AN ACT to amend the correction law, in relation to requiring mental health services for incarcerated individuals with mental health issues related to the trauma of incarceration

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Short title. This act shall be known and may be cited as 2 "Shawanna's law (W76337)".
  - § 2. Section 71-a of the correction law, as amended by chapter 322 of the laws of 2021, is amended to read as follows:
- § 71-a. Transitional accountability plan. 1. Upon admission of an incarcerated individual committed to the custody of the department under an indeterminate or determinate sentence of imprisonment, the department shall develop a transitional accountability plan. Such plan shall be a comprehensive, dynamic and individualized case management plan based on the programming and treatment needs of the incarcerated individual. The purpose of such plan shall be to promote the rehabilitation of the incarcerated individual and their successful and productive reentry and reintegration into society upon release. To that end, such plan shall be used to prioritize programming and treatment services for the incarcer-
- 15 ated individual during incarceration and any period of community super-
- 16 vision. The commissioner may consult with the office of mental health,
- 17 the office of [alcoholism and substance abuse] addiction services and
- 18 supports, the board of parole, the department of health, and other

- 3 2. Mental health reentry services shall be included in an incarcerated individual's transitional accountability plan. Such mental health 4 5 reentry services shall begin the first week upon admission of an incar-6 cerated individual to a correctional facility and such services shall be 7 provided by licensed therapists, psychiatrists, psychologists, social 8 workers, or nurses in permanent competitive positions in the classified 9 service of the state who specialize in trauma and utilize culturally 10 sensitive techniques. Mental health reentry services shall include, but 11 not be limited to: (i) behavioral health screening and assessment; (ii) 12 clinical intervention for any mental health issues related to the trauma of incarceration; (iii) mental health and trauma screenings within sixty 13 days of being committed to the custody of the department. Where an 14 15 incarcerated individual would benefit from trauma oriented therapy, the mental health reentry services shall include trauma oriented therapy. 16 17 If an incarcerated individual is at a facility which cannot provide proper mental health reentry services to the incarcerated individual, 18 the incarcerated individual shall be transferred within seven days to a 19 facility with the capacity to provide the incarcerated individual with 20 21 his or her proper mental health reentry services.
  - 3. The department shall invest, develop and adopt policies and procedures to create training for all prison personnel for basic competencies in mental health trauma as a result of incarceration.
  - 4. The department shall submit a report including, but not limited to, the number of incarcerated individuals screened for mental health and trauma and the number of incarcerated individuals receiving therapy or clinical intervention with information on the types of therapy or clinical intervention such incarcerated individuals are receiving to the governor, the temporary president of the senate, and the speaker of the assembly no later than December thirty-first of each year.
- § 3. Section 78 of the correction law, as added by section 81-b of an apart WWW of chapter 59 of the laws of 2017, is amended to read as follows:
  - § 78. Discharge plans. (a) The department, in consultation with the office of children and family services, shall provide discharge plans for juvenile offenders and adolescent offenders who are released to parole or post-release supervision, which are tailored to address their individual needs. Such plans shall include services designed to promote public safety and the successful and productive reentry of such adolescents into society.
  - (b) The department shall provide discharge plans for all incarcerated individuals which are tailored to address the incarcerated individual's individual needs upon reentry and reintegration into society upon release. Such discharge plans shall include, but not be limited to:
    - (i) Completed Medicaid enrollment, if eligible;
  - (ii) Medications sufficient to allow the incarcerated individual to transition to a post-release location; and
- 49 <u>(iii) Written coordination between the department and health care</u> 50 <u>providers including, but not limited to, the transfer of patient records</u> 51 <u>to a health care provider for the service of the releasee.</u>
- 52 (c) An incarcerated individual who receives clinical intervention for 53 trauma related to incarceration under section seventy-one-a of this 54 article shall receive the following upon reentry and reintegration into 55 society upon release:
  - (i) Mental health services;
