15 defective or deficient rehabilitation work has been cured. The increase
16 permitted for such capital improvement shall be collected as a monthly
17 surcharge to the maximum rent. It shall be separately designated and
18 billed as such and shall not be compounded by any other adjustment to
19 the maximum rent. The surcharge allocable to each apartment shall be an
20 amount equal to the cost of the improvement divided by eighty-four,
21 divided by the number of rooms in the building, and then multiplied by
22 the number of rooms in such apartment; provided that the surcharge allo-
23 cable to any apartment in any one year may not exceed an amount equal to
24 six percent of the monthly rent collected by the owner for such apart-
25 ment as set forth in the schedule of gross rents. Any excess above said
26 six percent shall be carried forward and collected in future years as a
27 further surcharge not to exceed an additional six percent in any one
28 year period until the total surcharge equals the amount it would have
29 been if the aforementioned six percent limitation did not apply; or (8)
30 there has been since March first, nineteen hundred fifty, in structures
31 containing more than four housing accommodations, other improvements
32 made with the express informed consent of the tenants in occupancy of at
33 least seventy-five per centum of the housing accommodations, provided,
34 however, that no adjustment granted hereunder shall exceed two per
35 centum unless the tenants have agreed to a higher percentage of
36 increase, as herein provided; (9) there has been, since March first,
37 nineteen hundred fifty, a subletting without written consent from the
38 landlord or an increase in the number of adult occupants who are not

41 order of the commission or pursuant to the federal act; or (10) the
42 presence of unique or peculiar circumstances materially affecting the
43 maximum rent has resulted in a maximum rent which is substantially lower
44 than the rents generally prevailing in the same area for substantially
45 similar housing accommodations.

46 § 7. Paragraph 5 of subdivision d of section 6 of section 4 of chapter
47 576 of the laws of 1974, constituting the emergency tenant protection
48 act of nineteen seventy-four, as amended by chapter 102 of the laws of
49 1984, is amended and a new paragraph 6 is added to read as follows:

50 (5) as an alternative to the hardship application provided under para-
51 graph four of this subdivision, owners of buildings acquired by the same
52 owner or a related entity owned by the same principals three years prior
53 to the date of application may apply to the division for increases in
54 excess of the level of applicable guideline increases established under
55 this law based on a finding by the commissioner that such guideline
56 increases are not sufficient to enable the owner to maintain an annual

1 gross rent income for such building which exceeds the annual operating
2 expenses of such building by a sum equal to at least five percent of
3 such gross rent. For the purposes of this paragraph, operating expenses
4 shall consist of the actual, reasonable, costs of fuel, labor, utili-
5 ties, taxes, other than income or corporate franchise taxes, fees,
6 permits, necessary contracted services and non-capital repairs, insur-
7 ance, parts and supplies, management fees and other administrative costs
8 and mortgage interest. For the purposes of this paragraph, mortgage
9 interest shall be deemed to mean interest on a bona fide mortgage
10 including an allocable portion of charges related thereto. Criteria to
11 be considered in determining a bona fide mortgage other than an institu-
12 tional mortgage shall include[+]: condition of the property, location of
13 the property, the existing mortgage market at the time the mortgage is
14 placed, the term of the mortgage, the amortization rate, the principal
15 amount of the mortgage, security and other terms and conditions of the
16 mortgage. The commissioner shall set a rental value for any unit occu-
17 pied by the owner or a person related to the owner or unoccupied at the
18 owner's choice for more than one month at the last regulated rent plus
19 the minimum number of guidelines increases or, if no such regulated rent
20 existed or is known, the commissioner shall impute a rent consistent
21 with other rents in the building. The amount of hardship increase shall
22 be such as may be required to maintain the annual gross rent income as
23 provided by this paragraph. The division shall not grant a hardship
24 application under this paragraph or paragraph four of this subdivision
25 for a period of three years subsequent to granting a hardship applica-
26 tion under the provisions of this paragraph. The collection of any
27 increase in the rent for any housing accommodation pursuant to this
28 paragraph shall not exceed six percent in any year from the effective
29 date of the order granting the increase over the rent set forth in the
30 schedule of gross rents, with collectability of any dollar excess above
31 said sum to be spread forward in similar increments and added to the
32 rent as established or set in future years. No application shall be
33 approved unless the owner's equity in such building exceeds five percent
34 of: (i) the arms length purchase price of the property; (ii) the cost of
35 any capital improvements for which the owner has not collected a
36 surcharge; (iii) any repayment of principal of any mortgage or loan used
37 to finance the purchase of the property or any capital improvements for
38 which the owner has not collected a surcharge; and (iv) any increase in
39 the equalized assessed value of the property which occurred subsequent
40 to the first valuation of the property after purchase by the owner. For
41 the purposes of this paragraph, owner's equity shall mean the sum of (i)
42 the purchase price of the property less the principal of any mortgage or
43 loan used to finance the purchase of the property, (ii) the cost of any
44 capital improvement for which the owner has not collected a surcharge
45 less the principal of any mortgage or loan used to finance said improve-
46 ment, (iii) any repayment of the principal of any mortgage or loan used
47 to finance the purchase of the property or any capital improvement for
48 which the owner has not collected a surcharge, and (iv) any increase in
49 the equalized assessed value of the property which occurred subsequent
50 to the first valuation of the property after purchase by the owner[+];
