AN ACT to amend the education law, in relation to prohibiting legacy admission policies at higher education institutions in this state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act may be known and shall be cited as
2 the "fair college admissions act".

3 § 2. Legislative intent. a. The legislature hereby finds that there
4 are significant income gains associated with postsecondary education
5 degree attainment, with New York state residents with a bachelor's
6 degree three times less likely to live in poverty than those with a high
7 school diploma.

8 b. The legislature further finds that students who attend and graduate
9 from a highly selective higher education institution in the state of New
10 York are much more likely to earn salaries in the top income quintile
11 than those who graduate from less selective institutions, furthering
12 economic and social inequality.

13 c. The legislature further finds that within most highly selective
14 higher education institutions in New York state, degree completion rates
15 for students from low-income and working class family backgrounds are
16 comparable to students from upper-income family backgrounds.

17 d. The legislature further finds that many four-year higher education
18 institutions in New York state consider whether a prospective student is
19 related to alumni as part of the admissions process.

20 e. The legislature further finds that providing preferential treatment
21 to students related to alumni of a higher education institution is
22 discriminatory in nature and disproportionately hurts students who come
23 from working class and low-income families, have parents who did not
24 earn a bachelor's degree, are undocumented, are immigrants, and are
25 members of historically underrepresented minority groups formerly denied

1 entry into specific higher education institutions either as a matter of
2 institution policy or the effect of historic underlying law and govern-
3 ment practices.

4 f. The legislature further finds that inequitable, unfair admissions
5 policies and practices such as legacy consideration are a significant
6 factor behind disparities in college enrollment among students from
7 historically underserved racial and economic subgroups compared to their
8 more advantaged peers at selective higher education institutions.

9 g. The legislature hereby declares that a prohibition on legacy admis-
10 sion policies at degree-granting colleges and universities in the state
11 shall further the goals of educational, economic, and social equity,
12 helping to diversify highly selective institutions while closing
13 achievement gaps between historically advantaged and disadvantaged
14 groups, and shall commit to achieving the same with the following
15 provisions of this act.

16 § 3. The education law is amended by adding a new section 239-c to
17 read as follows:

18 § 239-c. Prohibition on legacy admission policies. 1. Definitions. As
19 used in this section, the following terms shall have the following mean-
20 ings:

21 (a) "Consider alumni/ae relation as a factor in admissions" shall
22 refer to when an admissions application asks applicants to indicate
23 where their relatives attended college and that such information is
24 included among the documents that the higher education institution uses
25 to consider an applicant for admission.

26 (b) "Higher education institution" shall mean the state university of
27 New York, as defined in subdivision one of section three hundred fifty-
28 two of this chapter, the city university of New York, as established in
29 section sixty-two hundred three of this chapter, or any institution
30 given the power to confer degrees in this state by the board of regents
31 as provided in section two hundred eighteen of this article.

32 2. Prohibition. No higher education institution in this state shall
33 consider alumni/ae relation as a factor in admissions. Such prohibition
34 shall not apply, however, to a higher education institution that asks
35 applicants about relations to alumni/ae of such institution after an
36 offer of admission and financial aid has been accepted for the purposes
37 of data collection and reporting.

38 3. Penalty. A violation of subdivision two of this section shall
39 result in a civil penalty of a sum equivalent to ten percent of the
40 number of full-time equivalent first year students enrolled at the high-
41 er educational institution the year previous to the violation multiplied
42 by such institution's published tuition and fees.

43 4. Dedication of penalty funds. All penalties paid pursuant to subdi-
44 vision three of this section shall be assessed by the commissioner and
45 deposited into the general fund of the state. Such monies shall then be
46 used for the disbursement of tuition assistance awards by the higher
47 education services corporation to eligible undergraduate students pursu-
48 ant to the provisions of sections six hundred sixty-six, six hundred
49 sixty-seven, six hundred sixty-seven-a, and six hundred sixty seven-c of
50 this chapter.

51 § 4. This act shall take effect on the first of July next succeeding
52 the date on which it shall have become a law. Effective immediately the
53 addition, amendment, and/or repeal of any rule or regulation necessary
54 for the implementation of this act on its effective date are authorized
55 to be made and completed on or before such effective date.
