1	10. "Medication" means medication prescribed by a physician under this
2	<u>article.</u>
3	11. "Mental health professional" means a licensed physician, who is a
4	diplomate or eligible to be certified by a national board of psychiatry,
5	psychiatric nurse practitioner, or psychologist, licensed or certified
6	under the education law acting within such mental health professional's
7	scope of practice and who is qualified, by training and experience,
8	certification, or board certification or eligibility, to make a determi-
9	nation under section twenty-eight hundred ninety-nine-i of this article.
10	12. "Palliative care" means health care treatment, including interdis-
11	ciplinary end-of-life care, and consultation with patients and family
12	members, to prevent or relieve pain and suffering and to enhance the
13	patient's quality of life, including hospice care under article forty of
14	this chapter.
15	13. "Patient" means a person who is eighteen years of age or older
16	under the care of a physician.
17	14. "Physician" means an individual licensed to practice medicine in
18	New York state.
19	15. "Qualified individual" means a patient with a terminal illness or
20	condition, who has decision-making capacity, has made an informed deci-
21	sion, and has satisfied the requirements of this article in order to
22	<u>obtain a prescription for medication.</u>
23	16. "Self-administer" means a qualified individual's affirmative,
24	conscious, and voluntary act to ingest medication under this article.
25	Self-administration does not include lethal injection or lethal
26	infusion.
27	17. "Terminal illness or condition" means an incurable and irrevers-
28	ible illness or condition that has been medically confirmed and will,
29	within reasonable medical judgment, produce death within six months.
30	18. "Third-party health care payer" has its ordinary meaning and
31	includes, but is not limited to, an insurer, organization or corporation
32	licensed or certified under article thirty-two, forty-three or forty-
33	seven of the insurance law, or article forty-four of the public health
34	law; or an entity such as a pharmacy benefits manager, fiscal adminis-
35	trator, or administrative services provider that participates in the
36	administration of a third-party health care payer system.
37	§ 2899-e. Request process. 1. Oral and written request. A patient
38	wishing to request medication under this article shall make an oral
39	request and submit a written request to the patient's attending physi-
40	cian.
41	2. Making a written request. A patient may make a written request for
42	and consent to self-administer medication for the purpose of ending such
43	patient's life in accordance with this article if the patient:
44	(a) has been determined by the attending physician to have a terminal
45	illness or condition and which has been medically confirmed by a
46	consulting physician; and
47	(b) based on an informed decision, expresses voluntarily, of the
48	patient's own volition and without coercion the request for medication
49	to end such patient's life.
50	3. Written request signed and witnessed. (a) A written request for
51	medication under this article shall be signed and dated by the patient
52	and witnessed by at least two adults who, in the presence of the
53	patient, attest that to the best of the persons knowledge and belief the
54	patient has decision-making capacity, is acting voluntarily, is making
55	the request for medication of the patient's own volition and is not
	being coerced to sign the request. The written request shall be in

1	substantially the form described in section twenty-eight hundred nine-
2	<u>ty-nine-k of this article.</u>
3	(b) Both witnesses shall be adults who are not:
4	(i) a relative of the patient by blood, marriage or adoption;
5	(ii) a person who at the time the request is signed would be entitled
б	to any portion of the estate of the patient upon death under any will or
7	by operation of law;
8	(iii) an owner, operator, employee or independent contractor of a
9	health care facility where the patient is receiving treatment or is a
10	resident;
11	
	(iv) a domestic partner of the patient, as defined in subdivision
12	seven of section twenty-nine hundred ninety-four-a of this chapter;
13	(v) an agent under the patient's health care proxy as defined in
14	subdivision five of section twenty-nine hundred eighty of this chapter;
15	or
16	(vi) an agent acting under a power of attorney for the patient as
17	defined in section 5-1501 of the general obligations law.
18	(c) The attending physician, consulting physician and, if applicable,
19	the mental health professional who provides a decision-making capacity
20	determination of the patient under this article shall not be a witness.
21	4. No person shall qualify for medical aid in dying under this article
22	<u>solely because of age or disability.</u>
23	5. Requests for a medical aid-in-dying prescription must be made by
24	the qualified individual and may not be made by any other individual,
25	including the gualified individual's health care agent, or other agent
26	or surrogate, or via advance healthcare directive.
27	§ 2899-f. Attending physician responsibilities. 1. The attending
28	physician shall examine the patient and the patient's relevant medical
29	records and:
30	(a) make a determination of whether a patient has a terminal illness
31	or condition, has decision-making capacity, has made an informed deci-
32	sion and has made the request voluntarily of the patient's own volition
33	and without coercion;
34	(b) inform the patient of the requirement under this article for
35	confirmation by a consulting physician, and refer the patient to a
36	consulting physician upon the patient's request;
37	(c) refer the patient to a mental health professional pursuant to
38	section twenty-eight hundred ninety-nine-i of this article if the
30 39	attending physician believes that the patient may lack decision-making
40	<u>capacity to make an informed decision;</u> (d) provide information and counseling under section twenty-nine
41	
42	hundred ninety-seven-c of this chapter;
43	(e) ensure that the patient is making an informed decision by discuss-
44	ing with the patient: (i) the patient's medical diagnosis and prognosis;
45	(ii) the potential risks associated with taking the medication to be
46	prescribed; (iii) the probable result of taking the medication to be
47	prescribed; (iv) the possibility that the patient may choose to obtain
48	the medication but not take it; (v) the feasible alternatives and appro-
49	priate treatment options, including but not limited to (1) information
50	and counseling regarding palliative and hospice care and end-of-life
51	options appropriate to the patient, including but not limited to: the
52	range of options appropriate to the patient; the prognosis, risks and
53	benefits of the various options; and the patient's legal rights to
54	comprehensive pain and symptom management at the end of life; and (2)
	information regarding treatment options appropriate to the patient.

1	including the prognosis, risks and benefits of the various treatment
2	options;
3	(f) offer to refer the patient for other appropriate treatment
4	options, including but not limited to palliative care and hospice care;
5	(g) provide health literate and culturally appropriate educational
6	material regarding hospice and palliative care that has been prepared by
7	the department in consultation with representatives of hospice and
8	palliative care providers from all regions of New York state, and that
9	is available on the department's website for access and download,
10	provided, however, an otherwise eligible patient cannot be denied care
11	under this article if these materials are not developed by the effective
12^{11}	date of this article;
13	(h) discuss with the patient the importance of:
14^{13}	(i) having another person present when the patient takes the medica-
15^{11}	tion and the restriction that no person other than the patient may
16	
	administer the medication;
17	(ii) not taking the medication in a public place; and
18	(iii) informing the patient's family of the patient's decision to
19	request and take medication that will end the patient's life; a patient
20	who declines or is unable to notify family shall not have such patient's
21	request for medication denied for that reason;
22	(i) inform the patient that such patient may rescind the request for
23	medication at any time and in any manner;
24	(j) fulfill the medical record documentation requirements of section
25	twenty-eight hundred ninety-nine-j of this article; and
26	(k) ensure that all appropriate steps are carried out in accordance
27	with this article before writing a prescription for medication.
28	2. Upon receiving confirmation from a consulting physician under
29	section twenty-eight hundred ninety-nine-h of this article and subject
30	to section twenty-eight hundred ninety-nine-i of this article, the
31	attending physician who determines that the patient has a terminal
32	illness or condition, has decision-making capacity and has made a volun-
33	tary request for medication as provided in this article, may personally,
34	or by referral to another physician, prescribe or order appropriate
35	medication in accordance with the patient's request under this article,
36	and at the patient's request, facilitate the filling of the prescription
37	and delivery of the medication to the patient.
38	3. In accordance with the direction of the prescribing or ordering
39	physician and the consent of the patient, the patient may self-adminis-
40	ter the medication to themselves. A health care professional or other
41	person shall not administer the medication to the patient.
42	<u>§ 2899-g. Right to rescind request; requirement to offer opportunity</u>
43	to rescind. 1. A patient may at any time rescind the request for medi-
44	cation under this article without regard to the patient's decision-mak-
45	ing capacity.
46	2. A prescription for medication may not be written without the
47	attending physician offering the qualified individual an opportunity to
48	rescind the request.
49	§ 2899-h. Consulting physician responsibilities. Before a patient who
50	is requesting medication may receive a prescription for medication under
51	this article, a consulting physician must:
52	1. examine the patient and such patient's relevant medical records;
53	2. confirm, in writing, to the attending physician and the patient,
54	whether: (a) the patient has a terminal illness or condition; (b) the
55	patient is making an informed decision; (c) the patient has decision-
56	making capacity, or provide documentation that the consulting physician

1	has referred the patient for a determination under section twenty-eight
1	
2 3	hundred ninety-nine-i of this article; and (d) the patient is acting voluntarily, of the patient's own volition and without coercion.
4	§ 2899-i. Referral to mental health professional. 1. If the attending
5	physician or the consulting physician determines that the patient may
6	lack decision-making capacity to make an informed decision due to a
7	condition, including, but not limited to, a psychiatric or psychological
8	disorder, or other condition causing impaired judgement, the attending
9	physician or consulting physician shall refer the patient to a mental
10	health professional for a determination of whether the patient has deci-
	sion-making capacity to make an informed decision. The referring physi-
11	cian shall advise the patient that the report of the mental health
12	
13	professional will be provided to the attending physician and the
14	consulting physician.
15	2. A mental health professional who evaluates a patient under this
16	section shall report, in writing, to the attending physician and the
17	consulting physician, the mental health professional's independent
18	conclusions about whether the patient has decision-making capacity to
19	make an informed decision, provided that if, at the time of the report,
20	the patient has not yet been referred to a consulting physician, then
21	upon referral the attending physician shall provide the consulting
22	physician with a copy of the mental health professional's report. If the
23	mental health professional determines that the patient lacks decision-
24	making capacity to make an informed decision, the patient shall not be
25	deemed a qualified individual, and the attending physician shall not
26	prescribe medication to the patient.
27	3. A determination made pursuant to this section that an adult patient
28	lacks decision-making capacity shall not be construed as a finding that
29	the patient lacks decision-making capacity for any other purpose.
30	<u>§ 2899-j. Medical record documentation requirements. An attending</u>
31	physician shall document or file the following in the patient's medical
32	record:
33	1. the dates of all oral requests by the patient for medication under
34	this article;
35	2. the written request by the patient for medication under this arti-
36	cle, including the declaration of witnesses and interpreter's declara-
37	tion, if applicable;
38	3. the attending physician's diagnosis and prognosis, determination of
39	decision-making capacity, and determination that the patient is acting
40	voluntarily, of the patient's own volition and without coercion, and has
41	made an informed decision;
42	4. if applicable, written confirmation of decision-making capacity
43	<u>under section twenty-eight hundred ninety-nine-i of this article; and</u>
44	5. a note by the attending physician indicating that all requirements
45	under this article have been met and indicating the steps taken to carry
46	out the request, including a notation of the medication prescribed or
47	ordered.
48	<u>§ 2899-k. Form of written request and witness attestation. 1. A</u>
49	request for medication under this article shall be in substantially the
50	following form:

1	provide interpreter services and who has been requested by the patient
2	to serve as an interpreter under this article shall not be prohibited
3	from serving as an interpreter under this article.
4	§ 2899-1. Protection and immunities. 1. A physician, pharmacist, other
5	health care provider or other person shall not be subject to civil,
6	administrative, or criminal liability or penalty or professional disci-
7	plinary action by any government entity for taking any reasonable good-
8	faith action or refusing to act under this article, including, but not
9	limited to: (a) engaging in discussions with a patient relating to the
10	risks and benefits of end-of-life options in the circumstances described
11	in this article, (b) providing a patient, upon request, with a referral
12	to another health care provider, (c) being present when a qualified
13	individual self-administers medication, (d) refraining from acting to
14	prevent the qualified individual from self-administering such medica-
15	tion, or (e) refraining from acting to resuscitate the qualified indi-
16	vidual after the qualified individual self-administers such medication.
17	2. A health care provider or other person shall not be subject to
18	employment, credentialing, or contractual liability or penalty for any
19	reasonable good-faith action or refusing to act under this article,
20	including, but not limited to:
21	(a) engaging in discussions with a patient relating to the risks and
22	benefits of end-of-life options in the circumstances described in this
23	<u>article;</u>
24	(b) providing a patient, upon request, with a referral to another
25	health care provider;
26	(c) being present when a qualified individual self-administers medica-
27	tion;
28	(d) refraining from acting to prevent the qualified individual from
29	self-administering such medication; or
30	(e) refraining from acting to resuscitate the qualified individual
31	after the qualified individual self-administers such medication. Howev-
32	er, this subdivision does not bar a health care facility from acting
33	under paragraph (c) of subdivision two of section twenty-eight hundred
34	<u>ninety-nine-m of this article.</u>
35	3. Nothing in this section shall limit civil, administrative, or crim-
36	inal liability or penalty or any professional disciplinary action, or
37	employment, credentialing, or contractual liability or penalty for
38	<u>negligence, recklessness or intentional misconduct.</u>
39	<u>§</u> 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,
40	nurse, pharmacist, other health care provider or other person shall not
41	be under any duty, by law or contract, to participate in the provision
42	of medication to a patient under this article.
43	(b) If a health care provider is unable or unwilling to participate in
44	the provision of medication to a patient under this article and the
45	patient transfers care to a new health care provider, the prior health
46	care provider shall transfer or arrange for the transfer, upon request,
47	of a copy of the patient's relevant medical records to the new health
48	<u>care provider.</u>
49	2. (a) A private health care facility may prohibit the prescribing,
50	dispensing, ordering or self-administering of medication under this
51	article while the patient is being treated in or while the patient is
52	residing in the health care facility if:
53	(i) the prescribing, dispensing, ordering or self-administering is
54	contrary to a formally adopted policy of the facility that is expressly
55	based on sincerely held religious beliefs or moral convictions central
- -	

56 to the facility's operating principles; and

(ii) the facility has informed the patient of such policy prior to 1 2 admission or as soon as reasonably possible. (b) Where a facility has adopted a prohibition under this subdivision, 3 4 if a patient who wishes to use medication under this article requests, 5 the patient shall be transferred promptly to another health care facili-6 ty that is reasonably accessible under the circumstances and willing to 7 permit the prescribing, dispensing, ordering and self-administering of 8 medication under this article with respect to the patient. (c) Where a health care facility has adopted a prohibition under this 9 10 subdivision, any health care provider or employee or independent 11 contractor of the facility who violates the prohibition may be subject 12 to sanctions otherwise available to the facility, provided the facility has previously notified the health care provider, employee or independ-13 14 ent contractor of the prohibition in writing. 15 § 2899-n. Relation to other laws and contracts. 1. (a) A patient who 16 requests medication under this article shall not, because of that 17 request, be considered to be a person who is suicidal, and self-administering medication under this article shall not be deemed to be suicide, 18 19 for any purpose. 20 (b) Action taken in accordance with this article shall not be 21 construed for any purpose to constitute suicide, assisted suicide, attempted suicide, promoting a suicide attempt, euthanasia, mercy kill-22 ing, or homicide under the law, including as an accomplice or accessory 23 24 or otherwise. 25 2. (a) No provision in a contract, other agreement or testamentary instrument, whether written or oral, to the extent the provision would 26 27 affect whether a person may make or rescind a request for medication or take any other action under this article, shall be valid. 28 29 (b) No obligation owing under any contract, other agreement or testa-30 mentary instrument shall be conditioned or affected by the making or rescinding of a request by a person for medication or taking any other 31 32 action under this article. 33 3. (a) A person and such person's beneficiaries shall not be denied 34 benefits under a life insurance policy for actions taken in accordance 35 with this article. 36 (b) The sale, procurement or issuance of a life insurance or annuity 37 policy or third-party health care payer policy or coverage, or the rate charged for a policy or coverage, shall not be conditioned upon or 38 39 affected by a patient making or rescinding a request for medication under this article. 40 41 (c) No third-party health care payer may deny coverage for any service 42 or item that would otherwise be covered by the policy because the 43 patient has or has not chosen to request or use medication under this 44 article. 45 4. An insurer or third-party health care payer shall not provide any 46 information in communications made to a patient about the availability 47 of medication under this article absent a request by the patient or by 48 such patient's attending physician upon the request of such patient. Any communication shall not include both the denial of coverage for treat-49 ment and information as to the availability of medication under this 50 article. This subdivision does not bar the inclusion of information as 51 52 to the coverage of medication and professional services under this article in information generally stating what is covered by a third-party 53 health care payer or provided in response to a request by the patient or 54 by such patient's attending physician upon the request of the patient. 55

5. The sale, procurement, or issue of any professional malpractice 1 insurance policy or the rate charged for the policy shall not be condi-2 tioned upon or affected by whether the insured does or does not take or 3 participate in any action under this article. 4 5 § 2899-o. Safe disposal of unused medications. A person who has 6 custody or control of any unused medication prescribed under this arti-7 cle after the death of the qualified individual shall personally deliver 8 the unused medication for disposal to the nearest qualified facility that properly disposes of controlled substances or shall dispose of it 9 10 by lawful means in accordance with regulations made by the commissioner, regulations made by or guidelines of the commissioner of education, or 11 12 guidelines of a federal drug enforcement administration approved takeback program. A qualified facility that properly disposes of controlled 13 14 substances shall accept and dispose of any medication delivered to it as 15 provided hereunder regardless of whether such medication is a controlled substance. The commissioner may make regulations as may be appropriate 16 17 for the safe disposal of unused medications prescribed, dispensed or ordered under this article as provided in this section. 18 § 2899-p. Death certificate. 1. If otherwise authorized by law, the 19 20 attending physician may sign the qualified individual's death certif-21 <u>icate.</u> 22 2. The cause of death listed on a qualified individual's death certificate who dies after self-administering medication under this article 23 will be the underlying terminal illness or condition. 24 25 <u>§ 2899-q. Reporting. 1. The commissioner shall annually review a</u> sample of the records maintained under sections twenty-eight hundred 26 27 ninety-nine-j and twenty-eight hundred ninety-nine-p of this article. 28 The commissioner shall adopt regulations establishing reporting requirements for physicians taking action under this article to determine 29 30 utilization and compliance with this article. The information collected under this subdivision shall not constitute a public record available 31 32 for public inspection and shall be confidential and collected and main-33 tained in a manner that protects the privacy of the patient, the 34 patient's family, and any health care provider acting in connection with 35 such patient under this article, except that such information may be 36 disclosed to a governmental agency as authorized or required by law 37 relating to professional discipline, protection of public health or law 38 enforcement. 39 2. The commissioner shall prepare a report annually containing relevant data regarding utilization and compliance with this article and 40 shall send such report to the legislature, and post such report on the 41 42 department's website. 43 § 2899-r. Penalties. 1. Nothing in this article shall be construed to 44 limit professional discipline or civil liability resulting from conduct 45 in violation of this article, negligent conduct, or intentional miscon-46 duct by any person. 47 2. Conduct in violation of this article shall be subject to applicable 48 criminal liability under state law, including, where appropriate and without limitation, offenses constituting homicide, forgery, coercion, 49 and related offenses, or federal law. 50 § 2899-s. Severability. If any provision of this article or any appli-51 52 cation of any provision of this article, is held to be invalid, or to violate or be inconsistent with any federal law or regulation, that 53 shall not affect the validity or effectiveness of any other provision of 54 this article, or of any other application of any provision of this arti-55

56 <u>cle, which can be given effect without that provision or application;</u>

- 1 and to that end, the provisions and applications of this article are
- 2 severable.
- 3 § 3. This act shall take effect immediately.
