Introduced by Sen. ADDABBO -- read twice and ordered printed, and when printed to be committed to the Committee on Racing, Gaming and Wagering

AN ACT to amend the general municipal law, in relation to electronic bell jar games

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and purpose. 1. The legislature hereby finds that:

2 (a) bell jar games are a popular and profitable fundraising mechanism for bona fide not-for-profit organizations across the state, generating millions of dollars in net revenues for charitable purposes every year;

3 (b) authorized organizations that offer bell jars and other games of chance must meet strict standards established by the New York state general municipal law and the New York state gaming commission, including receiving a license to conduct charitable gaming activities; and

4 (c) while other types of gaming in New York state have continued to expand and improve, the operation of charitable gaming activities has largely remained the same over the last several decades.

5 2. For the aforementioned reasons, the legislature hereby declares that authorized organizations licensed by the New York state gaming commission to conduct charitable gaming would greatly benefit from the ability to operate electronic bell jar vending machines, which display and dispense pre-printed bell jar tickets that have predetermined winners and predetermined values for prizes, in order to help increase charitable gaming profits across the state and attract more members to join such organizations.

6 § 2. Subdivision 3-a of section 186 of the general municipal law, as amended by chapter 531 of the laws of 2011, is amended to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD04113-01-3

1 3-a. "Bell jars" shall mean and include those games in which a partic-  
2 ipant shall draw a card from a jar, vending machine, including an elec-  
3 tronic bell jar vending machine, or other suitable device or container  
4 which contains numbers, colors or symbols that are covered and which,  
5 when uncovered, may reveal that a prize shall be awarded on the basis of  
6 a designated winning number, color or symbol or combination of numbers,  
7 colors or symbols. Bell jars shall also include seal cards, coin boards,  
8 event games, and merchandise boards. An electronic bell jar vending  
9 machine shall use electronic features to display and dispense pre-print-  
10 ed bell jar tickets, including audio and video features to display  
11 information about a ticket being dispensed, provided that such features  
12 do not affect the outcome of the game.

13 § 3. Subdivision 9 of section 188-a of the general municipal law, as  
14 added by chapter 960 of the laws of 1976, is amended to read as follows:

15 9. (a) The [~~board~~] commission shall have the power to approve and  
16 establish a standard set of games of chance equipment and shall by its  
17 rules and regulations prescribe the manner in which such equipment is to  
18 be reproduced and distributed to licensed authorized organizations. The  
19 sale or distribution to a licensed authorized organization of any equip-  
20 ment other than that contained in the standard set of games of chance  
21 equipment shall constitute a violation of this section.

22 (b) After the effective date of this paragraph, no electronic bell jar  
23 vending machine shall be sold, leased, distributed, installed, or oper-  
24 ated by any manufacturer, distributor, or charitable organization until  
25 such machine has been approved by the commission. No electronic bell  
26 jar vending machine shall be approved by the commission unless the oper-  
27 ation of the game demonstrates that there is a finite probability basis  
28 of having a predetermined quantity of chances among which there is a  
29 predetermined quantity of winners that pay a fixed and predetermined  
30 value of prizes, regardless of the symbols that are used or how those  
31 symbols are displayed on pre-printed bell jar tickets.

32 § 4. Subdivision 3 of section 189 of the general municipal law, as  
33 amended by chapter 337 of the laws of 1998, is amended to read as  
34 follows:

35 3. No authorized organization licensed under the provisions of this  
36 article shall purchase, lease, or receive any supplies or equipment  
37 specifically designed or adapted for use in the conduct of games of  
38 chance from other than a supplier licensed by the [~~board~~] commission or  
39 from another authorized organization. Lease terms and conditions shall  
40 be subject to rules and regulations promulgated by the [~~board~~] commis-  
41 sion. The provisions of this article shall not be construed to authorize  
42 or permit an authorized organization to engage in the business of leas-  
43 ing games of chance, supplies, or equipment. Furthermore, no organiza-  
44 tion shall purchase bell jar tickets[~~r~~] or deals of bell jar tickets, or  
45 purchase or lease any electronic bell jar vending machine, from any  
46 other person or organization other than those specifically authorized  
47 under sections one hundred ninety-five-n and one hundred ninety-five-o  
48 of this article.

49 § 5. The opening paragraph of section 189-a of the general municipal  
50 law, as amended by chapter 164 of the laws of 2003, is amended to read  
51 as follows:

52 No person, firm, partnership, corporation or organization, shall sell  
53 or distribute supplies or equipment specifically designed or adapted for  
54 use in conduct of games of chance without having first obtained a  
55 license therefor upon written application made, verified and filed with  
56 the [~~board~~] commission in the form prescribed by the rules and regu-

lations of the [~~beard~~] commission. As a part of its determination concerning the applicant's suitability for licensing as a games of chance supplier, the [~~beard~~] commission shall require the applicant to furnish to the [~~beard~~] commission two sets of fingerprints. Such fingerprints shall be submitted to the division of criminal justice services for a state criminal history record check, as defined in subdivision one of section three thousand thirty-five of the education law, and may be submitted to the federal bureau of investigation for a national criminal history record check. Manufacturers of bell jar tickets shall be considered suppliers of such equipment. In each such application for a license under this section shall be stated the name and address of the applicant; the names and addresses of its officers, directors, shareholders or partners; the amount of gross receipts realized on the sale and rental of games of chance supplies and equipment to duly licensed authorized organizations during the last preceding calendar or fiscal year, and such other information as shall be prescribed by such rules and regulations. The fee for such license shall be a sum equal to twenty-five dollars plus an amount equal to two per centum of the gross sales and rentals, if any, of games of chance equipment and supplies to authorized organizations or authorized games of chance lessors by the applicant during the preceding calendar year, or fiscal year if the applicant maintains his accounts on a fiscal year basis; provided, however, that for manufacturers of electronic bell jar vending machines, the fee for such license shall be one thousand dollars. No license granted pursuant to the provisions of this section shall be effective for a period of more than one year.

§ 6. Section 195-c of the general municipal law, as amended by chapter 252 of the laws of 1998, is amended to read as follows:

5 for the sale or assisting with the sale of raffle tickets.

6 2. For the purpose of the sale of tickets for the game of raffle, the
