1052

2023-2024 Regular Sessions

IN SENATE

January 9, 2023

Introduced by Sen. COONEY -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT in relation to requiring a review and report on the adequacy, reasonableness and affordability of insurance products designed to pay for the future medical expenses of injured plaintiffs who receive a judgment or settlement for damages that include future medical expenses; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The legislature hereby finds that the costs of medical
2 malpractice payouts are significant for the defendant medical profes-
3 sionals, medical groups and hospitals responsible for these payouts to
4 successful plaintiffs. The COVID-19 outbreak highlighted the essential
5 role these health care providers play in New York state's protection of
6 the health and welfare of its residents. One component of the medical
7 malpractice lawsuit payouts that are extremely costly are future medical
8 expenses for the injured plaintiff. The tremendous financial impact upon
9 the health care community due to the ongoing and growing costs of
10 medical malpractice payouts highlights the need to examine the possibil-
11 ity of the current market for insurance products such as annuities to
12 lessen the tremendous financial burden of these payouts on the vital
13 health care services the New York health care community provides to all
14 New Yorkers.

15 § 2. The superintendent of financial services shall, in consultation
16 with the office of court administration, review and report on the
17 adequacy, reasonableness and affordability of insurance products
18 designed to pay for the future medical expenses of injured plaintiffs
19 who receive a judgment or settlement for damages that include future
20 medical expenses. Such report shall include but not be limited to:

13 act, the superintendent of financial services shall submit such report

20 sion upon the submission of the report required by section three of this
21 act in order that the commission may maintain an accurate and timely
22 effective data base of the official text of the laws of the state of New
23 York in furtherance of effectuating the provisions of section 44 of the
24 legislative law and section 70-b of the public officers law.
