STATE OF NEW YORK

2280

2023-2024 Regular Sessions

IN SENATE

January 19, 2023

Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to expanding health education curriculum to include breast cancer screenings

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act shall be known and my be cited as "Siena's Law".

§ 2. Subdivision 5 of section 804 of the education law, as amended by chapter 390 of the laws of 2016, is amended to read as follows:

5. **a.** Instruction regarding methods of prevention and detection of certain cancers, including but not limited to breast cancer, skin cancer, testicular cancer and other cancers where certain preventive measures have become generally accepted and certain detection methods have been adopted and recommended generally to the public. Such instruction shall be an integral part of a required health education course at the senior high school level, in addition to continued health guidance in senior high schools. Any such course shall be taught by teachers holding a certificate to teach health. **With respect to instruction regarding breast cancer, such instruction shall include age and developmentally appropriate instruction in performing self-examinations.**

b. In addition to the requirements of paragraph a of this subdivision, with respect to the instruction regarding breast cancer, such instruction may be offered in elementary and middle schools as deemed appropriate by local boards of education and the chancellor of the city school district of the city of New York.

§ 3. This act shall take effect on the first of July next succeeding the date on which it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
