## IN SENATE

January 23, 2023

Introduced by Sen. HOYLMAN-SIGAL -- read twice and ordered printed, and  
when printed to be committed to the Committee on Cities 1

AN ACT to amend the public authorities law, in relation to establishing  
a parking placard review board

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Legislative findings. The Metropolitan Transportation  
2 Sustainability Advisory Workgroup issued a report in 2018, which recom-  
3 mended ending placard abuse as a way to reduce congestion. The legisla-  
4 ture hereby finds and declares that the issuance of vehicle placards  
5 encourages commuting by private vehicles and has led to congestion in  
6 the New York metropolitan area, consisting of the counties of New York,  
7 Bronx, Kings, Queens, Richmond, Nassau, Suffolk, Westchester, and Rock-  
8 land. The New York metropolitan area is designated a nonattainment area  
9 for failure to meet environmental protection agency (EPA) national ambi-  
10 ent air quality standards.

11 Further, the EPA has indicated that the transportation sector of the  
12 New York metropolitan area is the largest contributor to greenhouse gas  
13 emissions in the United States, accounting for 28% of emissions, with  
14 light duty vehicles, such as personal cars and trucks, making up 59% of  
15 those transportation sector emissions.

16 A reduction in motor vehicle traffic and congestion, particularly  
17 commuter traffic into and out of Manhattan, is necessary to reduce these  
18 emissions and improve air quality for the entire New York metropolitan  
19 area.

20 § 2. The public authorities law is amended by adding a new article  
21 10-E to read as follows:

### ARTICLE 10-E
