§ 2. Subdivision 2 of section 58 of the civil service law, as amended by chapter 244 of the laws of 2013, is amended to read as follows:

2. The provisions of this section shall not prevent any county, city, town, village, housing authority, transit authority, police district or the department of environmental conservation from setting more restrictive requirements of eligibility for its police officers~~[, except the maximum age to be a police officer as provided in paragraph (a) of subdivision one of this section].~~

§ 3. ~~(e)-(i)]~~ Legislative findings and declaration. The legislature hereby finds and declares that it is frequently impracticable to ascertain fitness for the positions of detective and investigator within various police or sheriffs departments around the state by means of a competitive examination due to the unique nature of the duties assigned and the intangible personal qualities needed to perform such duties. The legislature further finds that competitive examination has never been employed in many police, correction or sheriffs departments, to ascertain fitness for the positions of detective and investigator within such

1 police, correction or sheriffs departments; such fitness has always been
2 determined by evaluation of the capabilities of an individual (who has
3 in any case received permanent appointment to the position of police
4 officer, correction officer of any rank or deputy sheriff) by supervisory
5 personnel. The legislature further finds that an individual who
6 performs in an investigatory position in a manner sufficiently satisfactory
7 to the appropriate supervisors to hold such an assignment for a
8 period of eighteen months, has demonstrated fitness for the position of
9 detective or investigator within such police, correction or sheriffs
10 department at least as sufficiently as could be ascertained by means of
11 a competitive examination.

12 [~~(ii)~~] (b) Notwithstanding any other provision of law, in any juris-
13 diction, other than a city with a population of one million or more or
14 the state department of corrections and community supervision, which
15 does not administer examinations for designation to detective or inves-
16 tigator, any person who has received permanent appointment to the posi-
17 tion of police officer, correction officer of any rank or deputy sheriff
18 and is temporarily assigned to perform the duties of detective or inves-
19 tigator shall, whenever such assignment to the duties of a detective or
20 investigator exceeds eighteen months, be permanently designated as a
21 detective or investigator and receive the compensation ordinarily paid
22 to persons in such designation.

23 [~~(iii)~~] (c) Nothing contained in [~~subparagraph (ii)~~] paragraph (b) of
24 this [~~paragraph~~] subdivision shall be construed to limit any jurisdic-
25 tion's ability to administer examinations for appointment to the posi-
26 tions of detective and investigator, provided however that any person
27 temporarily assigned to perform the duties of detective or investigator
28 within the period commencing September twenty-third, nineteen hundred
29 ninety-three through and including the date upon which this paragraph
30 shall have become a law and who has not been designated as a detective
31 or investigator and who has not been subject to an examination for which
32 there is a certified eligible list, shall be permanently designated as a
33 detective or investigator whenever such assignment to the duties of
34 detective or investigator exceeds eighteen months.

35 [~~(iv)~~] (d) Detectives and investigators designated since September
36 twenty-third, nineteen hundred ninety and prior to February twenty-
37 fourth, nineteen hundred ninety-five by any state, county, town, village
38 or city (other than a city with a population of one million or more or
39 the state department of corrections and community supervision) police,
40 correction or sheriffs department, pursuant to the provisions of this
41 paragraph in effect during such period, who continue to serve in such
42 positions, shall retain their detective or investigator status without
43 any right to retroactive financial entitlement.

44 § 4. Subdivision 3 of section 215 of the executive law, as amended by
45 chapter 478 of the laws of 2004, is amended to read as follows:

46 3. The sworn members of the New York state police shall be appointed
47 by the superintendent and permanent appointees may be removed by the
48 superintendent only after a hearing. No person shall be appointed to the
49 New York state police force as a sworn member unless he or she shall be
50 a citizen of the United States, [~~between the ages of~~] and at least twen-

52 ~~discretion, the maximum age may be extended to thirty five years.~~
53 ~~Notwithstanding any other provision of law or any general or special law~~
54 ~~to the contrary the time spent on military duty, not exceeding a total~~
55 ~~of six years, shall be subtracted from the age of any applicant who has~~
56 ~~passed his or her twenty ninth birthday, solely for the purpose of~~

1 ~~permitting qualification as to age and for no other purpose. Such limi-~~
2 ~~tations as to age however shall not apply to persons appointed to the~~
3 ~~positions of counsel, first assistant counsel, assistant counsel, and~~

13 basic school and terminate one year after successful completion thereof.
14 All other sworn members shall be subject to a probationary period of one
15 year from the date of appointment. Following satisfactory completion of
16 the probationary period the member shall be a permanent appointee.

18 during such appointment shall be submitted to the superintendent for

20 ment issued or for debts or obligations to the state to be satisfied.
21 Resignation or withdrawal from the division during a time of emergency,
22 so declared by the governor, shall not be approved if contrary to the
23 best interest of the state and shall be a misdemeanor. No sworn member
24 removed from the New York state police shall be eligible for reappoint-
25 ment. The superintendent shall make rules and regulations subject to
26 approval by the governor for the discipline and control of the New York
27 state police and for the examination and qualifications of applicants
28 for appointment as members thereto and such examinations shall be held
29 and conducted by the superintendent subject to such rules and regu-
30 lations. The superintendent is authorized to charge a fee of twenty
31 dollars as an application fee for any person applying to take a compet-
32 itive examination for the position of trooper, and a fee of five dollars
33 for any competitive examination for a civilian position. The superinten-
34 dent shall promulgate regulations subject to the approval of the direc-
35 tor of the budget, to provide for a waiver of the application fee when
36 the fee would cause an unreasonable hardship on the applicant and to
37 establish a fee schedule and charge fees for the use of state police
38 facilities.
