Introduced by Sen. KRUEGER -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law, in relation to coverage for treatment of smoking cessation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 4303 of the insurance law is amended by adding a  
2 new subsection (uu) to read as follows:

3 (uu) A hospital service corporation or a health service corporation  
4 which provides group, group remittance or school blanket coverage for  
5 inpatient hospital care shall provide coverage for costs of any FDA  
6 approved smoking cessation medication and recommended counseling that is  
7 ordered by a physician. Such coverage may be limited to two quit  
8 attempts per year. Each quit attempt will include ninety days of any FDA  
9 approved cessation medications and four counseling sessions without  
10 cost-sharing or prior authorization. This provision shall not apply to a  
11 contract issued pursuant to section four thousand three hundred five of  
12 this article which covers persons employed in more than one state or the  
13 benefit structure of which was the subject of collective bargaining  
14 affecting persons who are employed in more than one state. Such coverage  
15 may be subject to annual deductibles and co-insurance as may be deemed  
16 appropriate by the superintendent and are consistent with those imposed  
17 on other benefits within a given policy. Such coverage shall not  
18 replace, restrict or eliminate existing coverage provided by the policy.

19 § 2. Subsection (i) of section 3216 of the insurance law is amended by  
20 adding a new paragraph 39 to read as follows:

21 (39) Every policy shall provide coverage for costs of any FDA approved  
22 smoking cessation medication and recommended counseling that is ordered  
23 by a physician. Such coverage may be limited to two quit attempts per  
24 year. Each quit attempt will include ninety days of any FDA approved
