3. When a vehicle seized and impounded pursuant to this section has been in the custody of the local authority for thirty days, such authority shall make inquiry in the manner prescribed by the commissioner as to the name and address of the owner and any lienholder and upon receipt of such information shall notify the owner and the lienholder, if any, at his or her last known address by certified mail, return receipt requested, that if the vehicle is not retrieved pursuant to subdivision two of this section within thirty days from the date the notice is given, it will be forfeited. A proceeding to decree such forfeiture and to recover towing and storage costs, if any, to the extent such costs exceed the fair market value of the vehicle may be brought by the local authority in the court in which the criminal action for aggravated unlicensed operation of a motor vehicle was commenced by petition for an order decreeing forfeiture of the motor vehicle accompanied by an affidavit attesting to facts showing that forfeiture is warranted. If the identity and address of the owner and/or lienholder is known to the local authority, ten days notice shall be given to such party, who shall have an opportunity to appear and be heard prior to entry of an order decreeing forfeiture. Where the court is satisfied that forfeiture of a motor vehicle is warranted in accordance with this section, it shall enter an order decreeing forfeiture of such vehicle. Provided, however, that the court at any time prior to entry of such an order may authorize release of the vehicle in accordance with subdivision two of this section upon a showing of good cause for failure to retrieve same prior to commencement of the proceeding to decree forfeiture, but if the court orders release of the motor vehicle as herein provided and the vehicle is not redeemed within ten days from the date of such order, the vehicle shall be deemed to have been abandoned and the court upon application of the local

authority must enter an order decreeing its forfeiture.
