FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow certain Tier 3, 5 and 6 correction lieutenants, correction captains, deputy assistant superintendents, and superintendents under the jurisdiction of the department of corrections and community supervision of New York State to become eligible to receive benefits under the provisions of Article 15 of the Retirement and Social Security Law instead of the special plan giving 50% of final average salary at 25 years of service. Current law requires seven years of service in the superintendent title to elect coverage under Article 15.

If this bill is enacted during the 2023 legislative session, there will be an immediate past service cost of approximately \$36.1 million, which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 31, 2024.

This bill will not increase the future annual contributions of the State of New York.

These estimated costs are based on 512 affected members employed by the State of New York, with annual salary of approximately \$63 million as of March 31, 2022.

Affected members would have 90 days from the later of the effective date of this bill and their date of being appointed to one of the titles to file for this benefit. The election will be irrevocable.
