

STATE OF NEW YORK

5047

2023-2024 Regular Sessions

IN SENATE

February 22, 2023

Introduced by Sen. LANZA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to notifying hospital patients upon intake of reports of hospital-acquired infections

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2819 of the public health law is amended by adding
2 a new subdivision 6-a to read as follows:

3 6-a. No later than one hundred eighty days after the issuance of the
4 reports required pursuant to subparagraph (iii) of paragraph (c) of
5 subdivision five of this section, each general hospital shall be
6 required to notify patients as a component of prebooking, intake and
7 registration of the hospital-acquired infections, that would be required
8 to be reported to the department pursuant to this section, that occurred
9 in the hospital for the prior thirty day period. Such notification shall
10 be updated on a daily basis and shall be accomplished through the
11 conspicuous posting of signs, which are easily understandable by the
12 general public, and shall include directions on how to obtain additional
13 information. To the degree practicable, the format of such signs shall
14 be consistent with the format of the summary table required to be devel-
15 oped pursuant to subdivision six of this section. Upon request the
16 hospital shall provide a patient with an individual copy of the informa-
17 tion contained on such sign. The department through regulation shall
18 establish penalties applicable to the first and subsequent violations of
19 the requirement imposed by this subdivision.

20 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
