1 this section. Deposits into the fund may include revenues of the local
2 government from whatever source and shall include, at a minimum, all
3 revenues from a tax imposed upon the transfer of real property interests
4 in such town pursuant to article thirty-one-A-four of the tax law. The
5 fund shall also be authorized to accept gifts of any such interests in
6 land or of funds. Interest accrued by monies deposited into the fund
7 shall be credited to the fund. In no event shall monies deposited in the
8 fund be transferred to any other account. Nothing contained in this
9 section shall be construed to prevent the financing in whole or in part,
10 pursuant to the local finance law, of any acquisition authorized pursu-
11 ant to this section. Monies from the fund may be utilized to repay any
12 indebtedness or obligations incurred pursuant to the local finance law
13 consistent with effectuating the purposes of this section.

14 3. The purposes of the fund shall be exclusively: (a) to implement a
15 plan for the preservation of community character as required by this
16 section, (b) to acquire interests or rights in real property for the
17 preservation of community character within the town including villages
18 therein in accordance with such plan and in cooperation with willing
19 sellers, (c) to establish a bank pursuant to a transfer of development
20 rights program consistent with section two hundred sixty-one-a of this
21 chapter, and (d) to provide a management and stewardship program for
22 such interests and rights consistent with subdivision ten of this
23 section and in accordance with such plan designed to preserve community
24 character. Not more than ten percent of the fund shall be utilized for
25 the management and stewardship program.

26 4. If the implementation of the community preservation project plan,
27 adopted by the town board, as provided in subdivision seven of this
28 section, has been completed, and funds are no longer needed for the
29 purposes outlined in this subdivision, then any remaining monies in the
30 fund shall be applied to reduce any bonded indebtedness or obligations
31 incurred to effectuate the purposes of this section.

32 5. Preservation of community character shall involve one or more of
33 the following:

- 34 (a) preservation of open space;
- 35 (b) establishment of parks, nature preserves, or recreation areas;
- 36 (c) preservation of land which is predominantly viable agricultural
37 land, as defined in subdivision seven of section three hundred one of
38 the agriculture and markets law, or unique and irreplaceable agricul-
39 tural land, as defined in subdivision six of section three hundred one
40 of the agriculture and markets law;
- 41 (d) preservation of freshwater marshes or other wetlands;
- 42 (e) preservation of aquifer recharge areas;
- 43 (f) preservation of undeveloped beach-lands or shoreline;
- 44 (g) establishment of wildlife refuges for the purpose of maintaining
45 native animal species diversity, including the protection of habitat
46 essential to the recovery of rare, threatened or endangered species;
- 47 (h) preservation of unique or threatened ecological areas;
- 48 (i) preservation of rivers and river areas in a natural, free-flowing
49 condition;
- 50 (j) preservation of forested land;
- 51 (k) preservation of public access to lands for public use including
52 stream rights and waterways;
- 53 (l) preservation of historic places and properties listed on the New
54 York state register of historic places and/or protected under a munici-
55 pal historic preservation ordinance or law;

1 (m) undertaking any of the purposes of this subdivision in furtherance
2 of the establishment of a greenbelt; and

3 (n) preservation of land of exceptional scenic value.

4 6. The town board which has established a community preservation fund
5 shall create an advisory board to review and make recommendations on
6 proposed acquisitions of interests in real property using monies from
7 the fund. Such board shall consist of five or seven legal residents of
8 the municipality who shall serve without compensation. No member of the
9 local legislative body shall serve on the board. A majority of the
10 members of the board shall have demonstrated experience with conserva-
11 tion or land preservation activities. The board shall act in an advisory
12 capacity to the town board. At least one member of the board shall be
13 an active farmer. Board members' terms shall be staggered.

14 7. The town board which has established a community preservation fund
15 shall, by local law, adopt a community preservation project plan. Such
16 plan shall list every project which the town plans to undertake pursuant
17 to the community preservation fund. Such plan shall provide for a
18 detailed evaluation of all available land use alternatives to protect
19 community character, including but not limited to: (a) fee simple acqui-
20 sition, (b) zoning regulations, including density reductions, cluster
21 development, and site plan and design requirements, (c) transfer of
22 development rights, (d) the purchase of development rights, and (e)
23 scenic and conservation easements. Said evaluation shall be as specific
24 as practicable as to each parcel selected for inclusion in such plan.
25 Such plan shall establish the priorities for preservation, and shall
26 include the preservation of farmland as its highest priority. Funds
27 from the community preservation fund may only be expended for projects
28 which have been included in such plan. Such plan shall be updated not
29 less than once every five years, but in no event until at least three
30 years after the adoption of the original plan. A copy of such plan shall
31 be filed with the town clerk, the commissioner of environmental conser-
32 vation, the commissioner of agriculture and markets and the commissioner
33 of the office of parks, recreation and historic preservation. Such plan
34 shall be completed at least sixty days before the submission of the
35 mandatory referendum required by section fourteen hundred thirty-nine-
36 bbb of the tax law. If at the time of referendum, the town shall have in
37 place an adopted open space plan, such plan shall be deemed sufficient
38 to waive the preservation plan requirements of this subdivision. Any
39 monies expended from the community preservation plan shall, however be
40 consistent with the purposes outlined in subdivisions three and five of
41 this section and with the open space plan for a period not to exceed
42 twelve months.

43 8. The town board which has established a community preservation fund
44 pursuant to this section may study and consider establishing a transfer
45 of development rights program to protect community character as provided
46 for by section two hundred sixty-one-a of this chapter. All provisions
47 of such section two hundred sixty-one-a shall be complied with. If at
48 any time during the life of the community preservation fund a transfer
49 of development rights program is established, the town may utilize
50 monies from the community preservation fund in order to create and fund
51 a central bank of the transfer of development rights program. If at any
52 time during the life of the community preservation fund, a transfer of
53 development rights program is repealed by the town, all monies from the
54 central bank shall be returned to the community preservation fund.

55 9. No interests or rights in real property shall be acquired pursuant
56 to this section until a public hearing is held as required by section

two hundred forty-seven of the general municipal law; provided, however, that nothing herein shall prevent the town board from entering into a conditional purchase agreement before a public hearing is held. Any resolution of the town board approving an acquisition of rights or interest in real property pursuant to this section, shall find that acquisition was the best alternative for the protection of community character of all the reasonable alternatives available to the town.

10. Rights or interest in real property acquired pursuant to this section shall be administered and managed in a manner which (a) allows public use and enjoyment in a manner compatible with the natural, scenic, historic and open space character of such lands; (b) preserves the native biological diversity of such lands; (c) with regard to open spaces, limits improvements to enhancing access for passive use of such lands such as nature trails, boardwalks, bicycle paths, and peripheral parking areas provided that such improvements do not degrade the ecological value of the land or threaten essential wildlife habitat; and (d) preserves cultural property consistent with accepted standards for historic preservation. Notwithstanding any other provision of this subdivision there shall be no right to public use and enjoyment of land used in conjunction with a farm operation as defined by subdivision eleven of section three hundred one of the agriculture and markets law. In furthering the purposes of this section, the town may enter into agreements with corporations organized under the not-for-profit corporation law and engage in land trust activities to manage lands including less than fee interests acquired pursuant to the provisions of this section, provided that any such agreement shall contain a provision that such corporation shall keep the lands accessible to the public unless such corporation shall demonstrate to the satisfaction of the town that public accessibility would be detrimental to the lands or any natural resources associated therewith.

11. Rights or interests in real property acquired with monies from such fund shall not be sold, leased, exchanged, donated, or otherwise disposed of or used for other than the purposes permitted by this section without the express authority of an act of the state legislature, which shall provide for the substitution of other lands of equal environmental value and fair market value and reasonably equivalent usefulness and location to those to be discontinued, sold or disposed of, and such other requirements as shall be approved by the state legislature. Any conservation easements, created under title three of article forty-nine of the environmental conservation law, which are acquired with monies from such fund may only be modified or extinguished as provided in section 49-0307 of such law. Nothing in this section shall preclude the town, by local law, from establishing additional restrictions to the alienation of lands acquired pursuant to this section. This subdivision shall not apply to the sale of development rights by the town acquired pursuant to this section, where said sale is made by a central bank created by the town, pursuant to a transfer of development rights program established by the town pursuant to section two hundred sixty-one-a of this chapter, provided, however that (a) the lands from which said development rights were acquired shall remain preserved in perpetuity by a permanent conservation easement or other instrument that similarly preserves the community character referenced in subdivision five of this section, and (b) the proceeds from such sale shall be deposited in the community preservation fund.

§ 2. The tax law is amended by adding a new article 31-A-4 to read as follows:

37 board, is hereby authorized and empowered to adopt a local law imposing
38 in such town a tax on each conveyance of real property or interest ther-
39 ein not to exceed a maximum of three-quarters of one percent of the
40 consideration for such conveyance, subject to the exemptions set forth
41 in section fourteen hundred thirty-nine-eee of this article; any such
42 local law shall fix the rate of such tax. Provided, however, any such
43 local law imposing, repealing or reimposing such tax shall be subject to
44 a mandatory referendum pursuant to section twenty-three of the municipal
45 home rule law. Notwithstanding the foregoing, prior to adoption of such
46 local law, the town must establish a community preservation fund pursu-
47 ant to section sixty-four-1 of the town law. Revenues from such tax
48 shall be deposited in such fund and may be used solely for the purposes
49 of such fund. Such local law shall apply to any conveyance occurring on
50 or after the first day of a month to be designated by such town board,
51 which is not less than sixty days after the enactment of such local law,
52 but shall not apply to conveyances made on or after such date pursuant
53 to binding written contracts entered into prior to such date, provided
54 that the date of execution of such contract is confirmed by independent
55 evidence such as the recording of the contract, payment of a deposit or
56 other facts and circumstances as determined by the treasurer.

1 § 1439-ccc. Payment of tax. 1. The real estate transfer tax imposed
2 pursuant to this article shall be paid to the treasurer or the recording
3 officer acting as the agent of the treasurer upon designation as such
4 agent by the treasurer. Such tax shall be paid at the same time as the
5 real estate transfer tax imposed by article thirty-one of this chapter
6 is required to be paid. Such treasurer or recording officer shall
7 endorse upon each deed or instrument effecting a conveyance a receipt
8 for the amount of the tax so paid.

9 2. A return shall be required to be filed with such treasurer or
10 recording officer for purposes of the real estate transfer tax imposed
11 pursuant to this article at the same time as a return is required to be
12 filed for purposes of the real estate transfer tax imposed by article
13 thirty-one of this chapter. The treasurer shall prescribe the form of
14 return, the information which it shall contain, and the documentation
15 that shall accompany the return. Said form shall be identical to the
16 real estate transfer tax return required to be filed pursuant to section
17 fourteen hundred nine of this chapter, except that the treasurer shall
18 adapt said form to reflect the provisions in this chapter that are
19 inconsistent, different, or in addition to the provisions of article
20 thirty-one of this chapter. The real estate transfer tax returns
21 required to be filed pursuant to this section shall be preserved for
22 three years and thereafter until such treasurer or recording officer
23 orders them to be destroyed.

24 3. The recording officer shall not record an instrument effecting a
25 conveyance unless the return required by this section has been filed and
26 the tax imposed pursuant to this article shall have been paid as
27 required in this section.

28 § 1439-ddd. Liability for tax. 1. The real estate transfer tax shall
29 be paid by the grantee. If the grantee has failed to pay the tax imposed
30 pursuant to this article or if the grantee is exempt from such tax, the
31 grantor shall have the duty to pay the tax. Where the grantor has the
32 duty to pay the tax because the grantee has failed to pay the tax, such
33 tax shall be the joint and several liability of the grantee and the
34 grantor.

35 2. For the purpose of the proper administration of this article and to
36 prevent evasion of the tax hereby imposed, it shall be presumed that all
37 conveyances are subject to the tax. Where the consideration includes
38 property other than money, it shall be presumed that the consideration
39 is the fair market value of the real property or interest therein. These
40 presumptions shall prevail until the contrary is proven, and the burden
41 of proving the contrary shall be on the person liable for payment of the
42 tax.

43 § 1439-eee. Exemptions. 1. The following shall be exempt from the
44 payment of the real estate transfer tax imposed by this article:

45 (a) The state of New York, or any of its agencies, instrumentalities,
46 political subdivisions, or public corporations (including a public
47 corporation created pursuant to an agreement or compact with another
48 state or the Dominion of Canada); and

49 (b) The United Nations, the United States of America or any of its
50 agencies or instrumentalities.

51 2. The tax shall not apply to any of the following conveyances:

52 (a) Conveyances to the United Nations, the United States of America,
53 the state of New York, or any of their instrumentalities, agencies or
54 political subdivisions (or any public corporation, including a public
55 corporation created pursuant to agreement or compact with another state
56 or the Dominion of Canada);

1 (b) Conveyances which are or were used to secure a debt or other obli-
2 gation;

3 (c) Conveyances which, without additional consideration, confirm,
4 correct, modify or supplement a deed previously recorded;

5 (d) Conveyances of real property without consideration and otherwise
6 than in connection with a sale, including deeds conveying realty as bona
7 fide gifts;

8 (e) Conveyances given in connection with a tax sale;

9 (f) Conveyances to effectuate a mere change of identity or form of
10 ownership or organization where there is no change in beneficial owner-
11 ship, other than conveyances to a cooperative housing corporation of the
12 real property comprising the cooperative dwelling or dwellings;

13 (g) Conveyances which consist of a deed of partition;

14 (h) Conveyances given pursuant to the federal bankruptcy act;

15 (i) Conveyances of real property which consist of the execution of a
16 contract to sell real property without the use or occupancy of such
17 property or the granting of an option to purchase real property without
18 the use or occupancy of such property;

19 (j) Conveyances of real property or a portion or portions of real
20 property that are the subject of one or more of the following develop-
21 ment restrictions:

22 (1) agricultural, conservation, scenic, or an open space easement;

23 (2) covenants or restrictions prohibiting development where the prop-
24 erty or portion of property being conveyed has had its development
25 rights permanently removed;

26 (3) a purchase of development rights agreement where the property or
27 portion of property being conveyed has had its development rights perma-
28 nently removed;

29 (4) a transfer of development rights agreement, where the property
30 being conveyed has had its development rights removed;

31 (5) real property subject to any locally adopted land preservation
32 agreement, provided said exemption is included in the local law imposing
33 the tax authorized by this article;

34 (k) Conveyances of real property, where the property is viable agri-
35 cultural land as defined in subdivision seven of section three hundred
36 one of the agriculture and markets law and the entire property to be
37 conveyed is to be made subject to one of the development restrictions
38 provided for in subparagraph two of paragraph (j) of this subdivision
39 provided that said development restriction precludes the conversion of
40 the property to a non-agricultural use for at least eight years from the
41 date of transfer, and said development restriction is evidenced by an
42 easement, agreement, or other suitable instrument which is to be
43 conveyed to the town simultaneously with the conveyance of the real
44 property; or

45 (l) Conveyances of real property for open space, parks, or historic
46 preservation purposes to any not-for-profit tax exempt corporation oper-
47 ated for conservation, environmental, or historic preservation purposes.

48 3. An exemption of one hundred thousand dollars shall be allowed on
49 the consideration of the conveyance of improved real property or an
50 interest therein, and an exemption of fifty thousand dollars shall be
51 allowed on the consideration of the conveyance of unimproved real prop-
52 erty.

53 § 1439-fff. Credit. A grantee shall be allowed a credit against the
54 tax due on a conveyance of real property to the extent tax was paid by
55 such grantee on a prior creation of a leasehold of all or a portion of
56 the same real property or on the granting of an option or contract to

1 purchase all or a portion of the same real property by such grantee.
2 Such credit shall be computed by multiplying the tax paid on the
3 creation of the leasehold or on the granting of the option or contract
4 by a fraction, the numerator of which is the value of the consideration
5 used to compute such tax paid which is not yet due to such grantor on
6 the date of the subsequent conveyance (and which such grantor will not
7 be entitled to receive after such date), and the denominator of which is
8 the total value of the consideration used to compute such tax paid.

9 § 1439-ggg. Cooperative housing corporation transfers. 1. Notwith-
10 standing the definition of "controlling interest" contained in subdivi-
11 sion two of section fourteen hundred thirty-nine-aaa of this article or
12 anything to the contrary contained in subdivision five of section four-
13 teen hundred thirty-nine-aaa of this article, the tax imposed pursuant
14 to this article shall apply to (a) the original conveyance of shares of
15 stock in a cooperative housing corporation in connection with the grant
16 or transfer of a proprietary leasehold by the cooperative corporation or
17 cooperative plan sponsor, and (b) the subsequent conveyance of such
18 stock in a cooperative housing corporation in connection with the grant
19 or transfer of a proprietary leasehold by the owner thereof. With
20 respect to any such subsequent conveyance where the property is an indi-
21 vidual residential unit, the consideration for the interest conveyed
22 shall exclude the value of any liens on certificates of stock or other
23 evidences of an ownership interest in and a proprietary lease from a
24 corporation or partnership formed for the purpose of cooperative owner-
25 ship of residential interest in real estate remaining thereon at the
26 time of conveyance. In determining the tax on a conveyance described in
27 paragraph (a) of this subdivision, a credit shall be allowed for a
28 proportionate part of the amount of any tax paid upon the conveyance to
29 the cooperative housing corporation of the real property comprising the
30 cooperative dwelling or dwellings to the extent that such conveyance
31 effectuated a mere change of identity or form of ownership of such prop-
32 erty and not a change in the beneficial ownership of such property. The
33 amount of the credit shall be determined by multiplying the amount of
34 tax paid upon the conveyance to the cooperative housing corporation by a
35 percentage representing the extent to which such conveyance effectuated
36 a mere change of identity or form of ownership and not a change in the
37 beneficial ownership of such property, and then multiplying the result-
38 ing product by a fraction, the numerator of which shall be the number of
39 shares of stock conveyed in a transaction described in paragraph (a) of
40 this subdivision, and the denominator of which shall be the total number
41 of shares of stock of the cooperative housing corporation (including any
42 stock held by the corporation). In no event, however, shall such credit
43 reduce the tax, on a conveyance described in paragraph (a) of this
44 subdivision, below zero, nor shall any such credit be allowed for a tax
45 paid more than twenty-four months prior to the date on which occurs the
46 first in a series of conveyances of shares of stock in an offering of
47 cooperative housing corporation shares described in paragraph (a) of
48 this subdivision.

49 2. Every cooperative housing corporation shall be required to file an
50 information return with the treasurer by July fifteenth of each year
51 covering the preceding period of January first through June thirtieth
52 and by January fifteenth of each year covering the preceding period of
53 July first through December thirty-first. The return shall contain such
54 information regarding the conveyance of shares of stock in the cooper-
55 ative housing corporation as the treasurer may deem necessary, includ-
56 ing, but not limited to, the names, addresses and employee identifica-

tion numbers or social security numbers of the grantor and the grantee, the number of shares conveyed, the date of the conveyance and the consideration paid for such conveyance.

§ 1439-hhh. Designation of agents. The treasurer is authorized to designate the recording officer to act as his or her agent for purposes of collecting the tax authorized by this article. The treasurer shall provide for the manner in which such person may be designated as his or her agent subject to such terms and conditions as the treasurer shall prescribe. The real estate transfer tax shall be paid to such agent as provided in section fourteen hundred thirty-nine-ccc of this article.

§ 1439-iii. Liability of recording officer. A recording officer shall not be liable for any inaccuracy in the amount of tax imposed pursuant to this article that he or she shall collect so long as he or she shall compute and collect such tax on the amount of consideration or the value of the interest conveyed as such amounts are provided to him or her by the person paying the tax.

§ 1439-jjj. Refunds. Whenever the treasurer shall determine that any moneys received under the provisions of the local law enacted pursuant to this article were paid in error, he or she may cause such moneys to be refunded pursuant to such requirements as he or she may prescribe, provided that any application for such refund is filed with the treasurer within two years from the date the erroneous payment was made.

§ 1439-kkk. Deposit and disposition of revenue. 1. All taxes, penalties and interest imposed by the town under the authority of section fourteen hundred thirty-nine-bbb of this article, which are collected by the treasurer or his or her agents, shall be deposited in a single trust fund for the town and shall be kept in trust and separate and apart from all other monies in possession of the treasurer. Moneys in such fund shall be deposited and secured in the manner provided by section ten of the general municipal law. Pending expenditure from such fund, moneys therein may be invested in the manner provided in section eleven of the general municipal law. Any interest earned or capital gain realized on the moneys so deposited or invested shall accrue to and become part of such fund.

2. The treasurer shall retain such amount as he or she may determine to be necessary for refunds with respect to the tax imposed by the town, under the authority of section fourteen hundred thirty-nine-bbb of this article, out of which the treasurer shall pay any refunds of such taxes to those taxpayers entitled to a refund pursuant to the provisions of this article.

3. The treasurer, after reserving such refunds, shall on or before the twelfth day of each month pay to the town supervisor the taxes, penalties and interest imposed by the town under the authority of section fourteen hundred thirty-nine-bbb of this article, collected by the treasurer, pursuant to this article during the next preceding calendar month. The amount so payable shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. Provided, however, any such certification may be based on such information as may be available to the treasurer at the time such certification must be made under this section. Where the amount so paid over to the town in any such distribution is more or less than the amount due to the town, the amount of the overpayment or underpayment shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. The amount of the overpayment or underpayment shall be so certified to the town supervisor as soon after the discovery of the overpayment or under-

1 payment as reasonably possible and subsequent payments and distributions
2 by the treasurer to the town shall be adjusted by subtracting the amount
3 of any such overpayment from or by adding the amount of any such under-
4 payment to such number of subsequent payments and distributions as the
5 treasurer and town supervisor shall consider reasonable in view of the
6 overpayment or underpayment and all other facts and circumstances.

7 4. All monies received from the treasurer shall be deposited in the
8 fund of the town, pursuant to section sixty-four-1 of the town law.

9 § 1439-lll. Judicial review. 1. Any final determination of the amount
10 of any tax payable under section fourteen hundred thirty-nine-ccc of
11 this article shall be reviewable for error, illegality or unconstitu-
12 tionality or any other reason whatsoever by a proceeding under article
13 seventy-eight of the civil practice law and rules if application there-
14 for is made to the supreme court within four months after the giving of
15 the notice of such final determination, provided, however, that any such
16 proceeding under article seventy-eight of the civil practice law and
17 rules shall not be instituted unless (a) the amount of any tax sought to
18 be reviewed, with such interest and penalties thereon as may be provided
19 for by local law shall be first deposited and there is filed an under-
20 taking, issued by a surety company authorized to transact business in
21 this state and approved by the state superintendent of financial
22 services as to solvency and responsibility, in such amount as a justice
23 of the supreme court shall approve to the effect that if such proceeding
24 be dismissed or the tax confirmed the petitioner will pay all costs and
25 charges which may accrue in the prosecution of such proceeding or (b) at
26 the option of the petitioner, such undertaking may be in a sum suffi-
27 cient to cover the taxes, interest and penalties stated in such determi-
28 nation, plus the costs and charges which may accrue against it in the
29 prosecution of the proceeding, in which event the petitioner shall not
30 be required to pay such taxes, interest or penalties as a condition
31 precedent to the application.

32 2. Where any tax imposed hereunder shall have been erroneously, ille-
33 gally or unconstitutionally assessed or collected and application for
34 the refund or revision thereof duly made to the proper fiscal officer or
35 officers, and such officer or officers shall have made a determination
36 denying such refund or revision, such determination shall be reviewable
37 by a proceeding under article seventy-eight of the civil practice law
38 and rules; provided, however, that (a) such proceeding is instituted
39 within four months after the giving of the notice of such denial, (b) a
40 final determination of tax due was not previously made, and (c) an
41 undertaking is filed with the proper fiscal officer or officers in such
42 amount and with such sureties as a justice of the supreme court shall
43 approve to the effect that if such proceeding be dismissed or the tax
44 confirmed, the petitioner will pay all costs and charges which may
45 accrue in the prosecution of such proceeding.

46 § 1439-mmm. Apportionment. A local law adopted by the town of Orange-
47 town, pursuant to this article, shall provide for a method of apportion-
48 ment for determining the amount of tax due whenever the real property or
49 interest therein is situated within and without the town.

50 § 1439-nnn. Miscellaneous. A local law adopted by the town of Orange-
51 town, pursuant to this article, may contain such other provisions as the
52 town deems necessary for the proper administration of the tax imposed
53 pursuant to this article, including provisions concerning the determi-
54 nation of tax, the imposition of interest on underpayments and overpay-
55 ments and the imposition of civil penalties. Such provisions shall be
56 identical to the corresponding provisions of the real estate transfer

1 tax imposed by article thirty-one of this chapter, so far as such
2 provisions can be made applicable to the tax imposed pursuant to this
3 article.

4 § 1439-ooo. Returns to be secret. 1. Except in accordance with proper
5 judicial order or as otherwise provided by law, it shall be unlawful for
6 the treasurer or any officer or employee of the county or town, includ-
7 ing any person engaged or retained on an independent contract basis, to
8 divulge or make known in any manner the particulars set forth or
9 disclosed in any return required under a local law enacted pursuant to
10 this article. However, that nothing in this section shall prohibit the
11 recording officer from making a notation on an instrument effecting a
12 conveyance indicating the amount of tax paid. No recorded instrument
13 effecting a conveyance shall be considered a return for purposes of this
14 section.

15 2. The officers charged with the custody of such returns shall not be
16 required to produce any of them or evidence of anything contained in
17 them in any action or proceeding in any court, except on behalf of the
18 county or town in any action or proceeding involving the collection of a
19 tax due under a local law enacted pursuant to this article to which such
20 county or town is a party, or a claimant, or on behalf of any party to
21 any action or proceeding under the provisions of a local law enacted
22 pursuant to this article when the returns or facts shown thereby are
23 directly involved in such action or proceeding, in any of which events
24 the court may require the production of, and may admit in evidence, so
25 much of said returns or of the facts shown thereby, as are pertinent to
26 the action or proceeding and no more.

27 3. Nothing herein shall be construed to prohibit the delivery to a
28 grantor or grantee of an instrument effecting a conveyance or the duly
29 authorized representative of a grantor or grantee of a certified copy of
30 any return filed in connection with such instrument or to prohibit the
31 publication of statistics so classified as to prevent the identification
32 of particular returns and the items thereof, or the inspection by the
33 legal representatives of such county or town of the return of any
34 taxpayer who shall bring action to set aside or review the tax based
35 thereon.

36 4. Any officer or employee of such county or town who willfully
37 violates the provisions of this section shall be dismissed from office
38 and be incapable of holding any public office in this state for a period
39 of five years thereafter.

40 § 1439-ppp. Foreclosure proceedings. Where the conveyance consists of
41 a transfer of property made as a result of an order of the court in a
42 foreclosure proceeding ordering the sale of such property, the referee
43 or sheriff effectuating such transfer shall not be liable for any inter-
44 est or penalties that are authorized pursuant to this article or article
45 thirty-seven of this chapter.

46 § 3. Severability. If any provision of this act or the application
47 thereof shall for any reason be adjudged by any court of competent
48 jurisdiction to be invalid, such judgment shall not affect, impair, or
49 invalidate the remainder of this act, but shall be confined in its oper-
50 ation to the provision thereof directly involved in the controversy in
51 which such judgment shall have been rendered.

52 § 4. This act shall take effect immediately; provided, however, that
53 section two of this act shall take effect on the ninetieth day after it
54 shall have become a law and shall expire December 31, 2043 when upon
55 such date the provisions of such section shall be deemed repealed.
