IN SENATE

January 31, 2023

Introduced by Sens. SKOUFIS, HINCHEY, MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public authorities law, in relation to directing the New York state energy research and development authority to prepare a report regarding the replacement of decommissioned or dormant electric generating sites with renewable energy development and energy storage opportunities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. Subdivision 1 of section 1902 of the public authorities law 2 is amended by adding a new paragraph (c) to read as follows:
- 3 (c) Within eighteen months of the effective date of this paragraph,
 4 the authority shall prepare a report to be submitted to the governor,
 5 the temporary president of the senate and the speaker of the assembly,
 6 that at a minimum contains:
- 7 (i) a survey of decommissioned or dormant electric generating sites in 8 the state, and plants expected to be decommissioned or dormant in the 9 next eighteen months;
- (ii) an identification of renewable energy development and energy
 storage opportunities at each such decommissioned or dormant electric
 generating sites, and whether such site should be a build ready site,
 and if not, why not;
- (iii) an assessment of the economic impacts on affected communities of repowering dormant electric generating sites with renewable energy, and energy storage projects, including impacts to the local tax base and local employment; and
 - (iv) an assessment of the impacts on electric system reliability.
