S. 4047

(c) For purposes of establishing the numbers required to be reported under subdivision one of this section, an employer shall create a "snapshot" that counts all of the individuals in each job category by race, ethnicity, and sex, employed during a single pay period of the employer's choice between October first and December thirty-first of the "Reporting Year."

- (d) For purposes of establishing the numbers to be reported under this subdivision, the employer shall calculate the total earnings, as shown on the Internal Revenue Service Form W-2, for each employee in the "snapshot," for the entire "Reporting Year," regardless of whether or not an employee worked for the full calendar year. The employer shall tabulate and report the number of employees whose W-2 earnings during the "Reporting Year" fell within each pay band.
- 3. The employer shall include in the report the total number of hours
  worked by each employee counted in each pay band during the "Reporting
  Year."
- 4. For employers with multiple establishments, the employer shall submit a report for each establishment and a consolidated report that includes all employees.
  - 5. The report shall include a section for employers to provide clarifying remarks regarding any of the information provided. An employer is not required to provide clarifying remarks.
  - 6. If an employer is required to file an Employer Information Report, otherwise known as the EEO-1 Report, with the United States Equal Employment Opportunity Commission or other federal agency that includes the same or substantially similar pay data information required under this section, the employer may satisfy compliance with this section by submitting the Employer Information Report to the department.
  - 7. If the department does not receive the required report from an employer, the department may seek an order requiring the employer to comply with these requirements and shall be entitled to recover the costs associated with seeking the order for compliance.
- 8. It shall be unlawful for any officer or employee of the department to make public in any manner whatsoever any individually identifiable information obtained pursuant to their authority under this section prior to the institution of an investigation or enforcement proceeding by the department involving that information, and only to the extent necessary for purposes of the enforcement proceeding. For the purposes of this subdivision, "individually identifiable information" includes data that is associated with a specific person or business.
- 9. Any information disclosed to the department pursuant to this section shall be considered confidential information and not subject to disclosure pursuant to the public officers law.
  - 10. Notwithstanding subdivision seven of this section, the department may develop and publicize aggregate reports based on the data obtained pursuant to their authority under this section, provided that the aggregate reports are reasonably calculated to prevent the association of any data with any individual business or person.
- 49 <u>11. The department shall maintain pay data reports for not less than</u> 50 <u>ten years.</u>
- 51 <u>12. For purposes of this section, both of the following definitions</u>
  52 <u>shall apply:</u>
- 53 <u>(a) "Employee" means an individual on an employer's payroll, including</u>
  54 <u>a part-time individual, for whom the employer is required to withhold</u>
  55 <u>federal social security taxes from that individual's wages.</u>

S. 4047

1 (b) "Establishment" means an economic unit producing goods or 2 services.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
