STATE OF NEW YORK

2580

2023-2024 Regular Sessions

IN SENATE

January 23, 2023

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to preinstallation review and certification of green roof materials; and to amend the tax law, in relation to establishing a green roof installation credit

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 3-0308 to read as follows:

3 <u>§ 3-0308. Green roof program, inspection and certification.</u>

1. The commissioner shall develop standards for the construction, 4 5 installation and certification of green roofs that can be eligible for б the green roof installation personal income tax credit pursuant to 7 subsection (w) of section six hundred six of the tax law. Such stand-8 ards shall include criteria for inspection and certification of green 9 roof plans prior to installation and inspection after such installation. Such pre-installation criteria for certification may include, but not be 10 11 limited to: plant growth rate and drought tolerance, appropriate root 12 systems for such green roofs, appropriate plant irrigation, nutritional 13 and maintenance requirements, potential generation of allergens and the 14 possible need for remedial indoor air filtration to the subject and adjacent buildings. Inspection and certification after installation may 15 include, in addition to pre-installation criteria, the testing of runoff 16 17 water for environmentally unacceptable levels of pollutants. 18

18 2. The commissioner may delegate to municipal building inspectors the 19 duties to review and approve plans and issue the certification required 20 in subdivision one of this section.

21 3. For purposes of this section:

22 <u>a. "Green roof" means roofing on an eligible building that covers at</u> 23 <u>least fifty percent of such building's eligible rooftop space and</u>

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD00705-01-3

S. 2580

1	includes (1) a weatherproof and waterproof roofing membrane layer, (2) a
2	root barrier layer, (3) if appropriate, an insulation layer that
3	complies with the state energy conservation construction code, (4) a
4	drainage layer that complies with the state uniform fire prevention and
5	building code and is designed so the drains can be inspected and
6	cleaned, (5) a growth medium, including natural or simulated soil, with
7	a depth of at least two inches, (6) if the depth of the growth medium is
8	less than three inches, an independent water holding layer that is
9	designed to prevent the rapid drying out of such medium may be required,
10	unless the green roof contains a sufficient percentage of drought
11	resistant plants to survive, and (7) a vegetation layer covered by live
12	plants such as (i) sedum or equally drought resistant and hardy plant
13	species, (ii) native plant species, and/or (iii) agricultural plant
14	species.
15	b. "Eligible building" means a residential building or mixed-use
16	building with residential units.
17	c. "Eligible rooftop space" means the total space available on an
18	<u>eligible building to support a green roof.</u>
19	§ 2. Section 606 of the tax law is amended by adding a new subsection
20	(w) to read as follows:
21	(w) Green roof installation credit. (1) General. An individual taxpay-
22	er shall be allowed a credit for taxable years beginning on or after
23	January first, two thousand twenty-five against the tax imposed by this
24	article for the installation of a qualified green roof as certified
25	pursuant to section 3-0308 of the environmental conservation law. The
26	amount of the credit shall be fifty-five percent of qualified green roof
27	installation expenditures, but shall not exceed the maximum credit of
20	five theygand dollars
28	five thousand dollars.
29	(2) Qualified green roof installation expenditures. (A) The term

2

S. 2580

1	proportionate share of the total expenses as expenditure for the
2	purposes of the credit attributable to his or her principal residence.
3	(5) Multiple taxpayers. Where a qualified green roof is purchased and
4	installed in a principal residence shared by two or more taxpayers, the
5	amount of the credit allowable under this subsection for each such
6	taxpayer shall be prorated according to the percentage of the total
7	expenditure for such roof contributed by each taxpayer.
8	(6) Grants. For purposes of determining the amount of the expenditure
9	incurred in purchasing and installing the green roof, the amount of any
10	federal, state or local grant received by the taxpayer, which was used
11	for the purchase and/or installation of such roof and which was not
12	included in the federal gross income of the taxpayer, shall not be
13	included in the amount of such expenditures.
14	(7) When credit allowed. The credit provided for in this subsection
15	shall be allowed with respect to the taxable year, commencing after
16	January first, two thousand twenty-five, in which the green roof is
17	installed.
18	(8) Carryover of credit. If the amount of the credit, and carryovers
19	of such credit, allowable under this subsection for any taxable year
20	shall exceed the taxpayer's tax for such year, such excess amount may be
21	carried over to the five taxable years next following the taxable year
22	with respect to which the credit is allowed and may be deducted from the
23	<u>taxpayer's tax for such year or years.</u>
24	§ 3. This act shall take effect immediately; provided that section one
25	of this act shall take effect on the one hundred eightieth day after it
26	shall have become a law and that section two of this act shall apply to
27	taxable years commencing on or after January 1, 2025. Effective imme-
28	diately, the addition, amendment and/or repeal of any rule or regulation
20	nonogagary for the implementation of this act on its offective date are

29 necessary for the implementation of this act on its effective date are 30 authorized to be made and completed on or before such effective date.
