1           2899-r. Penalties.

2           2899-s. Severability.

3           § 2899-d. Definitions. As used in this article:

4           1. "Adult" means an individual who is eighteen years of age or older.

5           2. "Attending physician" means the physician who has primary responsi-  
6 bility for the care of the patient and treatment of the patient's termi-  
7 nal illness or condition.

8           3. "Decision-making capacity" means the ability to understand and  
9 appreciate the nature and consequences of health care decisions, includ-  
10 ing the benefits and risks of and alternatives to any proposed health  
11 care, including medical aid in dying, and to reach an informed decision.

12           4. "Consulting physician" means a physician who is qualified by  
13 specialty or experience to make a professional diagnosis and prognosis  
14 regarding a person's terminal illness or condition.

15           5. "Health care facility" means a general hospital, nursing home, or  
16 residential health care facility as defined in section twenty-eight  
17 hundred one of this chapter, or a hospice as defined in section four  
18 thousand two of this chapter; provided that for the purposes of section  
19 twenty eight hundred ninety-nine-m of this article, "hospice" shall  
20 refer only to a facility providing in-patient hospice care or a hospice  
21 residence.

22           6. "Health care provider" means a person licensed, certified, or  
23 authorized by law to administer health care or dispense medication in  
24 the ordinary course of business or practice of a profession.

25           7. "Informed decision" means a decision by a patient who is suffering  
26 from a terminal illness or condition to request and obtain a  
27 prescription for medication that the patient may self-administer to end  
28 the patient's life that is based on an understanding and acknowledgment  
29 of the relevant facts and that is made voluntarily, of the patient's own  
30 volition and without coercion, after being fully informed of:

31           (a) the patient's medical diagnosis and prognosis;

32           (b) the potential risks associated with taking the medication to be  
33 prescribed;

34           (c) the probable result of taking the medication to be prescribed;

35           (d) the possibility that the patient may choose not to obtain the  
36 medication, or may obtain the medication but may decide not to self-ad-  
37 minister it; and

38           (e) the feasible alternatives and appropriate treatment options,  
39 including but not limited to palliative care and hospice care.

40           8. "Medical aid in dying" means the medical practice of a physician  
41 prescribing medication to a qualified individual that the individual may  
42 choose to self-administer to bring about death.

43           9. "Medically confirmed" means the medical opinion of the attending  
44 physician that a patient has a terminal illness or condition and has  
45 made an informed decision which has been confirmed by a consulting  
46 physician who has examined the patient and the patient's relevant  
47 medical records.

48           10. "Medication" means medication prescribed by a physician under this  
49 article.

50           11. "Mental health professional" means a licensed physician, who is a  
51 dipomate or eligible to be certified by a national board of psychiatry,  
52 psychiatric nurse practitioner, or psychologist, licensed or certified  
53 under the education law acting within his or her scope of practice and  
54 who is qualified, by training and experience, certification, or board  
55 certification or eligibility, to make a determination under section  
56 twenty-eight hundred ninety-nine-i of this article.

1 12. "Palliative care" means health care treatment, including interdis-  
2 ciplinary end-of-life care, and consultation with patients and family  
3 members, to prevent or relieve pain and suffering and to enhance the  
4 patient's quality of life, including hospice care under article forty of  
5 this chapter.

6 13. "Patient" means a person who is eighteen years of age or older  
7 under the care of a physician.

8 14. "Physician" means an individual licensed to practice medicine in  
9 New York state.

10 15. "Qualified individual" means a patient with a terminal illness or  
11 condition, who has decision-making capacity, has made an informed deci-  
12 sion, and has satisfied the requirements of this article in order to  
13 obtain a prescription for medication.

14 16. "Self-administer" means a qualified individual's affirmative,  
15 conscious, and voluntary act to ingest medication under this article.  
16 Self-administration does not include lethal injection or lethal  
17 infusion.

18 17. "Terminal illness or condition" means an incurable and irrevers-  
19 ible illness or condition that has been medically confirmed and will,  
20 within reasonable medical judgment, produce death within six months.

21 § 2899-e. Request process. 1. Oral and written request. A patient  
22 wishing to request medication under this article shall make an oral  
23 request and submit a written request to the patient's attending physi-  
24 cian.

25 2. Making a written request. A patient may make a written request for  
26 and consent to self-administer medication for the purpose of ending his  
27 or her life in accordance with this article if the patient:

28 (a) has been determined by the attending physician to have a terminal  
29 illness or condition and which has been medically confirmed by a  
30 consulting physician; and

31 (b) based on an informed decision, expresses voluntarily, of the  
32 patient's own volition and without coercion the request for medication  
33 to end his or her life.

34 3. Written request signed and witnessed. (a) A written request for  
35 medication under this article shall be signed and dated by the patient  
36 and witnessed by at least two adults who, in the presence of the  
37 patient, attest that to the best of his or her knowledge and belief the  
38 patient has decision-making capacity, is acting voluntarily, is making  
39 the request for medication of his or her own volition and is not being  
40 coerced to sign the request. The written request shall be in substan-  
41 tially the form described in section twenty-eight hundred ninety-nine-k  
42 of this article.

43 (b) Both witnesses shall be adults who are not:

44 (i) a relative of the patient by blood, marriage or adoption;

45 (ii) a person who at the time the request is signed would be entitled  
46 to any portion of the estate of the patient upon death under any will or  
47 by operation of law; or

48 (iii) an owner, operator, employee or independent contractor of a  
49 health care facility where the patient is receiving treatment or is a  
50 resident.

51 (c) The attending physician, consulting physician and, if applicable,  
52 the mental health professional who provides a decision-making capacity  
53 determination of the patient under this article shall not be a witness.

54 4. No person shall qualify for medical aid in dying under this article  
55 solely because of age or disability.

1 5. Requests for a medical aid-in-dying prescription must be made by  
2 the qualified individual and may not be made by any other individual,  
3 including the qualified individual's health care agent, or other agent  
4 or surrogate, or via advance healthcare directive.

5 § 2899-f. Attending physician responsibilities. 1. The attending  
6 physician shall examine the patient and his or her relevant medical  
7 records and:

8 (a) make a determination of whether a patient has a terminal illness  
9 or condition, has decision-making capacity, has made an informed deci-  
10 sion and has made the request voluntarily of the patient's own volition  
11 and without coercion;

12 (b) inform the patient of the requirement under this article for  
13 confirmation by a consulting physician, and refer the patient to a  
14 consulting physician upon the patient's request;

15 (c) refer the patient to a mental health professional pursuant to  
16 section twenty-eight hundred ninety-nine-i of this article if the  
17 attending physician believes that the patient may lack decision-making  
18 capacity to make an informed decision;

19 (d) provide information and counseling under section twenty-nine  
20 hundred ninety-seven-c of this chapter;

21 (e) ensure that the patient is making an informed decision by discuss-  
22 ing with the patient: (i) the patient's medical diagnosis and prognosis;  
23 (ii) the potential risks associated with taking the medication to be  
24 prescribed; (iii) the probable result of taking the medication to be  
25 prescribed; (iv) the possibility that the patient may choose to obtain  
26 the medication but not take it; (v) the feasible alternatives and appro-  
27 priate treatment options, including but not limited to (1) information  
28 and counseling regarding palliative and hospice care and end-of-life  
29 options appropriate to the patient, including but not limited to: the  
30 range of options appropriate to the patient; the prognosis, risks and  
31 benefits of the various options; and the patient's legal rights to  
32 comprehensive pain and symptom management at the end of life; and (2)  
33 information regarding treatment options appropriate to the patient,  
34 including the prognosis, risks and benefits of the various treatment  
35 options;

36 (f) offer to refer the patient for other appropriate treatment  
37 options, including but not limited to palliative care and hospice care;

38 (g) provide health literate and culturally appropriate educational  
39 material regarding hospice and palliative care that has been prepared by  
40 the department in consultation with representatives of hospice and  
41 palliative care providers from all regions of New York state, and that  
42 is available on the department's website for access and download,  
43 provided, however, an otherwise eligible patient cannot be denied care  
44 under this article if these materials are not developed by the effective  
45 date of this article;

46 (h) discuss with the patient the importance of:

47 (i) having another person present when the patient takes the medica-  
48 tion and the restriction that no person other than the patient may  
49 administer the medication;

50 (ii) not taking the medication in a public place; and

51 (iii) informing the patient's family of the patient's decision to  
52 request and take medication that will end the patient's life; a patient  
53 who declines or is unable to notify family shall not have his or her  
54 request for medication denied for that reason;

55 (i) inform the patient that he or she may rescind the request for  
56 medication at any time and in any manner;

1 (j) fulfill the medical record documentation requirements of section  
2 twenty-eight hundred ninety-nine-j of this article; and

3 (k) ensure that all appropriate steps are carried out in accordance  
4 with this article before writing a prescription for medication.

5 2. Upon receiving confirmation from a consulting physician under  
6 section twenty-eight hundred ninety-nine-h of this article and subject  
7 to section twenty-eight hundred ninety-nine-i of this article, the  
8 attending physician who determines that the patient has a terminal  
9 illness or condition, has decision-making capacity and has made a volun-  
10 tary request for medication as provided in this article, may personally,  
11 or by referral to another physician, prescribe or order appropriate  
12 medication in accordance with the patient's request under this article,  
13 and at the patient's request, facilitate the filling of the prescription  
14 and delivery of the medication to the patient.

15 3. In accordance with the direction of the prescribing or ordering  
16 physician and the consent of the patient, the patient may self-adminis-  
17 ter the medication to himself or herself. A health care professional or  
18 other person shall not administer the medication to the patient.

19 § 2899-g. Right to rescind request; requirement to offer opportunity  
20 to rescind. 1. A patient may at any time rescind his or her request for  
21 medication under this article without regard to the patient's decision-  
22 making capacity.

23 2. A prescription for medication may not be written without the  
24 attending physician offering the qualified individual an opportunity to  
25 rescind the request.

26 § 2899-h. Consulting physician responsibilities. Before a patient who  
27 is requesting medication may receive a prescription for medication under  
28 this article, a consulting physician must:

29 1. examine the patient and his or her relevant medical records;

30 2. confirm, in writing, to the attending physician and the patient,  
31 whether: (a) the patient has a terminal illness or condition; (b) the  
32 patient is making an informed decision; (c) the patient has decision-  
33 making capacity, or provide documentation that the consulting physician  
34 has referred the patient for a determination under section twenty-eight  
35 hundred ninety-nine-i of this article; and (d) the patient is acting  
36 voluntarily, of the patient's own volition and without coercion.

37 § 2899-i. Referral to mental health professional. 1. If the attending  
38 physician or the consulting physician determines that the patient may  
39 lack decision-making capacity to make an informed decision due to a  
40 condition, including, but not limited to, a psychiatric or psychological  
41 disorder, or other condition causing impaired judgement, the attending  
42 physician or consulting physician shall refer the patient to a mental  
43 health professional for a determination of whether the patient has deci-  
44 sion-making capacity to make an informed decision. The referring physi-  
45 cian shall advise the patient that the report of the mental health  
46 professional will be provided to the attending physician and the  
47 consulting physician.

48 2. A mental health professional who evaluates a patient under this  
49 section shall report, in writing, to the attending physician and the  
50 consulting physician, his or her independent conclusions about whether  
51 the patient has decision-making capacity to make an informed decision,  
52 provided that if, at the time of the report, the patient has not yet  
53 been referred to a consulting physician, then upon referral the attend-  
54 ing physician shall provide the consulting physician with a copy of the  
55 mental health professional's report. If the mental health professional  
56 determines that the patient lacks decision-making capacity to make an

1 informed decision, the patient shall not be deemed a qualified individ-  
2 ual, and the attending physician shall not prescribe medication to the  
3 patient.

4 3. A determination made pursuant to this section that an adult patient  
5 lacks decision-making capacity shall not be construed as a finding that  
6 the patient lacks decision-making capacity for any other purpose.

7 § 2899-j. Medical record documentation requirements. An attending  
8 physician shall document or file the following in the patient's medical  
9 record:

10 1. the dates of all oral requests by the patient for medication under  
11 this article;

12 2. the written request by the patient for medication under this arti-  
13 cle, including the declaration of witnesses and interpreter's declara-  
14 tion, if applicable;

15 3. the attending physician's diagnosis and prognosis, determination of  
16 decision-making capacity, and determination that the patient is acting  
17 voluntarily, of the patient's own volition and without coercion, and has  
18 made an informed decision;

19 4. if applicable, written confirmation of decision-making capacity  
20 under section twenty-eight hundred ninety-nine-i of this article; and

21 5. a note by the attending physician indicating that all requirements  
22 under this article have been met and indicating the steps taken to carry  
23 out the request, including a notation of the medication prescribed or  
24 ordered.

25 § 2899-k. Form of written request and witness attestation. 1. A  
26 request for medication under this article shall be in substantially the  
27 following form:

28 REQUEST FOR MEDICATION TO END MY LIFE

29 I, \_\_\_\_\_, am an adult who has decision-  
30 making capacity, which means I understand and appreciate the nature and  
31 consequences of health care decisions, including the benefits and risks  
32 of and alternatives to any proposed health care, and to reach an  
33 informed decision and to communicate health care decisions to a physi-  
34 cian.

35 I have been diagnosed with \_\_\_\_\_ (insert diagnosis), which my  
36 attending physician has determined is a terminal illness or condition,  
37 which has been medically confirmed by a consulting physician.

38 I have been fully informed of my diagnosis and prognosis, the nature  
39 of the medication to be prescribed and potential associated risks, the  
40 expected result, and the feasible alternatives and treatment options  
41 including but not limited to palliative care and hospice care.

42 I request that my attending physician prescribe medication that will  
43 end my life if I choose to take it, and I authorize my attending physi-  
44 cian to contact another physician or any pharmacist about my request.

45 INITIAL ONE:

46 ( ) I have informed or intend to inform one or more members of my  
47 family of my decision.

48 ( ) I have decided not to inform any member of my family of my deci-  
49 sion.

50 ( ) I have no family to inform of my decision.

51 I understand that I have the right to rescind this request or decline  
52 to use the medication at any time.

53 I understand the importance of this request, and I expect to die if I  
54 take the medication to be prescribed. I further understand that although

1 most deaths occur within three hours, my death may take longer, and my  
2 attending physician has counseled me about this possibility.

3 I make this request voluntarily, of my own volition and without being  
4 coerced, and I accept full responsibility for my actions.

5 Signed: \_\_\_\_\_

6 Dated: \_\_\_\_\_

7 DECLARATION OF WITNESSES

8 I declare that the person signing this "Request for Medication to End  
9 My Life":

10 (a) is personally known to me or has provided proof of identity;

11 (b) voluntarily signed the "Request for Medication to End My Life" in  
12 my presence or acknowledged to me that he or she signed it; and

13 (c) to the best of my knowledge and belief, has decision-making capac-  
14 ity and is making the "Request for Medication to End My Life" voluntar-  
15 ily, of his or her own volition and is not being coerced to sign the  
16 "Request for Medication to End My Life".

17 I am not the attending physician or consulting physician of the person  
18 signing the "Request for Medication to End My Life" or, if applicable,  
19 the mental health professional who provides a decision-making capacity  
20 determination of the person signing the "Request for Medication to End  
21 My Life" at the time the "Request for Medication to End My Life" was  
22 signed.

23 I further declare under penalty of perjury that the statements made  
24 herein are true and correct and false statements made herein are punish-  
25 able.

26 Witness 1, Date: \_\_\_\_\_

3 of law, or (iii) an owner, operator, employee or independent contractor  
4 of a health care facility where the patient is receiving treatment or is  
5 a resident.

6 2. (a) The "Request for Medication to End My Life" shall be written in  
7 the same language as any conversations, consultations, or interpreted  
8 conversations or consultations between a patient and at least one of his  
9 or her attending or consulting physicians.

10 (b) Notwithstanding paragraph (a) of this subdivision, the written  
11 "Request for Medication to End My Life" may be prepared in English even  
12 when the conversations or consultations or interpreted conversations or  
13 consultations were conducted in a language other than English or with  
14 auxiliary aids or hearing, speech or visual aids, if the English  
15 language form includes an attached declaration by the interpreter of the  
16 conversation or consultation, which shall be in substantially the  
17 following form:

18 INTERPRETER'S DECLARATION

19 I, \_\_\_\_\_ (insert name of interpreter) \_\_\_\_\_, (mark as applica-  
20 ble):

21 ( ) for a patient whose conversations or consultations or interpreted  
22 conversations or consultations were conducted in a language other than

 15 \_\_\_\_\_ (Printed name of Interpreter)  
 16 \_\_\_\_\_ (ID # or Agency Name)  
 17 \_\_\_\_\_ (Address of Interpreter)  
 18 \_\_\_\_\_ (Language Spoken by Interpreter)

19 (c) An interpreter whose services are provided under paragraph (b) of  
 20 this subdivision shall not (i) be related to the patient who signs the  
 21 "Request for Medication to End My Life" by blood, marriage or adoption,  
 22 (ii) be entitled at the time the "Request for Medication to End My Life"  
 23 is signed by the patient to any portion of the estate of the patient  
 24 upon death under any will or by operation of law, or (iii) be an owner,  
 25 operator, employee or independent contractor of a health care facility  
 26 where the patient is receiving treatment or is a resident; provided that  
 27 an employee or independent contractor whose job description at the  
 28 health care facility includes interpreter services or who is trained to  
 29 provide interpreter services and who has been requested by the patient  
 30 to serve as an interpreter under this article shall not be prohibited  
 31 from serving as a witness under this article.

32 § 2899-l. Protection and immunities. 1. A physician, pharmacist, other  
 33 health care professional or other person shall not be subject to civil  
 34 or criminal liability or professional disciplinary action by any govern-  
 35 ment entity for taking any reasonable good-faith action or refusing to  
 36 act under this article, including, but not limited to: (a) engaging in  
 37 discussions with a patient relating to the risks and benefits of end-of-  
 38 life options in the circumstances described in this article, (b) provid-  
 39 ing a patient, upon request, with a referral to another health care  
 40 provider, (c) being present when a qualified individual self-administers  
 41 medication, (d) refraining from acting to prevent the qualified individ-  
 42 ual from self-administering such medication, or (e) refraining from  
 43 acting to resuscitate the qualified individual after he or she self-ad-  
 44 ministers such medication.

45 2. Nothing in this section shall limit civil or criminal liability for  
 46 negligence, recklessness or intentional misconduct.

47 § 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,  
 48 nurse, pharmacist, other health care provider or other person shall not

1 be under any duty, by law or contract, to participate in the provision  
2 of medication to a patient under this article.

3 (b) If a health care provider is unable or unwilling to participate in  
4 the provision of medication to a patient under this article and the  
5 patient transfers care to a new health care provider, the prior health  
6 care provider shall transfer or arrange for the transfer, upon request,  
7 of a copy of the patient's relevant medical records to the new health  
8 care provider.

9 2. (a) A private health care facility may prohibit the prescribing,  
10 dispensing, ordering or self-administering of medication under this  
11 article while the patient is being treated in or while the patient is  
12 residing in the health care facility if:

13 (i) the prescribing, dispensing, ordering or self-administering is  
14 contrary to a formally adopted policy of the facility that is expressly  
15 based on sincerely held religious beliefs or moral convictions central  
16 to the facility's operating principles; and

17 (ii) the facility has informed the patient of such policy prior to  
18 admission or as soon as reasonably possible.

19 (b) Where a facility has adopted a prohibition under this subdivision,  
20 if a patient who wishes to use medication under this article requests,  
21 the patient shall be transferred promptly to another health care facili-  
22 ty that is reasonably accessible under the circumstances and willing to  
23 permit the prescribing, dispensing, ordering and self-administering of  
24 medication under this article with respect to the patient.

25 3. Where a health care facility has adopted a prohibition under this  
26 subdivision, any health care provider or employee or independent  
27 contractor of the facility who violates the prohibition may be subject  
28 to sanctions otherwise available to the facility, provided the facility  
29 has previously notified the health care provider, employee or independ-  
30 ent contractor of the prohibition in writing.

31 § 2899-n. Relation to other laws and contracts. 1. (a) A patient who  
32 requests medication under this article shall not, because of that  
33 request, be considered to be a person who is suicidal, and self-adminis-  
34 tering medication under this article shall not be deemed to be suicide,  
35 for any purpose.

36 (b) Action taken in accordance with this article shall not be  
37 construed for any purpose to constitute suicide, assisted suicide,  
38 attempted suicide, promoting a suicide attempt, euthanasia, mercy kill-  
39 ing, or homicide under the law, including as an accomplice or accessory  
40 or otherwise.

41 2. (a) No provision in a contract, will or other agreement, whether  
42 written or oral, to the extent the provision would affect whether a  
43 person may make or rescind a request for medication or take any other  
44 action under this article, shall be valid.

45 (b) No obligation owing under any contract shall be conditioned or  
46 affected by the making or rescinding of a request by a person for medi-  
47 cation or taking any other action under this article.

48 3. (a) A person and his or her beneficiaries shall not be denied bene-  
49 fits under a life insurance policy for actions taken in accordance with  
50 this article.

51 (b) Notwithstanding the provisions of any law or contract, the sale,  
52 procurement or issuance of a life or health insurance or annuity policy,  
53 or the rate charged for a policy, shall not be conditioned upon or  
54 affected by a patient making or rescinding a request for medication  
55 under this article.

1 4. An insurer shall not provide any information in communications made  
2 to a patient about the availability of medication under this article  
3 absent a request by the patient or by his or her attending physician  
4 upon the request of such patient. Any communication shall not include  
5 both the denial of coverage for treatment and information as to the  
6 availability of medication under this article.

7 5. The sale, procurement, or issue of any professional malpractice  
8 insurance policy or the rate charged for the policy shall not be condi-  
9 tioned upon or affected by whether the insured does or does not take or  
10 participate in any action under this article.

11 § 2899-o. Safe disposal of unused medications. A person who has  
12 custody or control of any unused medication prescribed under this arti-  
13 cle after the death of the qualified individual shall personally deliver  
14 the unused medication for disposal to the nearest qualified facility  
15 that properly disposes of controlled substances or shall dispose of it  
16 by lawful means in accordance with regulations made by the commissioner,  
17 regulations made by or guidelines of the commissioner of education, or  
18 guidelines of a federal drug enforcement administration approved take-  
19 back program. A qualified facility that properly disposes of controlled  
20 substances shall accept and dispose of any medication delivered to it as  
21 provided hereunder regardless of whether such medication is a controlled  
22 substance. The commissioner may make regulations as may be appropriate  
23 for the safe disposal of unused medications prescribed, dispensed or  
24 ordered under this article as provided in this section.

25 § 2899-p. Death certificate. 1. If otherwise authorized by law, the  
26 attending physician may sign the qualified individual's death certifi-  
27 cate.

28 2. The cause of death listed on a qualified individual's death certifi-  
29 cate who dies after self-administering medication under this article  
30 will be the underlying terminal illness or condition.

31 § 2899-q. Reporting. 1. The commissioner shall annually review a  
32 sample of the records maintained under sections twenty-eight hundred  
33 ninety-nine-j and twenty-eight hundred ninety-nine-p of this article.  
34 The commissioner shall adopt regulations establishing reporting require-  
35 ments for physicians taking action under this article to determine  
36 utilization and compliance with this article. The information collected  
37 under this subdivision shall not constitute a public record available  
38 for public inspection and shall be confidential and collected and main-  
39 tained in a manner that protects the privacy of the patient, his or her  
40 family, and any health care provider acting in connection with such  
41 patient under this article, except that such information may be  
42 disclosed to a governmental agency as authorized or required by law  
43 relating to professional discipline, protection of public health or law  
44 enforcement.

45 2. The commissioner shall prepare a report annually containing rele-  
46 vant data regarding utilization and compliance with this article and  
47 shall send such report to the legislature, and post such report on the  
48 department's website.

49 § 2899-r. Penalties. 1. Nothing in this article shall be construed to  
50 limit professional discipline or civil liability resulting from conduct  
51 in violation of this article, negligent conduct, or intentional miscon-  
52 duct by any person.

53 2. Conduct in violation of this article shall be subject to applicable  
54 criminal liability under state law, including, where appropriate and  
55 without limitation, offenses constituting homicide, forgery, coercion,  
56 and related offenses, or federal law.

1 § 2899-s. Severability. If any provision of this article or any appli-  
2 cation of any provision of this article, is held to be invalid, or to  
3 violate or be inconsistent with any federal law or regulation, that  
4 shall not affect the validity or effectiveness of any other provision of  
5 this article, or of any other application of any provision of this arti-  
6 cle, which can be given effect without that provision or application;  
7 and to that end, the provisions and applications of this article are  
8 severable.

9 § 3. This act shall take effect immediately.
