(ii) it is in the public interest to do so and the [~~purpose of the transfer is within the purpose, mission or governing statute of the public authority, or~~

~~(iii) in~~] disposal is made in compliance with paragraph b of this subdivision.

b. In the event a public authority seeks to transfer an asset for less than its fair market value to other than a governmental entity, [~~which disposal would not be consistent with the authority's mission, purpose or governing statutes,~~] such authority shall provide written notification thereof to the governor, the speaker of the assembly, and the temporary president of the senate, and such proposed transfer shall be subject to denial by the governor, the senate, or the assembly. Denial by the governor shall take the form of a signed certification by the governor. Denial by either house of the legislature shall take the form of a resolution by such house. The governor and each house of the legislature shall take any such action within sixty days of receiving notification of such proposed transfer during the months of January through June, provided that if the legislature receives notification of a proposed transfer during the months of July through December, the legislature may take any such action within sixty days of January first of the following year. If no such resolution or certification is performed within sixty days of such notification of the proposed transfer to the governor, senate, and assembly, the public authority may effectuate such transfer. Provided, however, that with respect to a below market transfer by a local authority [~~that is not within the purpose, mission or governing statute of the local authority~~], if the governing statute provides for the approval of such transfer by the executive and legislative branches of the political subdivision in which such local authority resides, and the transfer is of property obtained by the authority from that political subdivision, then such approval shall be sufficient to permit the transfer.

(vi) the names of other private parties who have made an offer for such asset, the value offered, and the purpose for which the asset was sought to be used.

[~~e.~~] d. Before approving the disposal of any property for less than fair market value, the board of an authority shall consider the information described in paragraph [~~b.~~] c of this subdivision and make a written

1 determination that there is no reasonable alternative to the proposed  
2 below-market transfer that would achieve the same purpose of such trans-  
3 fer.

4 § 4. This act shall take effect immediately and shall apply to  
5 disposals and contracts for disposal of property occurring or entered  
6 into on or after such date.
