STATE OF NEW YORK

4583--A

2023-2024 Regular Sessions

IN SENATE

February 10, 2023

Introduced by Sen. MARTINEZ -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government -- reported favorably from said committee and committed to the Committee on Finance -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the county law, in relation to the next generation 911 system, an emergency services internet protocol network

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The county law is amended by adding a new section 325-a to read as follows:

§ 325-a. Next generation 911 system, an emergency services internet protocol network. 1. For the purposes of this section, the term:

(a) "next generation 911 system, an emergency services internet protocol network (ESINet)" means a new base technology enabling the public or subscriber of a communication service to reach an appropriate public safety answering points (PSAP) by sending the digits 911 via dialing, text, or short message service (SMS), or any other technological means.

(b) "next generation 911 system provider" means an entity that provides next generation or IP-enabled 911 system to a PSAP.

2. Subject to appropriations, the state shall offer a statewide ESINet available for connection to local PSAPs.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
