If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars, the remainder shall be treated as part of the annual allocation made available to the program pursuant to paragraph four of subdivision (e) of this section. The amount of the credit is equal to the amount determined pursuant to section three hundred ninety-four-d of the social services law and shall be claimed in the taxable year that includes the last day of the service year for which the credit is calculated. No cost or expense paid or incurred by the taxpayer that is included as part of the
calculation of this credit shall be the basis of any other tax credit allowed under this chapter.

(b) Eligibility. To be eligible for the child care creation and expansion tax credit, the taxpayer shall have been issued a certificate of tax credit by the office of children and family services pursuant to section three hundred ninety-four-c of the social services law. (1) article 9-A: section 210-B, subdivision 59;

(2) article 22: section 606, subsection (ooo);

However, if the amount of credit allowed under this subdivision for the taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 5. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (l) to read as follows:

However, if the amount of the credit allowed under this subdivision for any taxable year reduces the taxpayer’s tax to such amount, any amount of credit thus not deductible will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 7. This act shall take effect immediately.

Where the taxable status date is on or after April fifteenth, the applicable income tax year shall be the most recent fiscal year for which an income tax return has been filed.

Where title is vested in either the husband or the wife, their combined income may not exceed such sum, except where one spouse or ex-spouse is absent from the property as provided in subparagraph (ii) of paragraph (d) of this subdivision, then only the income of the spouse or ex-spouse residing on the property shall be considered and may not exceed such sum. Such income shall include social security and retirement benefits, interest, dividends, total gain from the sale or exchange of a capital asset which may be offset by a loss from the sale or exchange of a capital asset in the same income tax year, net rental income, salary or earnings, and net income from self-employment, but shall not include a return of capital, gifts, inheritances, payments made to individuals because of their status as victims of Nazi persecution, as defined in P.L. 103-286 or monies earned through employment in the federal foster grandparent program and any such income shall be offset by all medical and prescription drug expenses actually paid which were not reimbursed or paid for by insurance, if the governing board of a municipality, after a public hearing, adopts a local law, ordinance or resolution providing therefor. In addition, an exchange of an annuity contract, which resulted in non-taxable gain, as determined in section one thousand thirty-five of the internal revenue code, shall be excluded from such income. Provided that such exclusion shall be based on satisfactory proof that such an exchange was solely an exchange of an annuity for an annuity contract that resulted in a non-taxable transfer determined by such section of the internal revenue code. Furthermore, such income shall not include the proceeds of a reverse mortgage, as authorized by section six-2 of the banking law, and sections two hundred eighty and two hundred eighty-a of the real property law; provided, however, that monies used to repay a reverse mortgage may not be deducted from income, and provided additionally that any interest or dividends realized from the investment of reverse mortgage proceeds shall be considered income. The provisions of this paragraph notwithstanding, such income shall not include veterans disability compensation, as defined in Title 38 of the United States Code provided the governing board of such municipality, after public hearing, adopts a local law, ordinance or resolution providing therefor. In computing net rental income and net income from self-employment no depreciation deduction shall be allowed for the exhaustion, wear and tear of real or personal property held for the production of income;
(iv) The term "income" as used herein shall mean the "adjusted gross income" for federal income tax purposes as reported on the applicant's federal or state income tax return for the applicable income tax year, subject to any subsequent amendments or revisions, plus any social security benefits not included in such federal adjusted gross income; provided that if no such return was filed for the applicable income tax year, the applicant's income shall be determined based on the amounts that would have so been reported if such a return had been filed; and provided further, that when determining income for purposes of this section, the following conditions shall be applicable:

1. The governing body of a municipal corporation, after a public hearing, may adopt a local law, ordinance or resolution providing that any social security benefits that were not included in the applicant's federal adjusted gross income shall not be considered income;
2. Distributions received from an individual retirement account or individual retirement annuity that were included in the applicant's federal adjusted gross income shall not be considered income unless the governing body of a municipal corporation, after a public hearing, adopts a local law, ordinance or resolution providing otherwise;
3. The applicant's income shall be offset by all medical and prescription drug expenses actually paid that were not reimbursed or paid for by insurance, if the governing board of a municipal corporation, after a public hearing, adopts a local law, ordinance or resolution providing therefor;
4. Any tax-exempt interest or dividends that were excluded from the applicant's federal adjusted gross income shall be considered income;
5. Any losses that were applied to reduce the applicant's federal adjusted gross income shall be subject to the following limitations:
   a. The net amount of loss reported on federal Schedule C, D, E, or F shall not exceed three thousand dollars per schedule,
   b. The net amount of any other separate category of loss shall not exceed three thousand dollars, and
   c. The aggregate amount of all losses shall not exceed fifteen thousand dollars;

(b) unless the owner shall have held an exemption under this section for his previous residence or unless the title of the property shall have been vested in the owner or one of the owners of the property for at least twelve consecutive months prior to the date of making application for exemption, provided, however, that in the event of the death of either a husband or wife, the time of ownership of the property shall have been vested at the time of death and then becomes vested solely in the survivor of such person's surviving spouse by virtue of devise by or descent from the deceased husband or wife. The time of ownership of the property by the deceased husband or wife shall be deemed also a time of ownership by the surviving spouse and such ownership shall be deemed continuous for the purposes of computing such period of twelve consecutive months. In the event of a transfer by either a husband or wife to the other a married person to such person's surviving spouse by virtue of devise by or descent from the deceased husband or wife, the time of ownership of the property by the deceased husband or wife shall be deemed also a time of ownership by the surviving spouse and such ownership shall be deemed continuous for the purposes of computing such period of twelve consecutive months. Where property of the owner or owners has been acquired to replace property formerly owned by such owner or owners and taken by eminent domain or...
other involuntary proceeding, except a tax sale, the period of ownership
of the former property shall be combined with the period of ownership of
the property for which application is made for exemption and such peri-
ods of ownership shall be deemed to be consecutive for purposes of this
section. Where a residence is sold and replaced within one year and both residences are within the state, the period of ownership
of both properties shall be deemed consecutive for purposes of the
exemption from taxation by a municipality within the state granting such
exemption. Where the owner or owners transfer title to property which as
of the date of transfer was exempt from taxation or PILOT under the
provisions of this section, the reacquisition of title by such owner or
owners within nine months of the date of transfer shall be deemed to
satisfy the requirement of this paragraph that the title of the property
shall have been vested in the owner or one of the owners for such period
of twelve consecutive months. Where, upon or subsequent to the death of
an owner or owners, title to property which as of the date of such death
was exempt from taxation or PILOT under such provisions, becomes vested,
by virtue of devise or descent from the deceased owner or owners, or by
transfer by any other means within nine months after such death, solely
in a person or persons who, at the time of such death, maintained such
property as a primary residence, the requirement of this paragraph that
the title of the property shall have been vested in the owner or one of
the owners for such period of twelve consecutive months shall be deemed
satisfied;

(c) unless the property is used exclusively for residential purposes,
provided, however, that in the event any portion of such property is not
so used exclusively for residential purposes but is used for other
purposes, such portion shall be subject to taxation or PILOT and the
remaining portion only shall be entitled to the exemption provided by
this section;

in whole or in part by the owner or by all of the owners of the proper-
ty: except where, (i) an owner is absent from the residence while
receiving health-related care as an inpatient of a residential health
care facility, as defined in section twenty-eight hundred one of the
public health law, provided that any income accruing to that person
shall only be income only to the extent that it exceeds the amount paid
by such owner, spouse, or co-owner for care in the facility, and
provided further, that during such confinement such property is not
occupied by other than the spouse or co-owner of such owner; or, (ii)
the real property is owned by a [husband and/or wife, or — an ex-husband
and/or an ex-wife, and either] married person or a married couple, or by
a formerly married person or a formerly married couple, and one spouse
or ex-spouse is absent from the residence due to divorce, legal separa-
tion or abandonment and all other provisions of this section are met
provided that where an exemption was previously granted when both
resided on the property, then the person remaining on the real property
shall be sixty-two years of age or over.

§ 3. Paragraph (a) of subdivision 3-a of section 467 of the real prop-
erty tax law, as amended by section 1 of part B of chapter 686 of the
laws of 2022, is amended to read as follows:

be furnished by the appropriate assessing authority and shall furnish
the information and be executed in the manner required or prescribed in
such forms, and shall be filed in such assessor's office on or before
the appropriate taxable status date. Notwithstanding any other provision
of law, at the option of the municipal corporation, any person otherwise
qualifying under this section shall not be denied the exemption under
this section if such person becomes sixty-five years of age after
the appropriate taxable status date and on or before December thirty-
first of the same year.

5-a. Any local law or ordinance adopted pursuant to paragraph (a) of
subdivision one of this section may be amended, or a local law or ordi-
nance may be adopted to provide, notwithstanding subdivision five of
this section, that an application for such exemption may be filed with
the assessor after the appropriate taxable status date but not later
than the last date on which a petition with respect to complaints of
assessment may be filed, where failure to file a timely application
resulted from: (a) a death of the applicant's spouse, child, parent[or
brother-or-sister] or sibling; or (b) an illness of the applicant or of
the applicant's spouse, child, parent[or brother-or-sister] or sibling,
which actually prevents the applicant from filing on a timely basis, as
certified by a licensed physician. The assessor shall approve or deny
such application as if it had been filed on or before the taxable status
date.

the exemption to be granted. The assessing authority shall, within three
days of the completion and filing of the tentative assessment roll,
notify by mail any applicant [who has included with his] whose
application includes at least one self-addressed, pre-paid envelope, of the

authority shall, upon the receipt and filing of the application,
send by mail notification of receipt to any applicant who has
included two of such envelopes with the application. Where an applicant
is entitled to a notice of denial pursuant to this subdivision, such
notice shall be on a form prescribed by the commissioner and shall state
the reasons for such denial and shall further state that the applicant
may have such determination reviewed in the manner provided by law.
Failure to mail any such application form or notices or the failure of
such person to receive any of the same shall not prevent the levy,
collection and enforcement of the payment of the taxes or PILOT on prop-

(b) Except in cities of one million or more, any person who has been granted exemption pursuant to this section on five (5) consecutive completed assessment rolls, including any years when the exemption was granted to a property owned by [a husband and/or wife] a married person or a married couple while both spouses resided in such property, shall not be subject to the requirements set forth in paragraph (a) of this subdivision provided the governing board of the municipality in which said property is situated after public hearing adopts a local law, ordinance or resolution providing therefor however said person shall be mailed an application form and a notice informing him of his setting forth such person's rights. (c) In cities of one million or more, any person who has been granted exemption pursuant to this section shall file the completed application with the appropriate assessing authority every twenty-four months from the date such exemption was granted without the necessity of having been granted exemption pursuant to this section on five (5) consecutive completed assessment rolls including any years when the exemption was granted to a property owned by [a husband and/or wife] a married person or a married couple while both spouses resided in such property.

§ 6. Subdivision 8-a of section 467 of the real property tax law, as amended by section 1 of part B of chapter 686 of the laws of 2022, is amended to read as follows:

8-a. Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by a renewal application, reflecting the facts and circumstances as they existed on the taxable status date. The assessor may extend the filing deadline and grant the exemption if [he or she] the assessor is satisfied that (i) good cause existed for the failure to file the renewal application by the taxable status date, and that (ii) the applicant is otherwise entitled to the exemption. The assessor shall make a determination and notice [of his or her determination] thereof to the owner. If the determination states that the assessor has granted the exemption, [he or she] the assessor shall thereupon be authorized and directed to correct the assessment roll accordingly, or, if another person has custody or control of the assessment roll, to direct that person to make the appropriate corrections. If the correction is not made before taxes are levied, the failure to take the exemption into account in the computation of the tax shall be deemed a "clerical error" for purposes of title
of this chapter, and shall be corrected accordingly.

PART S

1. There is hereby imposed and shall be paid a tax on all cigarettes possessed in the state by any person for sale, except that no tax shall be imposed on cigarettes sold under such circumstances that this state is without power to impose such tax, including sales to qualified Indians for their own use and consumption on their nations' or tribes' qualified reservation, or sold to the United States or sold to or by a voluntary unincorporated organization of the armed forces of the United States operating a place for the sale of goods pursuant to regulations promulgated by the appropriate executive agency of the United States, to the extent provided in such regulations and policy statements of such an agency applicable to such sales. The tax imposed by this section is imposed on all cigarettes sold on an Indian reservation to non-members of the Indian nation or tribe and to non-Indians and evidence of such tax shall be by means of an affixed cigarette tax stamp. Indian nations or tribes may elect to participate in the Indian tax exemption coupon system established in section four hundred seventy-one-e of this article which provides a mechanism for the collection of the tax imposed by this section on cigarette sales on qualified reservations to such non-members and non-Indians and for the delivery of quantities of tax-exempt cigarettes to Indian nations or tribes for the personal use and consumption of qualified members of the Indian nation or tribe. If an Indian nation or tribe does not elect to participate in the Indian tax exemption coupon system, the prior approval system shall be the mechanism for the delivery of quantities of tax-exempt cigarettes to Indian nations or tribes for the personal use and consumption of qualified members of the Indian nation or tribe as provided for in paragraph (b) of subdivision five of this section. Such tax on cigarettes shall be at the rate of [four] five dollars and thirty-five cents for each twenty cigarettes or fraction thereof, provided, however, that if a package of cigarettes
contains more than twenty cigarettes, the rate of tax on the cigarettes in such package in excess of twenty shall be one dollar and [eighty]
thirty-three and three-quarters cents for each five cigarettes or frac-

It shall be presumed that all cigarettes within the state are subject to tax until the contrary is established, and the burden of proof that any cigarettes are not taxable hereunder shall be upon the person in possession thereof.

§ 2. Section 471-a of the tax law, as amended by section 5 of part D of chapter 134 of the laws of 2010, is amended to read as follows:

§ 471-a. Use tax on cigarettes. There is hereby imposed and shall be paid a tax on all cigarettes used in the state by any person, except that no tax shall be imposed (1) if the tax provided in section four hundred seventy-one of this article is paid, (2) on the use of ciga-

Such tax on cigarettes shall be at the rate of [four] five dollars and thirty-five cents for each twenty cigarettes or fraction thereof, provided, however, that if a package of cigarettes contains more than twenty cigarettes, the rate of tax on the cigarettes in such package in excess of twenty shall be one dollar and [eighty] thirty-three and three-quarters cents for each five cigarettes or fraction thereof. Within twenty-four hours after liability for the tax accrues, each such person shall file with the commissioner a return in such form as the commissioner may prescribe together with a remit-
tance of the tax shown to be due thereon. For purposes of this article, the word "use" means the exercise of any right or power actual or constructive and shall include but is not limited to the receipt, stor-
age or any keeping or retention for any length of time, but shall not include possession for sale. All other provisions of this article if not inconsistent shall apply to the administration and enforcement of the tax imposed by this section in the same manner as if the language of said provisions had been incorporated in full into this section.

§ 3. Notwithstanding any other provision of law to the contrary, the tax due on cigarettes possessed in New York state as of the close of business on August 31, 2023, by any person for sale solely attributable to the increase imposed by the amendments to section 471 of the tax law, as amended by section one of this act, shall be paid by November 20, 2023, subject to such terms and conditions as the commissioner of taxa-
tion and finance shall prescribe.

§ 4. This act shall take effect on September 1, 2023, and shall apply to all cigarettes possessed in this state by any person for sale and all cigarettes used in this state by any person on or after such date.

same for a period of three years subject to the use and inspection of
the commissioner. Each dealer shall procure and retain invoices showing
the number of packages and number of cigarettes contained therein, in each shipment of cigarettes received by him
or her, and the items and quantity and wholesale price of each item in
each shipment of tobacco products received by him or her, the date there-
of, and the name of the shipper, and shall retain the same for a period
of three years subject to the use and inspection of the commissioner. The commissioner by regulation may provide that whenever cigarettes or tobacco products are shipped into the state, the railroad company, express company, trucking company or other public carrier transporting any shipment thereof shall file with the commissioner a copy of the freight bill within ten days after the delivery in the state of each shipment. All dealers shall maintain and keep for a period of three years such other records of cigarettes or tobacco products received, sold or delivered within the state as may be required by the commissioner. The commissioner is hereby authorized to examine the books, papers, invoices and other records of any person in possession, control or occupancy of any premises where cigarettes or tobacco products are placed, stored, sold or offered for sale, and the equipment of any such person pertaining to the stamping of cigarettes or the sale and delivery of cigarettes or tobacco products taxable under this article, as well as the stock of cigarettes or tobacco products in any such premises or vehicle. To verify the accuracy of the tax imposed and assessed by this article, each such person is hereby directed and required to give to the commissioner or his duly authorized representatives, the means, facilities and opportunity for such examinations as are herein provided for and required.

§ 2. Paragraphs (b) and (d) of subdivision 4 of section 480-a of the
tax law, as amended by section 4 of part I of chapter 59 of the laws of
2020, are amended and a new paragraph (a-1) is added to read as follows:

(a-1) If a retail dealer, including an agent thereof, refuses to comply with the requirements of subdivision four of section four hundred seventy-four of this article its registration may be revoked (i) for a period of one year, or (ii) for a second such violation within a period of five years for up to three years, or (iii) for a third or subsequent violation within a period of seven years for a period up to ten years. A retail dealer registration shall be considered to be revoked pursuant to this subdivision immediately upon such dealer's receipt of written notice of revocation from the commissioner.

(b) A retail dealer who is notified of a revocation of its registration pursuant to this subdivision shall have the right to have the revocation reviewed by the commissioner or his or her designee by contacting the department at a telephone number or an address to be disclosed in the notice of revocation within ten days of such dealer's receipt of such notification. The retail dealer may present written evidence or argument in support of its defense to the revocation, or may appear at a scheduled conference with the commissioner or his or her designee to present oral arguments and written and oral evidence in support of such defense. The commissioner or his or her designee is authorized to delay the effective date of the revocation to enable the retail dealer to present further evidence or arguments in connection with the revocation. The commissioner or his or her designee shall cancel the revocation of registration if the commissioner or his or her designee is not satisfied
by a preponderance of the evidence that the retail dealer [possessed or sold unstamped or unlawfully stamped packages of cigarettes] violated paragraph (a) or (a-1) of this subdivision, as may be applicable.

(d) After review of the revocation of registration by the commissioner or his or her designee is complete, or the time within which a retail dealer may request such review has expired without such a request having been made, notice of the revocation of a retail dealer registration pursuant to paragraph (a) of this subdivision shall be given by the commissioner to the head of the division of the lottery for the purpose of enforcement of section sixteen hundred seven of this chapter and such division may suspend or revoke any license issued with respect to a lottery agent's specific location pursuant to article thirty-four of this chapter if such lottery agent is a retail dealer of cigarettes whose registration for such location is suspended or revoked pursuant to this section. In addition, notice of such revocation shall also be given to the state liquor authority and such revocation shall constitute cause, for purposes of section one hundred eighteen of the alcoholic beverage control law, for revocation, cancellation or suspension of any license or permit issued pursuant to such law.

§ 3. Subdivision 3 of section 480-a of the tax law is amended by adding a new paragraph (c) to read as follows:

(c) If a retail dealer does not possess a valid registration, either because it failed to obtain a registration or its registration is suspended or revoked and the commissioner or their designee, pursuant to their authority under this article, attempts to inspect such premises for a violation of this section and such retail dealer, including an agent thereof, is found, after notice and opportunity to be heard, to have refused such inspection, such retail dealer shall be subject to a penalty of up to four thousand dollars for a first refusal and up to eight thousand dollars for a second or subsequent refusal within three years of a prior refusal.

§ 4. This act shall take effect immediately.

Section 1. Legislative findings. The legislature finds that it is in
the interests of the state to assist The New York Racing Association,
Inc., which is the franchised corporation pursuant to section two
hundred six of the racing, pari-mutuel wagering and breeding law, to
renovate Belmont Park racetrack and repurpose the Aqueduct property.
The legislature further finds and determines that the anticipated cost
of renovating Belmont Park racetrack is four hundred fifty-five million
dollars and that the renovation of Belmont Park racetrack shall initial-
ly be financed by the state subject to the provisions of the repayment
agreement of the franchised corporation required by section two of this
act. The franchised corporation will be responsible for repayment of the
state funds in accordance with the terms of such repayment agreement.

§ 2. Prior to, and as a condition to the state initially providing
funds for the renovation of Belmont Park racetrack, the franchised
corporation shall enter into a repayment agreement with the state acting
through the budget director authorizing and directing that a portion of
the funds of the franchised corporation dedicated for capital expendi-
tures of the franchised corporation pursuant to paragraph 3 of subdivi-
sion f and paragraph 3 of subdivision f-1 of section 1612 of the tax law
shall be used to repay the state for the funds provided by the state for
the renovation of Belmont Park racetrack, in accordance with the repay-
ment agreement between the state and the franchised corporation. For the
purposes of this act, the terms "renovate", "renovation", and "renovat-
ing" are limited to any and all construction funded by and subject to
the repayment agreement required by subparagraph (ii) of the opening
paragraph of paragraph 3 of subdivision f of section 1612 of the tax
law. Such agreement shall further provide that:

(1) in the event the franchised corporation receives future statutory
payments enacted for the specific purpose of holding the franchised
corporation harmless for any loss of payments pursuant to paragraph 3 of
subdivision f and paragraph 3 of subdivision f-1 of section 1612 of the
tax law, such statutory payments shall also be used to repay the state
for the funds provided by the state for the renovation of Belmont Park
racetrack;

(2) the franchised corporation shall provide to the franchise over-
sight board, as an exhibit to the agreement, descriptions of the
construction work to be paid for with the loan provided by the state to
the franchised corporation, which may include but shall not be limited
to renderings, reports, and construction goals; provided however, that
the franchise oversight board shall make such exhibit available on its
website at least thirty days prior to execution of such agreement; and
provided further, that the franchise oversight board shall receive such
exhibit at least sixty days prior to execution of such agreement;
(3) the franchise oversight board shall include a requirement in any request for proposals for such renovation that any projects in connection with such work shall only be undertaken pursuant to a project labor agreement in accordance with section 222 of the labor law. For the purposes of this section, "project labor agreement" shall have the meaning set forth in subdivision 1 of section 213 of the racing, pari-mutuel wagering and breeding law;

(4) for purposes of article 15-A of the executive law and article 3 of the veterans' services law, the franchised corporation and any person entering into a contract for any project authorized pursuant to this act shall be deemed a state agency as such term is defined in such articles and such contracts shall be deemed state contracts within the meaning of such term as set forth in such articles. Additionally it must be demonstrated that:

(i) the franchised corporation and its contractors and subcontractors have made significant efforts to attract and retain minority, women, local, and veteran apprentices; and (ii) the franchised corporation and its contractors and subcontractors have committed to work with minority and women owned business enterprises pursuant to article 15-A of the executive law through joint ventures or subcontractor relationships;

(5) the franchised corporation shall establish affirmative action goals to provide equal employment opportunities to all employees, including minorities, women and persons with disabilities, at the Belmont Park racetrack;

(6) the franchise oversight board shall consult with the New York state energy research and development authority to determine what energy efficiencies may be realized with the Belmont project, which may include, but not be limited to, the number of zero emissions vehicle charging facilities, use of geothermal networks, mini-split systems, solar photovoltaic technologies, energy storage, and other renewable energy opportunities that the authority finds sufficient;

(7) the franchise oversight board shall ensure that, subsequent to the franchised corporation relinquishing to the state its leasehold interest in real property located in South Ozone Park, commonly known as Aqueduct Racetrack, the franchised corporation shall, in good faith, take all commercially reasonable steps to ensure that, upon closure of Aqueduct Racetrack, any individual who was employed by the franchised corporation and held a full time equivalent job at Aqueduct Racetrack or Belmont Park racetrack during the year two thousand twenty-three and has a full time equivalent job at the time the franchised corporation terminates all races at Aqueduct and moves all operations to Belmont, shall be offered an opportunity to continue to work at the Belmont Park racetrack in a comparable position with access to the same or greater number of work hours and at the same or greater rate of pay; and

(8) such agreement shall be subject to approval of the franchise oversight board; provided, further, that the gaming commission shall publish such agreement on its website. Such agreement may also be amended from time to time as agreed to by the state and the franchised corporation; provided however, that such amendment must comply with the provisions of this act. At any time prior to the repayment of the state funds for the renovation of Belmont Park racetrack, the state may issue state personal income tax revenue bonds or state sales tax revenue bonds. In the event of the issuance of such bonds, the repayment agreement shall be revised to reflect the obligation of the franchised corporation to fully repay the debt service costs associated with such bonds.
§ 3. such subparagraph during any state fiscal year, an amount payable to the

(i) of this paragraph shall instead be deposited into the miscellaneous
capital projects fund, New York racing capital improvement fund to the

and bonds or notes issued to refund or otherwise repay such bonds or

Belmont Park racetrack.

2. Notwithstanding any other provision of law to the contrary, in
order to assist the dormitory authority, urban development corporation,
and the New York state thruway authority in undertaking the financing
for the renovation of Belmont Park racetrack, the director of the budget
is hereby authorized to enter into one or more financing agreements with
the dormitory authority, the urban development corporation, and the New
York state thruway authority, upon such terms and conditions as the
director of the budget and the dormitory authority, the urban develop-

to annually provide to the dormitory authority, the urban development
corporation, and the New York state thruway authority, in the aggregate,
a sum not to exceed the principal, interest, and related expenses
required for such bonds and notes. Any financing agreement entered into
pursuant to this section shall provide that the obligation of the state
to pay the amount therein provided shall not constitute a debt of the
state within the meaning of any constitutional or statutory provision

an intent to terminate, may request the commission to mediate between
