The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds and  
2 declares that although many illegal guns are obtained outside of New  
3 York state, existing laws governing gun sellers should be strengthened  
4 to prevent the diversion of guns to the illegal marketplace. The legis-  
5 lature finds that it is imperative that additional protections be imple-  
6 mented to ensure that New York state continues to lead the way in  
7 preventing gun violence.

11 rifle or shotgun to any individual as part of the same sales trans-  
12 action; or (ii) sell a rifle or shotgun to any individual if the dealer  
13 knows or should know that such individual has purchased a firearm, rifle  
14 or shotgun within the prior ninety days.

15 b. The provisions of this subdivision shall not apply to the sale of  
16 firearms, rifles or shotguns to a police officer, as such term is  
17 defined in section 1.20 of the criminal procedure law, or to a federal  
18 law enforcement officer, as such term is defined in section 2.15 of the  
19 criminal procedure law, or to a public agency in furtherance of official  
20 business.

21 7. Any person who knowingly violates the provisions of this article  
22 shall be guilty of a class A misdemeanor punishable as provided for in  
23 the penal law.

24 § 3. This act shall take effect on the one hundred eightieth day after  
25 it shall have become a law. Effective immediately, the addition, amend-  
26 ment and/or repeal of any rule or regulation necessary for the implemen-  
27 tation of this act on its effective date are authorized to be made and  
28 completed on or before such effective date.
