## IN SENATE

January 20, 2023

Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the public authorities law, in relation to requiring public notice and hearing prior to any planned substantial change in service of the Rochester-Genesee regional transportation authority

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public authorities law is amended by adding a new  
2 section 1299-hhh to read as follows:

3 § 1299-hhh. Public hearings and notice. 1. For the purposes of this  
4 section, the term substantial change in service shall be defined as any  
5 change in frequency of service or change in route, or complete or  
6 partial closing of a passenger stop or route.

7 2. (a) A public hearing or hearings shall be held at least thirty days  
8 prior to any substantial change at one or more locations conveniently  
9 accessible to the persons who would be affected by such change in  
10 service.

11 (b) At least thirty days prior to the public hearing or hearings, the  
12 authority shall give notice to the elected town board members or equiv-  
13 alent in areas affected by route changes and shall provide detailed  
14 information on the proposed service changes. In addition, the authority  
15 shall display posters in a form not smaller than eleven inches by seven-  
16 teen inches on buses and at bus stops operating on the affected route at  
17 least thirty days prior to the public hearing or hearings. Such posters  
18 shall describe the proposed service change in detail and shall provide  
19 the date, time and location of the public hearing or hearings and shall  
20 state that the proposed service change shall be open to discussion and  
21 that members of the public shall have the right to speak at the hearing.

22 (c) Public hearing notices shall also be placed at the Central Library  
23 of Rochester and Monroe county, as well as in any public library in any
