The legislature hereby finds and declares that the continued, uninterrupted, adequate and efficient operation of the sanitation department of the city of New York is necessary for the general welfare of the people; that such adequate operation involves and requires personnel with highly specialized ability, skill, training and knowledge, which necessitate that vacancies in the sanitation department of the city of New York in the positions of General Superintendent 2 and General Superintendent 3, shall be filled as far as practicable by promotion from among persons holding competitive class positions in a lower grade in the sanitation department of the city of New York in which the vacancy exists, provided that such lower grade positions are in direct line of promotion, as determined by such sanitation department or the municipal commission.

2. Promotion shall be based on merit and fitness as determined by competitive examination, due weight being given to seniority. The previous training and experience of the candidates, and performance ratings where available, may be considered and given due weight as factors in determining the relative merit and fitness of candidates for promotion.
