4 any police officer it employs to carry or use a firearm during any phase  
5 of the officer's official duties, which constitutes on-duty employment,

15 to lack of available training. A police officer shall not be transferred  
16 from his or her precinct, command, assignment, post, squad, or tour of  
17 duty as a result of such employer's failure to provide the training  
18 required under this section. In addition, such employer's failure to  
19 provide the training required under this section shall not impair a  
20 police officer's ability to carry a firearm while off-duty.

21 § 2. This act shall take effect on the first of January next succeed-  
22 ing the date on which it shall have become a law.
