(b) No obligation owing under any contract shall be conditioned or
55	affected by the making or rescinding of a request by a person for medi-
55	arrested by the maning of repetitivity of a request by a person for medi-

56 cation or taking any other action under this article.

1	3. (a) A person and his or her beneficiaries shall not be denied bene-
2	fits under a life insurance policy for actions taken in accordance with
3	this article.
4	(b) Notwithstanding the provisions of any law or contract, the sale,
5	procurement or issuance of a life or health insurance or annuity policy,
6	or the rate charged for a policy, shall not be conditioned upon or
7	affected by a patient making or rescinding a request for medication
8	under this article.
9	4. An insurer shall not provide any information in communications made
10	to a patient about the availability of medication under this article
11	absent a request by the patient or by his or her attending physician
12	upon the request of such patient. Any communication shall not include
13	both the denial of coverage for treatment and information as to the
14	availability of medication under this article.
15	5. The sale, procurement, or issue of any professional malpractice
16	insurance policy or the rate charged for the policy shall not be condi-
17	tioned upon or affected by whether the insured does or does not take or
18	participate in any action under this article.
19	§ 2899-o. Safe disposal of unused medications. A person who has
20	custody or control of any unused medication prescribed under this arti-
21	cle after the death of the qualified individual shall personally deliver
22	the unused medication for disposal to the nearest qualified facility
23	that properly disposes of controlled substances or shall dispose of it
24	by lawful means in accordance with regulations made by the commissioner,
25	regulations made by or guidelines of the commissioner of education, or
26	guidelines of a federal drug enforcement administration approved take-
27	back program. A qualified facility that properly disposes of controlled
28	substances shall accept and dispose of any medication delivered to it as
29	provided hereunder regardless of whether such medication is a controlled
30	substance. The commissioner may make regulations as may be appropriate
31	for the safe disposal of unused medications prescribed, dispensed or
32	ordered under this article as provided in this section.
33 24	§ 2899-p. Death certificate. 1. If otherwise authorized by law, the
34 25	attending physician may sign the qualified individual's death certif-
35	icate.
36	2. The cause of death listed on a qualified individual's death certif-
37	icate who dies after self-administering medication under this article
38	will be the underlying terminal illness or condition.
39	§ 2899-q. Reporting. 1. The commissioner shall annually review a
40	sample of the records maintained under sections twenty-eight hundred
41	ninety-nine-j and twenty-eight hundred ninety-nine-p of this article.
42	The commissioner shall adopt regulations establishing reporting require-
43	ments for physicians taking action under this article to determine
44	utilization and compliance with this article. The information collected
45	under this subdivision shall not constitute a public record available
46	for public inspection and shall be confidential and collected and main-
47	tained in a manner that protects the privacy of the patient, his or her
48	family, and any health care provider acting in connection with such
49	patient under this article, except that such information may be
50	disclosed to a governmental agency as authorized or required by law
51	relating to professional discipline, protection of public health or law
52	enforcement.
53	2. The commissioner shall prepare a report annually containing rele-
54	vant data regarding utilization and compliance with this article and
55	shall send such report to the legislature, and post such report on the
FC	demonstrant la suchaite

56 department's website.

1	<u>§ 2899-r. Penalties. 1. Nothing in this article shall be construed to</u>
2	limit professional discipline or civil liability resulting from conduct
3	in violation of this article, negligent conduct, or intentional miscon-
4	duct by any person.
5	2. Conduct in violation of this article shall be subject to applicable
б	criminal liability under state law, including, where appropriate and
7	without limitation, offenses constituting homicide, forgery, coercion,
8	and related offenses, or federal law.
9	§ 2899-s. Severability. If any provision of this article or any appli-
10	cation of any provision of this article, is held to be invalid, or to
11	violate or be inconsistent with any federal law or regulation, that
12	shall not affect the validity or effectiveness of any other provision of
13	this article, or of any other application of any provision of this arti-
14	cle, which can be given effect without that provision or application;
15	and to that end, the provisions and applications of this article are
16	severable.

17 § 3. This act shall take effect immediately.
