Introduced by Sens. SALAZAR, SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the vehicle and traffic law, in relation to authorizing a five mile per hour speed limit for open streets in cities having a population in excess of one million

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subparagraph (a) of paragraph 27 of subdivision (a) of
2 section 1642 of the vehicle and traffic law, as amended by chapter 248
3 of the laws of 2014, is amended to read as follows:

4 (a) Establishment of maximum speed limits below twenty-five miles per
5 hour at which motor vehicles may proceed on or along designated highways
6 within such city for the explicit purpose of implementing traffic calm-
7 ing measures as such term is defined herein or for the explicit purpose
8 of implementing an open street; provided, however, that no speed limit
9 shall be set below fifteen miles per hour nor shall such speed limit be
10 established where the traffic calming measure to be implemented consists
11 solely of a traffic control sign, and provided, further, that no speed
12 limit shall be set below five miles per hour on an open street. Estab-
13 lishment of such a speed limit shall, where applicable, be in compliance
14 with the provisions of sections sixteen hundred twenty-four and sixteen
15 hundred eighty-four of this [~~chapter~~] article. Nothing contained herein
16 shall be deemed to alter or affect the establishment of school speed
17 limits pursuant to the provisions of section sixteen hundred forty-three
18 of this article. For the purposes of this paragraph, "traffic calming
19 measures" shall mean any physical engineering measure or measures that
20 reduce the negative effects of motor vehicle use, alter driver behavior
21 and improve conditions for non-motorized street users such as pedestri-
