Introduced by Sens. SKOUFIS, ADDABBO -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the state finance law, in relation to requiring a callblocking service to be provided in state contracts that include procurement if a voice service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The state finance law is amended by adding a new section 2 149 to read as follows:

§ 149. Automated call software. 1. As used in this section:

- (a) "voice service" (i) means any service that is interconnected with the public switched telephone network and that furnishes voice communications to an end user using resources from the North American Numbering Plan or any successor to the North American Numbering Plan adopted by 8 the commission under section 251(e)(1) of the federal Communications Act 9 of 1934, as amended; and (ii) includes (A) transmissions from a tele-10 phone facsimile machine, computer, or other device to a telephone facsimile machine; and (B) without limitation, any service that enables 11 12 real-time, two-way voice communications, including any service that 13 requires internet protocol-compatible customer premises equipment and 14 permits out-bound calling, whether or not such service is one-way or two-way voice over internet protocol; 15
- 16 (b) "caller identification information" means information provided to
 17 an end user by a caller identification service regarding the telephone
 18 number of, or other information regarding the origination of, a call
 19 made using a voice service;
- 20 (c) "caller identification service" means any service or device
 21 designed to provide the user of the service or device with the telephone
 22 number of, or other information regarding the origination of, a call
 23 made using a voice service. Such term includes automatic number iden-
