## IN SENATE

January 13, 2023

Introduced by Sens. SERRANO, ADDABBO, COMRIE, HOYLMAN-SIGAL, KENNEDY, PARKER, PERSAUD -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to prohibiting the nonemergency application of pesticide or lawn care pesticide within any municipal park lands and lands under the jurisdiction of the state office of parks, recreation and historic preservation and requiring notice of pesticide application

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 37-0123 to read as follows:

§ 37-0123. Prohibition of nonemergency application of pesticide or lawn care pesticide.

1. No person, firm, partnership, association, limited liability company, corporation, municipality or government entity shall allow or implement the nonemergency application of pesticide or lawn care pesticide in any municipal park lands and lands under the jurisdiction of the state office of parks, recreation and historic preservation.

2. Prior to any application of pesticide or lawn care pesticide, the office shall provide public notice at least seventy-two hours prior to such application. Such public notice shall remain posted on the premise and on any internet web site operated by the office for seventy-two hours.

3. For the purposes of this section:

(a) "pesticide" means a fungicide used on plants, an insecticide, a herbicide or a rodenticide, but does not mean a sanitizer, disinfectant, antimicrobial agent or pesticide bait in a tamper resistant container;

(b) "lawn care pesticide" means a pesticide registered by the United States Environmental Protection Agency and labeled pursuant to the
