6	tronic communication from voluntarily disclosing electronic communi-
7	cation information concerning that communication to a law enforcement
8	agency or law enforcement officer.
9	10. Nothing in this section shall be construed to expand any authority
10	under state law to compel the production of or access to electronic
11	information.
12^{11}	§ 695.15 Search and seizure of electronic devices and electronic commu-
13	nications; in an emergency.
14^{13}	<u>1. Except as otherwise provided in this section, a law enforcement</u>
$14 \\ 15$	agency or law enforcement officer that executes a warrant, or obtains
16	electronic information in an emergency pursuant to section 695.10 of
17	this article, shall serve upon or deliver to the target of a warrant or
18	emergency request by registered or first-class mail, electronic mail, or
19	by other means reasonably calculated to be effective, a notice that
20	informs the recipient that information about the recipient has been
21	compelled or requested. Such notice shall state with reasonable specif-
22	icity the nature of the government investigation pursuant to which the
23	information is sought. The notice shall include a copy of the warrant or
24	a written statement setting forth facts giving rise to the emergency.
25	The notice shall be provided contemporaneously with the execution of a
26	warrant, or, in the case of an emergency, within three days after
27	obtaining the electronic information. The target of the warrant is
28	entitled to request a copy of the electronic information obtained in the
29	same form it was received upon request. Notice shall include
30	instructions for requesting copies and a law enforcement agency and law
31	enforcement officer must provide copies of information obtained in the
32	same form within three days of receiving the request from the target of
33	the warrant.
34	2. (a) When a warrant is sought or electronic information is obtained
35	in an emergency under section 695.10 of this article, the law enforce-
36	ment agency or law enforcement officer may submit a request to a court
37	supported by a sworn affidavit for an order delaying notification and
38	prohibiting any party providing information from notifying any other
39	party that information has been sought. The court shall issue the order
40	if the court determines that there is reason to believe that notifica-
41	tion may have an adverse result, but only for the period of time that
42	the court finds there is reason to believe that the notification may
43	have that adverse result, and not to exceed ninety days.
44	(b) The court may grant extensions of the delay of up to ninety days
45	each on the same grounds as provided in paragraph (a) of this subdivi-
46	sion.
47	(c) Upon expiration of the period in which notification is delayed, a
48	law enforcement agency or law enforcement officer shall serve upon the
49	identified targets of a warrant or deliver to those targets by regis-
50	tered or first-class mail, electronic mail, or other means reasonably
51	calculated to be effective as specified by the court issuing the order
52	authorizing delayed notification, a document that includes the informa-

	all electronic information obtained in the same form it was received,

1	3. If there is no identified target of a warrant or emergency request
2	at the time of its issuance, the law enforcement agency or law enforce-
3	ment officer shall submit to the attorney general of this state within
4	three days of the execution of the warrant or issuance of the request a
5	report regarding the information required in subdivision one of this
6	section. If an order delaying notice is obtained pursuant to subdivision
7	two of this section, the law enforcement agency or law enforcement offi-
8	cer shall submit to the attorney general upon the expiration of the
9	period of delay of the notification a report regarding the information
10	required in paragraph (c) of subdivision two of this section. The attor-
11	ney general's office shall publish such reports on its internet website
12	within ninety days of receipt. The attorney general shall redact names
13	and other personal identifying information from the reports.
14	4. Except as otherwise provided in this section, nothing in this arti-
15	cle shall prohibit or limit a service provider or any other party from
16	disclosing information about any request or demand for electronic infor-
17	mation.
18	§ 695.20 Search and seizure of electronic devices and electronic commu-
19	nications; when evidence can be suppressed.
20	1. Persons who are party to or otherwise subject to a trial, hearing,
21	or other legal or administrative proceeding may move to suppress elec-
22	tronic information obtained or retained in violation of this article,
23	the United States Constitution, State Constitution, the New York State
24	Constitution or the provisions of the criminal procedure law. The motion
25	shall be made and shall be subject to review by a court in accordance
26	with the procedures set forth in article seven hundred ten of this
27	title.
28	2. The attorney general of this state may commence a civil action to
29	compel a law enforcement agency or law enforcement officer to comply
30	with the provisions of this article. This does not preclude action by
31	an individual, service provider, or other recipient of a warrant, order,
32	or other legal process that is inconsistent with this article.
33	3. An individual, service provider or other recipient of a warrant,
34 25	order, or other legal process may petition the issuing court to quash or
35	modify the warrant, order, or process, or to order the destruction of
36	information that is sought pursuant to such a warrant, order or other
37	legal process, on the basis that the warrant, order or process violates
38 39	the United States Constitution, the New York State Constitution, or is
	otherwise contrary to federal or state law. The warrant recipient may
40 41	also move the quash on the basis that the information or records requested are unusually voluminous in nature or compliance with such
41 42	order otherwise would cause an undue burden on such provider. The
42 43	court's decision to grant or deny that petition, in whole or in part,
43 44	filed under this paragraph is immediately appealable pursuant to section
44 45	fifty-seven hundred one of the civil practice law and rules.
45 46	4. A state, territory or commonwealth of the United States and foreign
47	and domestic corporations as well as officers, employees, and agents of
48	these entities shall not be subject to a cause of action for providing
49	records, information, facilities, or other forms of assistance in
50	accordance with the terms of a warrant, court order, statutory authori-
51	zation, emergency certification, or wiretap order issued pursuant to
52	this article. This does not preclude a cause of action for providing
53	records, information, facilities, or other forms of assistance in a
54	manner that is inconsistent with this article.
