8 under this section in connection with an out-of-state proceeding relat-

28 this section in connection with an out-of-state proceeding relating to

11 is illegal, shall not, by itself, constitute professional misconduct  
12 under this title, or title two-A of article two of the public health  
13 law, or any other law, rule or regulation governing the licensure,  
14 certification, or authorization of such practitioner, nor shall any  
15 license, certification or authorization of a health care practitioner be  
16 revoked, suspended, or annulled or otherwise subject to any other penal-

1 denied such licensure, certification, or authorization, unless the  
2 department determines that such action would have constituted profes-

4 section shall be construed as prohibiting the department from evaluating  
5 the conduct of such applicant and making a determination to be licensed,  
6 certified, or authorized to practice a profession under this title.

7 § 11. Section 3436-a of the insurance law, as added by chapter 221 of
