2 extent practicable, of any federal entity, to protect the security of
3 critical infrastructure related to the transportation facilities, which
4 shall include those facilities set forth in subdivision seventeen of
5 section twelve hundred sixty-one of the public authorities law and shall
6 also include, for purposes of this section, bridges and tunnels of the
7 metropolitan transportation authority and of all subsidiaries of such
8 authority. The commissioner of the division of homeland security and
9 emergency services shall have the authority to review any audits or
10 reports related to the security of such critical infrastructure, includ-
11 ing audits or reports conducted at the request of the metropolitan
12 transportation authority or any other agency or authority of the state

14 any federal entity. The operators of such transportation facilities
15 shall, in compliance with any federal and state requirements regarding
16 the dissemination of such information, provide access to the commis-
17 sioner of the division of homeland security and emergency services to such
18 audits or reports regarding such critical infrastructure provided,

20 shall remain solely with the operators of such transportation facili-
21 ties. For the purposes of this article, the term "critical infrastruc-

25 and not later than three years after such date, and every five years
26 thereafter, the commissioner of the division of homeland security and
27 emergency services shall report to the governor, the temporary president

39 commissioner of the division of homeland security and emergency services
40 shall make a preliminary report to the governor, the temporary president

43 (b) Before the receipt of such report identified in paragraph (a) of
44 this subdivision, each recipient of such report shall develop confiden-
45 tiality protocols, which shall be binding upon the recipient who issues
46 the protocols and anyone to whom the recipient shows a copy of the
47 report, in consultation with the commissioner of the division of home-

49 report so as to ensure the confidentiality of the report and all infor-
50 mation contained therein, provided, however, that such protocols shall
51 not be binding upon a person who is provided access to such report or
52 any information contained therein pursuant to section eighty-nine of the
53 public officers law after a final determination that access to such
54 report or any information contained therein could not be denied pursuant
55 to subdivision two of section eighty-seven of the public officers law.
56 The commissioner of the division of homeland security and emergency

1 services shall also develop protocols for his or her office related to
2 the maintenance and use of such report so as to ensure the confidential-

8 eleven of this article, this report is to be maintained and used in a
9 manner consistent with protocols established to preserve the confiden-
10 tiality of the information contained herein in a manner consistent with
11 law."

12 (c) The metropolitan transportation authority shall have the
13 discretion to require that the recommendations of the commissioner of
14 the division of homeland security and emergency services be implemented
15 by any operator of a transportation facility.

16 § 3. This act shall take effect on the ninetieth day after it shall
17 have become a law.
