The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds and declares
2 that a state title guaranty program promotes land title stability and a
3 low-cost mechanism to provide for guaranties of real property titles in
4 New York state. The title guaranty corporation established by this act
5 will facilitate developers', homebuyers', and mortgage lenders' partic-
6 ipation and add to the integrity of the land-title transfer system in
7 the state.

8 § 2. Article 10-D of the public authorities law is amended by adding a
9 new title 4 to read as follows:

1 payment of administrative costs and the maintenance of an adequate
2 reserve against claims under the New York title guaranty program.

3 (b) A title guaranty or gap coverage issued under this program is an
4 obligation of the corporation only and claims are payable solely and
5 only out of the moneys, assets, and revenues of the title guaranty fund
6 established and held by the corporation and are not an indebtedness or
7 liability of the state. The state shall not be liable on any guaranty or
8 gap coverage.

9 (c) The corporation shall consult with the department of financial
10 services in developing a guaranty contract and developing any other
11 feature of the program with which the department of financial services
12 may have special expertise.

13 (d) Each participating attorney and abstractor may be required to pay
14 an annual participation fee to be eligible to participate in the New
15 York title guaranty program. The fee, if any, shall be set by the corpo-
16 ration.

17 (e) The participation of abstractors and attorneys shall be in accord-

28 the state. All instruments affecting real property in the state which
29 have heretofore been recorded in the office of a county clerk or other
30 municipal office shall be recorded in the statewide electronic database
31 of real property. The corporation may undertake additional methods to
32 obtain real property title information for purposes of creating and
33 maintaining a comprehensive statewide electronic database of real prop-
34 erty. The statewide electronic database of real property shall be
35 accessible to participating abstractors and attorneys under terms deter-
36 mined by the corporation, and the corporation may provide access to all
37 or portions of the database to the public.

38 (2) The corporation may waive the requirements of this subdivision
39 pursuant to an application of an attorney or abstractor which shows that
40 the requirements impose a hardship to the attorney or abstractor and
41 that the waiver clearly is in the public interest or is absolutely
42 necessary to ensure availability of title guaranties throughout the
43 state.

44 (f) Prior to the issuance of a title guaranty, the corporation shall
45 require evidence that an abstract of title to the real property in ques-
46 tion has been brought up-to-date and certified by a participating
47 abstractor in a form approved by the corporation and a title opinion
48 issued by a participating attorney in the form approved by the corpo-
49 ration stating the attorney's opinion as to the title. The corporation
50 shall require evidence of the abstract being brought up-to-date and the
51 abstractor shall retain evidence of the abstract as determined by the
52 corporation. The information obtained may be included in the statewide
53 electronic database.

54 (g) The attorney rendering a title opinion shall be authorized to
